## GAS FILLING STATIONS

### Residents of Lower Falls Strenuously Oppose Two Petitions in that Village at Meeting of Aldermen

A delegation of Lower Falls residents, headed by Alfred Murray of 2213 Washington street, appeared before the aldermen Monday night to protest against permits being granted for gasoline stations to Henry C. Bourne and Cashman & Ginsberg, applicants for stations on Washington street in that village. Attorney James P. Gallagher representing Mr. Bourne explained that his client desired to establish a station at 2268 Washington street on property bounded by old mill property, the Metropolitan Park Reservation and Washington street, on which it has a 78 frontage. He said "that he was glad to see so many from Lower Falls present because all possible objections might be discussed. Mr. Gallagher argued that the street is wide at this point, little pedestrian traffic passes by, that it will be much better to have an attractive gasoline

## DOLLAR DAY

### Chamber of Commerce Makes Plans for Nov. 13

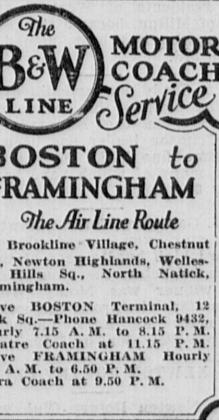

Arrangements have been completed through which the merchants of all the Newtons are to join in conducting an All-Newton Dollar Day on Saturday of next week, November 13, under the auspices and direction of the Newton Chamber of Commerce. The interest and enthusiasm already behind the movement makes it reasonable to expect that this will easily prove the greatest merchandising event ever held in Newton. This is the first time an All-Newton Dollar Day has been attempted, but the marked success of the series of Dollar Days conducted a year ago in several of the villages, including Newton Corner, Newton Centre, Newtonville, and West Newton, has convinced the mercantile committee of the Chamber that an All-Newton Dollar Day should be equally successful, on a corresponding larger scale. It was therefore voted that the next Dollar Day be developed on that basis.

In addition to the suggestion that dollar day shopping be planned to some extent, it will also be made worth while for every woman in Newton to plan to spend a part of Saturday of next week in just shopping around, as a majority of the merchants are planning their participation in the event on such a scale that the listing of everything will be practically impossible and there will be dozens of bargains not listed at all in the advance publicity of the various stores. This will especially apply to the hundreds of single articles and small lots that—because of the limited number and the desire to close out the line—will be marked down much lower than anything else, the limited number of each article making it impractical to create a demand for them through advertising.

Ten thousand special Dollar Day pennants, for use in stores, for window display, and other purposes, are being distributed to the merchants throughout the city, with the probability that the business centers of each village will be fairly ablaze with the bright colors of the dollar day lithographs within a few days. The street banners used in previous dollar days are to be suspended again across the main thoroughfares at Newton Centre, while various other special publicity features under consideration to gain the attention and interest of the public. Every effort is being made to put over the thought that the merchants of Newton are united in a truly gigantic effort to make the first All-Newton Dollar Day the biggest thing in a merchandising way that has ever occurred in Newton.

### FIREMEN'S TWO PLATOON OFFICIALLY KILLED

By a vote of 12 to 7 the report of the Finance Committee of the Board of Aldermen, which recommended that the two platoon system for the Newton Fire Department not be put into operation this year, was sustained at the meeting of the Aldermen on Monday night. Those voting to sustain the Committee's report were Aldermen Earle, Madden, Baker, Weeks, Gordon, Ball, Favinger, Bliss, Norman Pratt, Fitts, Hawkins and Hinckley. The aldermen who voted against following the recommendation of the Finance Committee were—Noone, Grebenstein, Heathcote, Hodgeson, O'Connell, Gal-

## COMMUNITY SERVICE

### As Reported by the Newton Central Council

#### NEWTON RED CROSS

On the 27th October, the Annual Meeting of the Newton Chapter of the American Red Cross, was held at the Newton Welfare House at 12 Austin Street, Newtonville.

Mr. Donald Angier as first Vice-Chairman of the Chapter, gave a report of the work done by the Chapter during the past year and outlined the program for the coming year. The treasurers report and the reports of the various Committees and branches were read and approved.

During the year 1927, Life Saving Work will be fostered by the Red Cross and the Chapter is anxious to serve the people of Newton, in this

connection.

The Chapter will continue its disaster relief work. Production Work for Service Men, Home Service Work, Braille Work for the Blind, and will stand ready to meet any other de-

mands.

## ALDERMAN WINS

### Leahy Granted Permit for Gas Filling Station

For two and one-half hours Monday night the Board of Aldermen engaged in one of the most intense arguments that has been held at City Hall for many moons. The mooted question was—should a permit for a gasoline filling station be granted to Richard T. Leahy at 1449 Washington street, West Newton? Mr. Leahy, who is one of West Newton's best known citizens, resides at 11 Warwick road and has a place of business at 455 Cherry street. Mr. Leahy is in the plumbing business and in addition to his shop at 455 Cherry street, for several years also stored some of his material and did part of his work in the cellar of his home on Warwick road. Out of consideration for his neighbors, he did not have any business sign attached to his house, so when the zoning law was passed a few years ago, one of his neighbors objected to a

## NEWTON 7—SOMERVILLE 7

Newton high and Somerville high battled for 40 minutes on Clafin Field last Saturday afternoon in a Suburban league game on practically even terms, each team scoring a touchdown and kicking the extra point. Coach Dickinson started his second string backfield with the intention of wearing down the Somerville line. Before the end of the second quarter they were relieved by the first string men as Somerville threatened. Somerville scored first. At the be-

ginning of the second quarter Proctor made 15 yards around right end on a lateral pass from Clark. Clark kicked to Somerville's 20-yard line. Here Somerville started a pretty march that did not end until they reached Newton's nine yard line. During that time they made four consecutive first downs. McGovern, Finn, and Lupi each gained considerably. One criss-cross play from McGovern to Finn netted 25 yards. Newton stiffened on the nine yard line and Somerville was penalized twice for five yards for being in motion. With it still first down and twenty yards to go McGovern hurled a pass to Rondina who dashed the remaining two yards to the touchdown. McGovern kicked the ball.

Proctor, who relieved Macey just before the end of the first period, fooled the entire Somerville team to start the second session. After Bennett had got mixed on his signals and allowed the TEN—GRAPHIC o—w—, .... pass from centre to get by him for a loss of 22 yards, the blonde haired Newton back tore off fifteen yards around the red and blue left end. Two teammates were interfering for him nicely and had he kept on he would have had a clear field for a score, as his interference could have cleaned out for him. But instead he chose to cut to his left, towards the Somerville secondary defence, and they stopped him.

In the second half Newton came right back. Somerville kicked off to Proctor who fumbled the ball but recovered on the 12-yard line and on the Somerville side of the field. Cole, Newton right end, laid down near the Somerville sideline unobserved by the Somerville team. Proctor threw a long forward to him but it was a yard short of his reach and Newton's strategy had failed. Clark and Proctor worked a lateral pass and Proctor ran 37 yards. Just before he was tackled he cut to his left and if he had kept straight ahead he would have had a clear field, as two Newton men would have cleaned out the only opponent to stop him. Clark then kicked to Goodwin on his 35-yard strip. The Somerville quarter let the ball slip through his arms and it rolled to the 20-yard line. Scheinftein, Newton's brilliant end, was on the ball like a flash but it eluded him as he fell on it. A scrabble ensued between several Newton and Somerville players but when the referee untangled the ball Gatchell, Newton sub-center, was on the oval. Proctor gained five yards in two rushes and then he tossed a flat pass to Clark over right end and Clark tallied. He also negotiated the extra point, which tied the count.

The summary: Newton—Cole, Kent, le; Stubbs, lt; Harrington, Shea, Ig; Andres, Gatchell, c; Wilkerson, Hamilton, rg; Haagood, rt; McNeil, Scheinftein, re; Clark, qb; Macy, Proctor, lhb; Symonds, McIntyre, Gilligan, rhb; Bennett, Brown, fb. Score by periods: 1 2 3 4 Total Newton ..... 0 0 7 0 7 Somerville ..... 0 7 0 0 7 Touchdowns made by Rondina, Clark. Points by goal after touchdown made by McGovern, Clark. Referee, Babcock; Umpire, Frolio. Linesman, Carrigan. Time, 10 min. periods.

Throughout the final period the ball was on the Somerville side of the field except for three instances. At the opening of the quarter McGovern punted to Newton's 45-yard strip and Proctor ran it back to midfield. Later McGovern again kicked to the same line and Proctor ran it back nine yards. The third and final instance when the ball was in Newton's territory was on the next to last play of the game. Gilligan had intercepted a Somerville forward on the opponent's 45-yard line. Macey and Clark tried a lateral but Macey misjudged Clark's speed and the ball went rolling towards the Newton goal. Clark recovered it on his 32-yard line. A pass from Clark to Macey gained five yards as the final whistle blew.

In the final period Clark sent ten out of twelve consecutive plays through Bergen, Somerville centre, seven of which were consecutive. It was a mass play and the speed and power of the Newton backs was not to be denied. Only once out of the ten times did Bergen stop a gain. Proctor took the ball three consecutive times and gained a little over six yards for a first down, Clark having made four on a criss cross previously. On the fourth successive play Clark made two yards. Bergen stopped Proctor on the next but Brown smashed his way for twelve yards and another first down. McIntyre made two feet on the seventh play and then Clark varied his attack by tossing a lateral to Proctor for two yards. Clark himself then took the ball on a criss cross for a seven yard gain. Brown made his first down by going through Bergen for a yard and a half. On the ninth play Proctor made a yard. On the tenth play Newton fumbled and Ewell of Somerville recovered on his

ten yard line. But for the unfortunate fumble Newton might have tallied again.

Captain Andres of Newton outplayed and outgeneraled Captain Bergen of Somerville at the pivot position. In 1925 Bergen was selected as the all-scholastic centre. Harold Andres of Newton should easily win that honor this year on the basis of his play for the season. The popular Newton leader was forced to retire at the end of the first half, but he had done his part. He was relieved by Gatchell. And what a game the Newton substitute played. It was largely by his individual efforts that Newton made that spectacular parade through Bergen in ten out of twelve plays. He made the hole, and when Brown tore off twelve yards he found a hole big enough to drive a regiment through.

Later in the period with the ball on her fifteen yard line, Somerville again began a march which took them to nearly midfield. Macey grabbed up a loose ball and raced half the length of the field across the goal line but the officials brought the ball back as the whistle had blown before the fumble and the ball was dead. Clark then proceeded to take the ball away from the visitors by intercepting a forward pass on his 45-yard line.

Bennett put Newton in position to score by tearing off 28 yards on a lateral from Clark. Somerville held and Clark was forced to try for a field goal but failed. Newton misses its little quarterback, Frank Spain, whose educated toe has aided materially in bringing home victory in several games this season. He probably would have made the goal.

Proctor, who relieved Macey just before the end of the first period, fooled the entire Somerville team to start the second session. After Bennett had got mixed on his signals and allowed the TEN—GRAPHIC o—w—, .... pass from centre to get by him for a loss of 22 yards, the blonde haired Newton back tore off fifteen yards around the red and blue left end. Two teammates were interfering for him nicely and had he kept on he would have had a clear field for a score, as his interference could have cleaned out for him. But instead he chose to cut to his left, towards the Somerville secondary defence, and they stopped him.

Newton travels to Lawrence tomorrow and will be the under dog in the first of a series of annual affairs between the two schools. Next season Lawrence will come to Clafin Field. The Mill city eleven has recently dedicated a new \$250,000 Memorial field with a modern stadium and up-to-date facilities.

Arthur Shute, H. H. S. '27, won the final match of the fall tennis tournament of the Newton high school. He defeated Charles Gluech, 2-6, 6-0, 5-7, 6-4, 6-2 on the Burr playground courts last Saturday.

On the end of the third session Newton had a chance to score again. Bergen suffered his second 15-yard penalty of the game by roughing Proctor which put the ball on the 24-yard line. Haagood received the same penalty for holding on the next play, so any advantage was offset. Two plays gained but five yards, and Proctor attempted a field goal, which fell short. Once again had Spain been in shape Newton could have tallied. Spain, by the way, is rounding into shape and will be available for the Brookline game if not for that Rindge a week from tomorrow.

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

## SOMERVILLE SLANTS

Somerville made twelve first downs against six for Newton. Three of the visitors' first downs were with the aid of the officials, while Newton made but one with the aid of a penalty.

The first half of the game was largely Somerville. Receiving the kickoff and running it back eleven yards to the 32-yard line, Somerville went right down the field. Two first downs and an offside penalty against Newton netted them twenty-two yards. Three plays gained but five yards and Goodwin fumbled a pass from McGovern, giving Newton the ball on its 25-yard strip and saving an almost certain score.

Later in the period with the ball on her fifteen yard line, Somerville again began a march which took them to nearly midfield. Macey grabbed up a loose ball and raced half the length of the field across the goal line but the officials brought the ball back as the whistle had blown before the fumble and the ball was dead. Clark then proceeded to take the ball away from the visitors by intercepting a forward pass on his 45-yard line.

Bennett put Newton in position to score by tearing off 28 yards on a lateral from Clark. Somerville held and Clark was forced to try for a field goal but failed. make their marks on the college elevens.

After the Brown-Dartmouth game Coach McLaughry of the Providence eleven gave the Greater Boston boys who are members of the team permission to spend the week end with their folks. Charlie Considine of Newton and Eddie Kevorkian of Newton Centre availed themselves of the opportunity. Both of these boys, who were former pupils of Coach Dickinson's while at Newton high, had much to do with the victory over the Green. Considine, Brown centre, claims that Davis, Dartmouth centre, is one of the most tireless and alert centres he has seen.

Worcester Academy nosed out Exeter academy last Saturday 20-19. Herman Buxbaum, sub-halfback on last year's Newton high eleven, played a portion of the game at left half for Worcester. He played opposite to his former captain, Tom Gilligan, who shone for Exeter at right half-back. The former Newton leader scored two of his team's touchdowns and tallied two extra points by goals after touchdowns. The New Hampshire eleven nearly tied the score in the closing minutes of the game. Tom smashed through for a touchdown and attempted to even matters with a goal. The Exeter line broke and his try was blocked. Frenchy Gilligan and McCullough also appeared in Exeter's line.

Harold Carver, former Newton high guard and now a freshman at Brown was home for the week end and witnessed the Newton-Somerville clash at Clafin Field.

Guy Holbrook played left halfback for the Harvard freshmen against the Holy Cross Cubs last Saturday which the former won 14 to 0. He gained consistently for the Crimson cubs and is proving to be one of Rufus Bond's dependable backs.

Jake Stafford relieved Elliot Putnam, star quarterback, in Saturday's rout of Tufts and directed the team to three touchdowns, in the third quarter.

The Suburban league race begins to look more and more like Everett. The team's stock took a decided rise Saturday when it sprung one of the biggest surprises in scholastic circles by taking Medford's measure, although it had no better on the league race as Medford is no longer a member. Everett has won three league games to date and has Somerville and Cambridge to play. There is but one hope for any other member of the league. Should Somerville beat Everett, which is quite possible, and Cambridge Latin quite possible, then Newton could only become deadlocked with the Gildea outfit by winning from Rindge and Brookline, which they should do easily. Should Somerville beat Everett and also take its games with Brookline and Rindge, then Dickerman's outfit would be on the top.

Malcolm T. Hill won the championship of the Union class A singles tennis tournament at Harvard Monday afternoon. At that time the Waban youth's opponent, P. M. Lenhart, was leading by one set but Hill came through on Monday to take the two final sets, giving him a 3-2 victory. The scores: 5-7, 3-6, 6-3, 6-3, 6-2.

In the doubles Hill and his partner were defeated in the finals after taking the first set.

It will not be so very many years before the name of George Owen will once again be heard on the lips of Harvard supporters. On Monday night Mr. and Mrs. George Owen, Jr., former residents of West Newton and now of Milton, became the parents of a son who has been named George Owen, 3rd.

Clem Coady will undoubtedly do the punting against the Princeton Tiger tomorrow in the Harvard stadium. The Crimson leader has been getting off some fine kicks in practice this week, many of which have been traveling 60 yards.

Mal. Gallagher, former Newton high track star, won second place in the 60-yard high hurdle race at the Dartmouth interclass meet on Wednesday. The winner was Monty Wells, the Green star, who broke the college record made by Earl Thomson, ex-Olympic champion, by 1-10s.

On the great Brown eleven, and it is an eleven indeed, are Edwin "Bee" Kevorkian and Charles Considine. Playing side by side on the defense these two men have been the keynotes of Brown's resistance. Considine, although having never passed a ball from the pivot's position previous to this year, has developed into what his coach, Ed McMillan says is the best center in the East, even considering Davis. Kevorkian is up to his old pastime of covering kicks, smothering Bunnell and Harris in their tracks. These two Newton boys are looking forward to their home-coming a week from now when they meet John Harvard in the stadium.

The Newton Pals, undefeated and unscorched upon this season, kept their slate clean by defeating the St. Peter's Catholic Club of Dorchester 6 to 0 in a drenching downpour on Cabot Field last Sunday afternoon. The Pals tallied in the first few minutes of the opening quarter. Wright received the kickoff on his 20-yard strip and ran it back 15 yards. Geegan smashed his way for 30 yards to the opponents' 35-yard line. On the following play Benny Lyman took the ball on a sweeping run around right end for the touchdown.

One of the smaller town teams of Greater Boston that is attracting considerable attention is that of Belmont high which has a clean slate to date. "Polly" Harris, a former Newton high and Colgate star, is the coach of the outfit and he is making football players for Belmont that will be sure to

# White Oak Coal

## A Ton of Coal That Costs Less—and Gives Far More Heat

### Why YOU Should Burn WHITE OAK COAL

1. Low volatile.
2. Kindles quickly.
3. Costs less per ton.
4. Low in ash waste.
5. Burns slowly, lasts long.
6. Gives more heat per ton.
7. It is clean, and smokeless.
8. Entirely free from clinkers.

**I**F YOU PAY THE COAL BILL YOU SHOULD INVESTIGATE the coal that is revolutionizing the buying habits of New England coal consumers.

Thousands of satisfied users are now burning **White Oak**. They would have no other. They are cutting their coal bill from one-quarter to one-third, and are getting more heat per ton.

Fuel experts recommend **White Oak Coal**. After exhaustive tests last year a responsible body of recognized authorities publicly put their stamp of approval on **White Oak** type coal, saying that because of its heat value, if sold at two-thirds the price of New England's usual fuel, the purchaser actually gets twice the amount of heat for his money.

Try **White Oak Coal**. You will find it clean, lowest in ash, free from clinkers, and economical to burn. Time and time again, it has proved in actual use that it will produce 20% more heat per ton than the average grade of coal.

Now is the time to fill those empty bins. Order **White Oak**. It means that you put less coal in—you get more heat out—and you pay less money.

Investigate and consider well  
White Oak Coal

## NEWS FROM THE COLLEGES

By Harold P. Carver, N. H. S. '26

Antonio Caruso of Armory street, West Newton, was given a suspended sentence of one month in the House of Correction by Judge Bacon on Tuesday for committing assault and battery on his wife.

Monday evening Henry Varney of 62 Dwight street, Brookline, reported that his Franklin touring car had been taken from Newtonville avenue, near Walnut street between 8:30 and 10:30. The car was later recovered.

Charles Maddox, 595 Heath street, Brookline, was arrested Monday evening by Patrolman Whalen and Mullen charged with driving while under the influence of liquor. He will be tried November 21.

The last three Sundays have been wet. And 10 "wets" were arrested by the Newton police last Sunday. And four more "wets" on Monday.

Four persons were arrested Saturday and Sunday charged with driving while under the influence of liquor. Saturday at 12:44 A.M., Patrolman Frank Feeley, Tim Riley and Merrill arrested Thomas McCarthy, 48 Maple street, Watertown, and John O'Brien, Priest road, Watertown. Their cases were continued for a week.

Sunday morning at 3:15 Abraham Welansky, Bickerstaff road, Boston, was arrested by Serg. Moan and Patrolman Wm. Riley charged with driving "wutiol." He will be tried November 11. The fourth alleged "soused" driver was Luigi Coletti, 18 Murphy Court, Newton, arrested by Officer J. Carroll. His case will also be heard November 11.

## NEWTON CENTRE SCHOOL ASSOCIATION

The first meeting of the year will be held Wednesday, November 10, in Mason School Hall. Speaker, Mr. Francis L. Bacon of Newton High School. Exhibit of books for children's reading under Mrs. Sloan of Newton Library. Music and Social hour. Small children will be cared for at Rice School Kindergarten November 7-13. National Education Week and Children's Book Week.

Show your interest in your child's school and in his reading. Visit school during that week.

Come to our meeting and bring a friend. Meeting begins promptly at 2:45.

## HICKEY OUT FOR ALDERMAN

Thomas F. Hickey of 60 Wyoming road, Newtonville, has announced his candidacy for Ward Alderman in Ward 2. He is in the plumbing business, and is captain of Company C, 101st Infantry, National Guard. He will oppose Alderman Daniel O'Connell, who is running for re-election.

**WHO KNOWS**  
*how many homes her pen saved?*

THIRTY years ago a kindly woman conceived the idea of advising on personal problems through simple talks printed in a newspaper.

Today Dorothy Dix has probably saved more homes—helped to adjust more domestic worries—than any other woman living. Practical—earnest—kindly and intense in her love for people she has been of greater service in her simple, every-day advice than all the cumbersome Domestic Relations Courts in the land.

All of Dorothy Dix's advice appears in the *Globe*, which is the only Boston newspaper that has it. Thousands of Boston women know her—have been helped by her. You, too, will find her daily talks interesting. Read them in the *Globe*.

**LUCY JACKSON CHAPTER D. A. R.**

The regular meeting of the Lucy Jackson Chapter, D. A. R., will be on Monday, November 8th, at the Chapter House. An interesting feature of the afternoon will be the reading from songs of The Gleens Antrim. The hostesses for the meeting are, Mrs. F. M. Lowe, Miss P. A. Maynard, Mrs. William H. Lucas, Mrs. J. W. Meloon, Mrs. C. R. Lynde, Mrs. C. D. Meserve, Mrs. George Macomber, Miss Alice Morton, Mrs. L. MacLure, Mrs. F. Newhall, Mrs. J. E. Masters, Mrs. H. W. Newhall, Mrs. A. C. Mathews, Mrs. C. J. O'Malley, Mrs. Edward B. Parker.

**HUNNEWELL CLUB**

The club kept open house Tuesday night for the election returns which were received over a high powered radio set, loaned by Mr. C. C. Colby.

A ladies' bowling tournament has been arranged with six teams entered.

## SCHOOL NOTES

### F. A. Day Junior High School

The other day a few teachers were coming along Main street. Any Main street will do. They were laughing and joking among themselves. Some one from outside the Profession stopped them and grumpily said, "Huh, you can laugh, you get such good pay!"

It isn't the pay that makes the work livable. We know that, but it is the various inspirational gatherings held during the academic year which cause us to be buoyed up and carried over the spaces when we are inclined to lose our pep.

As every one knows who attended the Middlesex County Teachers' Convention, this particular convention was filled with inspiration. Every one who heard Dr. Fretwell, Dr. Gilkey and Miss Slattery were very enthusiastic, despite the fact that Dr. Fretwell said that "getting tired out" should go with the profession!

The various clubs are carrying on activities of all sorts. This year there is a new idea in clubs which is being carried out with Miss Fales at its head. The club is the Helping Hand. It has as its purpose the helping of every one the teachers in particular. This last week its various members have been asking to assist the teachers by doing any odd jobs which can be found. This search to find work for them to do is never arduous, and the help is always gladly accepted.

Lois Stafford, who has not yet returned to school, is slowly recovering from an operation. Pupils and teachers alike will be glad to welcome Lois when she again takes up her studies at the F. A. Day.

The Library is very happy in its gift of several new books. Last year's Book Club, which was in charge of Miss McGrath, had some money. They have very kindly spent it for books which are much needed and joyfully accepted. The Library has also spent some money from its fund to buy books to help in the new Introductory Language Course. At present there is an exhibition of ships on the Library Bulletin Boards. The ships cover a period from the earliest Chinese Junk to the submarine.

The Assembly for November 3 was in charge of Miss Goodnow. The program consisted of a film which concerned the life and work of Thomas Edison.

The latest excuse for tardiness and the most original came in the other day. A pupil remarked that his tardiness was due to the fact that he had sprained his thumb and could not run.

### Angier School

The 8th grade of the Parks Junior High School, defeated the Angier soccer team at Everett with a score of 2-0, and again defeated the Angier team at Waban, 5-0.

The Upper Falls Playground team won from the Waban school in the play-off football game, 7-0. "Sharkey" played a fine game for the Emerson School, and "Adams" for Waban.

The Girls' Soccer team played the Burr soccer team Tuesday afternoon.

Much interest is being taken in the playground dancing period Saturday morning under the direction of Miss Cowdry. The older girls are urged to attend.

Miss Kingman has returned, having recovered from her recent illness. Miss Jones has been absent for the last few days.

Mr. Stoddard of the G. A. R. addressed the classes on the subject of "Health." We enjoyed him, as we always do.

The 8th grade have collected \$3.10 for their Red Cross contribution.

A locked cabinet has been arranged for exhibits brought in by the children. Several good ones are now in the cabinet.

The regular Wednesday morning assemblies have begun. Miss Kingman's class gave the first one on October 20.

On October 27, Miss O'Connor's 7th grade gave the dramatization "Trial of Fire." Patrolman Joseph Reeves spoke on "The Dangers of Fire." This week, November 3rd, the 6th grade had charge of the assembly and are planning to present a dramatization written by themselves of the life of Theodore Roosevelt.

Barbara Hall, of Miss O'Connor's school, will represent the Angier School at the Radio Spelling Match. In the preliminary tests Robert White of Miss Winchster's class, held the honors next to Barbara.

A patrol of the Safety Council has charge of the passing in the halls and of the bicycle traffic in the bicycle room and outside. They have been very helpful and efficient.

### Mason School

The teachers of the Mason School attended the opening meeting of the Newton Grade Teachers' Club at the Angier School on Tuesday of this week. The feature of the afternoon was a very attractive "fashion show" from Filene's. Dainty refreshments were served during the following social hour.

The drive for members in the Newton Centre School Association continues, and already 760 have joined. When \$800 below we expect to find a pot of gold at the foot of the rainbow.

The Mason is pleased to learn that Philip Giddings, president of his eighth grade class, has been made president of the Freshman class of the High School.

The eighth grades, through the courtesy of the officials in charge, visited the polls on Election Day. This gave a practical lesson in good citizenship, which is one of the chief ends of education.

On Monday, the eighth grade Science classes visited the Fire House. Lieutenant Perkins gave a very instructive talk and demonstration on the equipment used in fighting fires, and on the fire alarm system.

It was a very expectant group in Room Three, waiting for the last word before boarding the train for a trip to Boston.

After hearing the story of The Holy Grail at the Public Library, they

crossed Copley Square to Trinity Church and walked across the Common to the State House, where they were thrilled to be received by Governor Fuller. Then, visiting the interesting places in the State House and the Granary Burying Ground, they came home very happy after their day in Boston.

Last Saturday morning the Newton Centre Playground "eleven" defeated Victory Field of Nonantum, 27-0. This is the Center's second win out of three starts this season.

Since the school department has refused to sanction school football, it has been extremely difficult to keep a squad regularly together and most of the games have been played at postponed dates.

A new soccer schedule for the grammar schools of the city has been formed. The Mason School will send in a team to represent the Center school. The boys and organization of this league will be subject to the same rules that have governed other sports in the past.

The captain ball team played against the Hyde School on Tuesday with a score of 32 to 11 in the Mason's favor.

The good start will encourage the players to further victory.

Perhaps it is to their mascot, the goat, that accompanies the Mason girls of the captain ball, that their success is partly due. Anyway, it helps to keep them in a happy mood.

### Hyde School Notes

Mrs. Briggs, chairman of the education committee of the Woman's Club, cooperating with the teachers, has given some very helpful talks to the upper grade classes on the use of reference books. Visits to the central library at Newton have been an interesting part of the project. On their visits to the library, the pupils have been addressed by Mr. Lucht, the librarian.

The interschool Captain Ball games have closed for this fall, the required number of games having been played. A victory was won by Hyde in both games played with the Angier School. Our third game was played with Mason, to whom goes the honor of victory, and a good game was played by all.

Having been faithful to practices, having conscientiously lived up to the health rules, played a part in each game, and shown a real school spirit, the following girls are to be awarded "H's": Elizabeth Kolb, Lois Woodworth, Thelma Terkelson, Adele Moore, Virginia Nichols, Alice Thompson, Ruth Weeks, Katherine Martin, Virginia Weed, Constance Marcy, and Elizabeth Drowne.

On Tuesday the 7th and 8th grades were taken to the polls to observe the voting, and to receive a preliminary lesson in good citizenship.

The children in Miss Ryder's fifth grade are proud to announce that there have been no tardy marks since the opening of school.

Last Friday the agents from several Boston firms met the committee in charge of pins for the eighth grade class. Several pins were selected, from which the whole class made a choice of one.

Owing to the unusually large number of second grade children this year, a new room is soon to be opened.

Rehearsals are now in progress for the plays to be given by the children at Thanksgiving and Christmas time. The plays are expected to be very fine this year.

### Lasell

Saturday evening, November 6, there will be a Fireside Party held in Bragdon Hall under the direction of the Dramatic Club.

Mr. Harold Schwab, Organist, assisted by Mr. Lawrence White, Xylophone, and Mr. John Vincent, Flute, will give a concert on Sunday evening, November 7, in the chapel at the Vesper hour, 6:15 o'clock.

A group of five musicians under the direction of Mr. Paul Shirley, will present the second concert in the series being given in the Auburndale Club Auditorium by the Paul Shirley Group of Symphony Players on Tuesday afternoon, November 9 at 3:30.

### 55TH ANNIVERSARY

The Church of the Messiah of Auburndale, brings to a successful conclusion the celebration of the fifty-fifth anniversary of the incorporation of the parish, which has been in progress all of this week. At the morning service at 11 o'clock, Bishop Slattery will confirm a class of candidates and will preach the sermon.

At 4:30 in the afternoon there will be a special musical service by the choir of thirty-five boys, women and men. Raymond Sikes, organist and choirmaster, has selected the program entirely from the compositions of Auburndale's distinguished native son, Dr. Horatio W. Parker, who, at the age of 18, was confirmed in the Church of the Messiah. There will be a short address in appreciation of Dr. Parker's life and contribution to the cause of church music.

The music at the morning service will conform to the regular order for the confirmation and communion services, but will, as in the afternoon, be exclusively by Dr. Parker.

The celebration will close Monday night with an anniversary dinner at the Brae Burn Club.

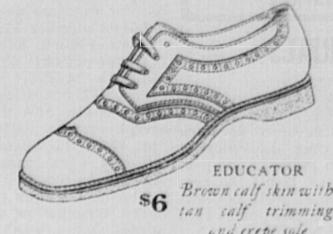

### HALLOWEEN PARTY

The Annual Hallowe'en Party of the Stearns Playground was held Saturday evening, October 30, under the supervision of the Playground Department and the Stearns School Centre.

Although the party wasn't scheduled to start till 7 o'clock, at 6:30 the children, nicely costumed, were eagerly waiting to start their fun and frolic. A grand march began the program. An exciting game of Dodge Ball was played next, followed by "Snatch the Bear Boy" and "Squirrel in the Trees."

The refreshments consisted of cider, apples and doughnuts, the later of which were kindly contributed by Stearns Centre Directors.

FOR the price of two good seats to the game you can add these popular practical shoes to your sport wardrobe. Popular, because they are correct in style. Practical, because they are comfortable, and built to stand the wear you give them.

## EDITORIALS

—o—  
While the election results on Tuesday, were not wholly satisfactory to residents of this city, there is some pleasure expressed over the splendid showing that Newton made in the percentage of votes cast. If all the rest of the state had done as well as Newton, the result of the election would have been considerably different.

Now that the public is rather inclined to consider political matters, we suggest that biennial elections for city officers would be in accordance with modern practice and would save a considerable sum of the tax payers' money.

—o—  
The defeat of the two platoon system for the Fire department was not unexpected, but it is an issue that will grow stronger as more and more persons realize the justness of the proposition.

Now that the state election is over, we should give some consideration to the coming city election and see to it that only the best citizens are chosen to our city government.

—o—  
We sympathize with the residents of the Lower Falls in their efforts to keep their village free from the omn-present gas filling stations.

With one wet candidate defeated and another elected, is Massachusetts wet or dry?

## THE STATE ELECTION

(Continued from Page 1)

given in tabular form in another part of this issue.

The vote for other offices was as follows:

Governor—Hutchins, 14; Leger, 7; Marks, 9.

Lieutenant Governor—Allen, 12,064; Blessington, 38; Oddie, 37; Reagan, 55; Talbot, 445.

Secretary—Cavanagh, 5105; Canter, 166; Cook, 10,801; Surridge, 21; Williams, 99.

Treasurer—Coolidge, 119; Dwyer, 119; England, 4310; Hess, 11; Young, man, 11,226.

Attorney General—Harris, 47; Lerner, 55; Reading, 11,660; Sherman, 90; Swift, 4286.

Congressman—Luce, 11,298; Tierney, 4826.

Councilor—Smith, 12,245.

State Senator—Simoneau, 11,979.

Representative, 4th District—Hollis, 6300; Thompson, 5284.

Representatives, 5th District—Luitwieler, 5516; Saltonstall, 5830.

County Commissioner—Barlow, 11,921.

Associate County Commissioners—Fletcher, 11,205; Keyes, 10,830.

District Attorney—Bushnell, 11,442; Delaney, 4091.

Sheriff—Fairbairn, 12,247.

## ABOUT TOWN

Week ending October 30: patients in the hospital 129; patients paying as much as cost of care or more 62; patients paying less than cost of care 30; free patients, including babies, 37; babies born 13, 8 girls and 5 boys; patients treated by out-patient department 115; patients treated at eye clinic 11; accident cases 15; social service calls at the hospital 7; at homes 13; patients transferred by social service car 11.

In October there were 303 patients admitted to the hospital and 313 patients discharged. The daily average of patients 128.87, the largest number for any one day was 145, and the smallest number 112, in all there were 61 babies born, 28 girls and 33 boys, the out-patient department treated 457 patients, there were 53 accident cases, 187 operating room cases, 133 x-ray cases, and there were made 4 social service calls at the hospital, and 47 at the homes. Thirty-seven patients were transferred by the social service car.

The decorations for the Hallowe'en party were yellow and black, and the nurses home was very gay for the festivity.

On Thursday night, November 4, several members of the graduate staff attended a meeting of the Massachusetts League of Nursing Education, held at the Peter Bent Brigham Hospital. The subject for the meeting was, Supervisors and Head Nurses As Aids to the Administrators of Nursing Schools.

On Wednesday evening, November 3, members of the Newton Nurses Alumnae Association entertained their guests at their annual dinner and dance at the Woodland Golf Club. About one hundred were present.

Music was furnished by the Colonial Singing Orchestra. Mrs. Joseph B. Ross of Wellesley, accompanied by Dr. George C. Anthony, sang a group of songs. Miss Doris P. Reed, president of the Alumnae, as toast mistress introduced Miss Mary M. Riddle, R. N. M. A., former superintendent of the school, and Miss Susie Watson, R. N. M. A., graduate of the school who is now assistant professor in the department of Biology at Simmons College. She then introduced Dr. George L. West, who presented the guest of honor, the son of a former surgeon, near the close of whose remarks the guests realized that they were being entertained by a professional humorist. Mr. Frank Lane of Boston. Following the dinner dancing was enjoyed.

Monday evening, November 1, the regular meeting of the Training School Board was held at the Newton Hospital.

## GIVEN RECEPTION

The reception to Mr. and Mrs. Haslam, given by the ladies of the Lincoln Park Baptist Church on Wednesday evening, proved a very pleasant affair.

Music was furnished by a trio: Miss Irene Forté, violinist; Miss Doris Ross, cellist, and Miss Barnes, pianist. Greetings were brought from the other churches of the city, by Messrs. Phalen and Pearson of the Unitarian Society, Mr. Underwood of the Second Church, Dr. Arbuckle of the Newton Centre Baptist Church, and Rev. Thomas S. Roy, a former minister of the church.

Letters of greeting were read from other ministers who were not able to be present.

Mr. and Mrs. Haslam have just moved from Newton Centre into the parsonage at 40 Lincoln Park, although Mr. Haslam is continuing as Director of the Young People's Work in the Newton Centre Baptist Church. He is also on the faculty of the Norumbega School of Religious Education.

## 31ST ANNIVERSARY

On Saturday evening, October 31, a reception was tendered to Mr. and Mrs. James A. Hamill of 21 Court Street, Newtonville, in honor of the 31st anniversary of their marriage.

Friends and relatives were present, there being 100 guests in all. The couple were the recipients of many useful and beautiful gifts.

The old and new dances were enjoyed by both young and old. Refreshments were served after dancing and the guests dispersed about midnight.

## CHARLES DIX PICKARD

Charles D. Pickard, a life long resident of Auburndale, died on Tuesday at his home, 9 Hancock street. He was 61 years of age and the son of the late Edward L. Pickard, a former Mayor of Newton. He is survived by his widow and one daughter. His funeral services were held at 2 o'clock this afternoon at his late residence, Rev. Earl Harper officiating. Interment will be in the family lot in Newton Cemetery.

## W. C. T. U.

The West Newton W. C. T. U. and the Wellesley W. C. T. U. will furnish the luncheon and entertainment at the Sailor's Haven, Charlestown, Mass. tomorrow.

Leads the World in Motor Car Value

You have never known

Such Performance-Smoothness as  
this 7-Bearing Motor Delivers

Here is a DIFFERENT kind of power—a far smoother, far quieter power-flow—than any car in this field has ever offered.

Today everyone knows that the 7-bearing crankshaft motor is THE supremely fine motor.

Engineers term it "The World's Smoothest Type." So by all means come see what it gives you that other cars with fewer bearings can't. You'll find that this great Nash

engineered 7-bearing crankshaft motor possesses such unusual roadability, such dazzling fast pick-up, such evenness of torque, as to create an entirely new motoring experience for you.

A demonstration will be arranged at your convenience—as soon as you like.

Standard equipment at no additional cost includes 4-wheel brakes and 5 disc wheels.

## ABOUT TOWN

Early last summer, as a result of investigations made by the special aldermanic committee appointed to devise ways and means to improve the water supply and system of this city, it was decided to construct another large well on the water reservation at Needham. Accordingly bids were invited for a well 33 feet inside diameter, 40 feet in depth, with a wall of reinforced concrete 16 inches thick. Bids were received from a number of contractors. The lowest bid was that of Christian Zappe, \$11,400. The second lowest bid was that of the John McDonald Construction Company, \$17,432. The next bid was \$22,200 and the highest bid was \$47,500. It was decided to award the contract to Mr. Zappe, so, at the aldermanic meeting of July 19 the sum of \$15,000 was appropriated.

Work on the well was started during August and the job was supposed to be finished by the last of October. The site of the well is several hundred yards south of the Charles River on the Needham side, where the slope of the land towards Needham begins. Officials of the Water Department had made borings and ascertained that the site chosen was coarse gravel. Mr. Zappe planned to dig the well by using a 6 inch rotary pump to suck the gravel out. A Ford tractor furnished the power. In the GRAPHIC of August 13, under "About Town" was this item:

"A unique method is being used by Christian Zappe in building the new supply well for the Newton water system, near Kenrick Bridge at Needham. His very low bid was based on the supposed savings which this method will produce over ordinary excavating and construction methods. Instead of digging the huge hole by hand or by steam shovel, Zappe will resort to hydraulic dredging which he believes will be successful as the land where the well is located is composed of sand and gravel and much water will seep into it as it is being excavated.

"The wall of the well will be of 16-inch reinforced concrete. Mr. Zappe plans to first construct the lowest section of the wall. This section will have its lower edge bevelled and covered with sheet steel. As the gravel is sucked out of the well, this section will sink into the ground. When it drops sufficiently low, another section will be constructed on top of it. Each successive section, as built, will be bonded onto the section next lower by the steel reinforcing rods.

"Most of the contractors competing against Zappe for this job, are skeptical about his ability to make a success of these new methods. The aldermen had enough confidence in him to virtually award him the contract by appropriating only \$15,000, for this work. His bid was the only one low enough to be covered by this appropriation."

Unfortunately for Mr. Zappe's plan, many stones were encountered as the work progressed. These stones were too large to be sucked out by the pump in use. Also, water in sufficient volume did not seep into the excavation to permit the pump being run except at intervals. So, in the GRAPHIC of September 17 another item appeared under "About Town." It read—

"The contractor who is sinking the new supply well for Newton's water system on the reservation at Needham, is not meeting with much success in his unique method. He planned to remove the earth by means of a suction dredge and to sink the concrete shell of the well into the ground section by section. There is not enough water seeping into the excavation to permit the suction process. It is probable if a level of about 10 feet below the surface could be reached, sufficient water would seep into the hole, but it looks now as if hand or power shovel digging will have to be resorted to."

This item brought to the GRAPHIC a letter of protest. Not from Mr. Zappe, but from a resident of Newtonville. The letter said,—

"Editor Newton Graphic,  
Dear Sir:—

"We note in last Friday's issue a derogatory item regarding the new well on the Needham Reservation, and as we furnished the pumping equipment, we are interested. The writer has been on the job several times, and we respectfully suggest that your reporter be more careful in giving his opinion on Engineering matters. Evidently he knows very little of these methods, or the plan, and he has damaged us by the premature statement that—the contractor is not meeting with much success in his unique method, and that it is probable that hand or power shovel digging will be necessary."

In the first place, this is not a unique method, but one which has been demonstrated in thousands of cases, and a regular process for sand and gravel excavation. He shows his ignorance in that detail.

"Hand, or power shovel digging would certainly prove interesting in the bottom of a well with 10 ft. or 20 ft. of water. He shows his ignorance in that detail also.

"Now, as a matter of fact, the pumping is working satisfactorily, and when the contractor, C. A. Zappe, Inc., excavates more material, he will probably have plenty of water, for that is what the well must give, and in any event, some of the pumped water is being returned to the well to make up the present deficiency. You newspaper men think you know everything about everything, but you certainly do not, particularly about Engineering matters, and you should be more careful in getting into this kind of reporting."

"Mr. Whitney expects to obtain a measure of the inflow at this well from the capacity of our pump in removing the water, and we expect to find plenty of it, even up to 2,500 gallons per day. However, this day refers to 24 hours in Engineering parlance, and not to the 8 hours specified by the labor unions.

"Please accept the above in good spirit, and for your guidance."

"Partly because of lack of water during the first weeks the job was in process, and partly because the pump was not large or powerful enough to suck up the hundreds of stones met, the work proceeded very slowly. Two weeks ago, after the work had been underway about two months, the well not over half excavated and but two sections of the wall constructed, Mr. Zappe decided to adopt a different method, after vainly trying to obtain a larger pump. Accordingly he procured a large derrick, a clam-shell dredge bucket and a steam engine. Work with this equipment started early last week and good progress has been since made.

We regret that Mr. Zappe did not meet with better success in his original plan. He had the courage to take a chance on a method different from that which his competing bidders would have used, and confident that this method would be practicable, he took the contract at a figure that meant an appreciable saving to taxpayers of Newton. We are sorry that unexpected obstacles deterred him.

Some persons have prophesied that the friction of the surrounding earth will prevent the sections of the well wall from sinking down to the required 40 feet, but present indications seem to point that this difficulty will not be encountered.

Even though our Newtonville critic asserted that we were ignorant, the fact that power shovel digging was resorted to, would seem to show that we did know a little concerning what we were talking about, and that our statement was not premature. We admit that we know very little about Engineering matters, nor do we profess to "know everything about everything." But in this case we did know something. We agree with the Newtonville gentleman that "hand or power shovel digging would certainly prove interesting in 10 feet or 20 feet of water." But we showed no ignorance in this detail. We had no idea that Mr. Zappe would be so foolish as to attempt this feat. We supposed he would do just as he has done and is doing, use pumps to keep the level of the water in the well low.

ALDERMEN LISTEN TO PROTESTS

Lower Falls Residents Object To Gasoline Stations

(Continued from Page 1)  
safety of the children of Lower Falls. He considered the location dangerous for gasoline stations.

Howard Murphy said that Washington street at this point is on a grade and slippery in the winter time. "In Boston," he stated, "gasoline stations are not allowed within 500 feet of schools." Alderman Flitts asked Mr. Murray, "Have the school authorities been conferred with on this matter?" He was told that Chairman Hutchins

of the School Committee was opposed to the petition and that the teachers in the Hamilton School also object. Michael Finnegan of the Lower Falls Post office objected to the Cashman & Ginsberg petition saying "The high wall along Washington street nearby, shuts off the view of approaching traffic. Cashman & Ginsberg petitioned before for this station and were refused. It looks as if the petition has been brought in again to tire the opposition. The time has not come when the aldermen should place commercial interests before the safety of the children of Newton."

Referring to the petition of Grace Whitemore for a change of zoning on Whittemore road, Ward 7, from private to general residence district, Alderman Madden explained that when this street was rezoned it precluded new buildings being placed within 25 feet of the street line although several houses now on the street are only 15 feet from the line. He presented an amendment to Section 51 of the Zoning Ordinance which will have a hearing at the meeting of November 15th. This amendment is intended to correct an existing undesirable feature of the Zoning Ordinance. At present buildings on a street can be placed as near the street line as any existing building between two intersecting streets. The amendment will provide that this provision will not apply if a street is zoned for both business and residences.

Mr. Madden instanced Channing street.

For 100 feet, or so, north from Washington street, Channing street is in the business zone. Owners of property on the remainder of the street, which is in the general residence zone, can now erect new buildings out to the street line.

Alderman Ball moved suspension of the rules to permit the confirmation of William Kerrigan as Warden in Precinct 4, Ward 5, and William S. O'Brien as Inspector in Precinct 2, Ward 5.

No objectors appeared to the petitions of the Edison Company for pole locations on Arnold road and Dartmouth street, Andrew Magazu for an automobile repair shop at 184 California street, and the Basley Lumber Company for a permit to store 500 gallons of gasoline at 29 Craft street.

The petition of Marshall Spring for a gas station on Needham street, near Easy street, Newton Highlands, was granted. This will make five stations within slightly more than a quarter mile on Winchester and Needham streets.

Autos will not necessarily run out of gas in this neighborhood. Neither will the owners of stations there make tremendous profits. John McDonald was given a permit to move the Bunting house from Washington street near Hoyne street, to Wilshire road, near Jackson road.

This makes the fifth house to be moved along Washington street within the past several months.

Over 30 years ago many houses were moved from Washington street because of the lowering of the tracks of the Boston & Albany railroad.

The speculation in gasoline stations and automobile salesrooms is now responsible for the travelling houses.

Edward T. Jones was given a license for pool tables at Maguire Hall, West Newton; the Newton Buick Company for a transfer of its second hand automobile license from 1263 Centre street to 63 Elmwood street, and the Telephone Company for pole locations on Arlington street. The Edison Company was refused a location for 2 poles on Endicott street. Edmond Joyal was refused a waiver of the setback line at 34 Auburn street.

Hearings were assigned for November 15 on—taking land for sewer on Plymouth road; accepting Rosalie and Country Club roads; widening Langley road at the corner of Ripley street; establishing a building line on Washington street between Highland and Putnam streets.

Petitions were received from Lester

Brett to change the dwelling at 16 Wellington road from single to double; Joseph Jamieson for a boarding house permit at 60 Vernon street; W. G. Gardner for two taxi licenses; Newton Turner for a service station at 320 Washington street; the Middlesex & Boston Street Railway for permits to run busses from River and Elm streets to Lower Falls and Commonwealth avenue.

The Claims and Rules Committee recommended leave to withdraw on the petitions of John Scioley to change the corner of River street and Maguire avenue, and John Crowley to change land on Commonwealth avenue near Read court from single to private residence.

The long speech of Alderman Heathcote in advocacy of the two platoons for the firemen with the replies it provoked, and the two hour recess of the aldermen as "a committee of the whole," to argue the petition of Alderman Leahy for a gasoline station, caused the meeting to last until 1:15 Tuesday morning. Both these matters are referred to in detail in other columns.

## WOMEN'S CLUBS

(Continued from Page 4)

gram of old and modern music. Mrs. Herbert R. Stearns, a member of the Club, sang a very pleasing group of songs and Mrs. Stephenson, another Club member, accompanied on the piano. The trio which ended the musical program was very lovely, and most excellently given.

## Newtonville Woman's Club

The Newtonville Woman's Club met at the Congregational Church on Tuesday, November 2nd, at two-thirty o'clock, with the president, Mrs. Austin H. Decatur, in the chair. At this meeting the new members of the Club were welcomed. After the business meeting was concluded Mrs. Irving D. Palmer gave a short but inclusive talk on the "Highlights" of the Biennial at Atlantic City in June. Mrs. Palmer's talk and her comparisons were particularly interesting as this was the eighth Biennial which she has attended.

The speaker of the afternoon was Mrs. Austin H. Decatur, who took her audience with her on a delightful trip to the Orient—India, China, Japan, he portrayed all the glamour as well as the sordidness of the countries visited, by a vivid description of the various peoples' clothes, homes, food, and religion. One especially interesting experience related was a trip into the mountains of India. While here, Mrs. Decatur was privileged to view from a mountain peak a glorious and awe inspiring sunrise. The party travelled through the Suez Canal and Red Sea to Bombay, Calcutta, Ceylon, Singapore, and many other cities whose very names spell romance.

The afternoon's music was furnished by Mrs. Dorothy Fairbanks Baesler, leader of the Glee Club, who sang four charming Oriental songs accompanied by Mrs. William F. Ferrin.

After the meeting tea was served, with Mrs. George N. Merritt and Mrs. Reginald Bankart as hostesses. The pourers were Mrs. Cheney Latch and Mrs. Wilbur N. Skelton. A bid sale was conducted by the Civics Committee before and after the meeting.

The following notices are brought to the attention of the members:

The Volunteer Service Committee is working for soldiers of the West Roxbury Hospital by doing sewing and mending for them one morning every two weeks. They need money for materials and would also be glad to receive odd bits of yarn. The Committee would like all members of the new High School.

## Auburndale Review Club

On the morning of November 2nd, the members of the Auburndale Review Club, and several guests, met with Miss Margaret Haskell, at her home on Vista avenue. There were interesting reports of various Club activities, by Committee Chairmen, followed by papers on California, the "Sunset Land." Mrs. Austin Eaton, who was in charge of the day's program, was unable to be present, and her description of the Mountain Peaks, as well as of the Sequoia and General Grant National Parks, was read by Miss Florence N. Bridgeman. Mrs. Charles Kattelle took her hearers across the Californian Deserts, and the Salton Sea. Mrs. F. E. Davidson chose selections from "Field Days" by David Torrey, describing the animal life there. Some typically American piano selections, played by Mrs. Charles E. Valentine, added to the enjoyment of the morning.

## COMING EVENTS

Newton Centre Woman's Club

The coming week holds many attractive offerings for the members of the Newton Centre Woman's Club. First a PARLIAMENTARY LAW CLASS, under the able leadership of Mrs. Electa Sherman, will be held in the Caroline Smith Room of the Club House, on six successive Mondays, at 10:15 A. M., beginning November 8th.

That is also the date, but at 10:30 o'clock, for the first of a series of "BIOGRAPHIES OF MODERN WRITERS," held under the auspices of the Literature Committee. Mrs. Charles N. Arbuckle will talk on "Joseph Conrad and His Works." The membership is so large, however, that an ample audience is assured for both speakers.

The ART CLASS will open in a room of the barn belonging to Mrs. Charles Wood Bond, on Gibbs street, and the NEEDLEWORK CLASSES either in the Art Room of the Club House or at one of the homes, to be announced later.

The first of the Monthly CURRENT EVENTS lectures will be given on Thursday, November 11th, at 10:30 A. M., by Mrs. Grace Morrison Poole.

The Massachusetts State Federation of Women's Clubs announces that the Twelfth District Legislative Conference is to be held on Thursday, November 18th, at 2 P. M., at the Needham Theatre, Needham, Mass.

Announcement is made by the Legislative Committee that the Hon. Edith Nourse Rogers, Congresswoman of the 5th Massachusetts District, will speak in Newton at the Underwood School Hall, Vernon Street, on Tuesday evening, November 16th, at 8:15 o'clock.

The Play Production Class will meet on Tuesday afternoon, November 9th, at 2:30, at the home of Mrs. Percy E. Woodward, 125 Highland Avenue. The Class is to be conducted by Jonel Jorgulesco, scenic artist at the Repertory Theatre, who will have a model of the set to be used for the January Play. This play, "Pygmalion and Galatea" by M. S. Gilbert, will be given in the New High School Auditorium and will be directed by Mr. William Tallme, for two years stage manager at the 47th Workshop. Mrs. Woodward is designing the costumes and the class will execute them, as well as paint the scenery and stage the entire production. No charge will be made either for the class or for the play.

Monday Club of Newton Highlands

The program for the Monday Club of Newton Highlands on next Monday afternoon, at 2:30 o'clock, is "Short Stories." The scope of such a title appeals to the imagination, and to attractive ideas. Mrs. C. D. Miller presents the program, and Mrs. C. T. Bartlett is hostess at 151 Jackson street, Newton Centre.

C. L. S. C. of Newton Highlands

On the same day, November 8th, "Lee the American" is the subject to be presented to the Newton Highlands C. L. S. C. from Gamaliel Bradford's book, by Mrs. Isaac Goddard. Mr. Bradford should give a fine portrayal of this very sincere and beloved man, a man not so often studied as might have been the case under different circumstances. A man of Mr. Bradford's attainments and understanding will be sure to present Lee in a fine sympathy that should be enlightening as well as a treat. The meeting will be held at the home of Miss Adelaida R. Webster, 10 Chester street.

Social Science Club

The Social Science Club of Newton will celebrate its fortieth anniversary with a Gentlemen's Night on Wednesday evening, November 10th, at 8 o'clock, at the home of Mrs. Henry O. Marcy, Jr., 140 Sargent street, Newton. The morning meeting will be omitted on this date.

Newton Highlands Woman's Club

Through the courtesy of Mr. and Mrs. Frank Patterson, the vacant store, formerly occupied by the local Post Office, has been loaned to the Art Committee of the Newton Highlands Woman's Club, for the annual Christmas sale next Tuesday, Wednesday, and Thursday. In former years, many inexpensive artistic novelties have been shown by the committee at these sales and this year the new chairman, Mrs. Donald D. McKay, promises a wider range than usual, in the craft shown from different countries, with needlework from China and the Near East to moderate-priced pewter and local handicraft.

The proceeds are used for the maintenance of the committee work.

Monday morning, the Club Chorus, under the direction of Mrs. Thomas D. Ginn, chairman of the Music Committee, is to resume rehearsals for the season, meeting as in former years, in the Parish House of the Episcopal Church. The local chorus is to be augmented this winter, during rehearsals, by the chorus from the Waban Woman's Club.

Mrs. E. S. Drowne is opening her home on Lakewood road, Tuesday morning, the 9th, for the first in the course of four lectures on the Modern Drama, when Mrs. Miriam Franc Skirball, Ph. D., of the faculty of Simmons College will be the speaker. Mrs. Skirball spoke before the Drama Class last season, giving such brilliant address at that time, that she was engaged for a course of lectures this season.

The annual card parties, given under the direction of the Philanthropic Committee, proved a great financial success this week, 52 tables being sold for the parties Wednesday afternoon in the homes of Mrs. W. F. Coan of Saxon road and Mrs. Malcolm Green of Woodward street.

Boston Women's Civic Club

The November meeting of the Boston Women's Civic Club will be held in Hotel Brunswick at 2:30 P. M., on Wednesday afternoon next, November 10th. The president, Mrs. May Dickinson Kimball, has arranged to include in several programs of the year travel talks by members of the club who were in Europe last summer. The first of these talks will be given by Mrs. William E. Birdsall, who will speak on "Seeing the Unusual in Europe."

The opportunity offered to all

Europe." The Current Event period will be in charge of Mrs. Archer W. Ives.

Mrs. Henry H. Cudworth, chairman of the Civics Committee, who is in charge of the afternoon's program, will present the speaker of the day, Mrs. William J. Cummings, a member of the Republican State Committee. Her topic will be "Women's Influence on Civic Life."

Auburndale Woman's Club

The Music Committee of the Auburndale Woman's Club, Mrs. Lowell D. MacNutt, chairman, will have charge of the entertainment at the regular Club meeting, Thursday, November 11th, to be held at the Auburndale Club. The Buitekam Trio, a group of artists from the neighboring village of West Newton, will give an afternoon of music.

Newton Community Club

The next meeting of the Newton Community Club will be held on November 11th, Professor Charles C. Batchelder will speak on "Dominating Forces in Europe Today." Professor Batchelder, a graduate of Harvard University, is Lecturer on International Relations in New York University and Secretary of the American Asiatic Association. For the past four years he has lectured at the Williamstown Institute of Politics and was formerly Acting Secretary of the Interior of the Philippines, Acting Commercial Attaché in China and Trade Commissioner in India, Siberia, Japan and Europe. He was also Economic Expert at the Conference on Limitations of Armament.

The Newton Community Club will hold its annual BRIDGE for the benefit of the Philanthropic Fund on Monday afternoon, November 15th, at 2:30 o'clock in the parlors of the Hunnewell Club. Arrangements are in charge of the directors, Mrs. James R. Hodder, Mrs. Edgar W. Hodgson, Mrs. Ralph C. Henry, Mrs. Charles P. Hutchins, Mrs. James G. Barnes, and Mrs. Harry W. Flitts. This Bridge will provide a splendid opportunity for the members and their friends to enjoy a delightful afternoon and at the same time contribute to the many varied philanthropies of the Club.

The Year Book for the Newton Community Club contains many fascinating plans for the education and education of its members the coming year.

A Course in APPRECIATION OF MUSIC, of ten lectures, beginning November 4th, with Miss Margaret Bakeman, of the University Extension Division, Department of Education, offers opportunity for instrumentalists, vocalists, teachers of music, and parents who desire to keep up with what their children are learning about music in the schools. No technical knowledge of music is necessary. Subjects of the Course include:

The Story of the Theme, Folk Songs of Many Countries, How to Listen to Music Intellectually and Emotionally.

A Study of Vocal Music in the Ballad, Aria, Chanson, Art Song and Opera, and a Study of Instrumental Music-Plano and Symphony Orchestra.

The class will meet in Underwood School Hall, and at homes of members on the first and third Thursdays of each month, at 3:30 P. M.

For details of enrollment and fee apply to Mrs. Peter Turchon, Mrs. Leo E. Davidson, or Mrs. James A. Mayer.

CHINA PAINTING lessons began last Monday, and enrollment is still possible at the next meeting, Monday, the 8th. There will be six lessons in all, and application can be made to Mrs. Chester C. Smith, N. N. 3458-R, for those who are quick to avail themselves of a fast vanishing golden opportunity for charming Christmas gifts.

Public Health activities are especially noteworthy, for the benefit of friendships, health and figure. A HIKE next Monday, the 8th, starts from the Newton Station by the 1:25 P. M. train for Riverside, where the walk begins, to Newton Lower Falls, then via the aqueduct to Wellesley Hills—for the relief of the horrified, level ground for three miles—the return trip scheduled to plan arrival at Newton before 5 o'clock. Miss Marion Bryant, leader, N. N. 2845-W.

SWIMMING lessons are going forward at the Brookline Swimming Pool, and not only are these lessons salutary for their results by way of appearance, but they are introductory to the canoeing and paddling season next spring, with confidence of protection, in case of an unexpected spill.

Mrs. W. R. Brewster, N. N. 4382-W will gladly answer inquiries.

The proceeds are used for the maintenance of the committee work.

Monday morning, the Club Chorus, under the direction of Mrs. Thomas D. Ginn, chairman of the Music Committee, is to resume rehearsals for the season, meeting as in former years, in the Parish House of the Episcopal Church. The local chorus is to be augmented this winter, during rehearsals, by the chorus from the Waban Woman's Club.

Mrs. E. S. Drowne is opening her home on Lakewood road, Tuesday morning, the 9th, for the first in the course of four lectures on the Modern Drama, when Mrs. Miriam Franc Skirball, Ph. D., of the faculty of Simmons College will be the speaker. **STUBBS-DELANO**

The leading social event of the week was the wedding last Saturday evening of Miss Joy Delano, the daughter of Mr. John M. Delano of Prince street, West Newton, and Mr. Joseph Stubbs of Newton. The ceremony took place in the Second Church of West Newton, and was performed by Rev. Dr. J. Edgar Park, who has just retired as pastor of that church.

The bridal gown was of white velvet. Her veil with rose point lace and orange blossoms was arranged with a bow knot of lace and extended from the head to the end of the veil. Her sister, Mrs. Blakeslee Dunphy of Brookline, was matron of honor and another sister, Miss Priscilla Delano, was maid of honor. The bridesmaids included the Misses Eleanor Stubbs of Newton, sister of the groom, Dorothy Meacham of New York, Gertrude Greenshields of White Plains, N. Y., Frances Stebbins of Newton, Mary Hills of Washington, and Mrs. Sherman Baldwin of Brookline. All their gowns were of pink chiffon trimmed with brilliants and made with full circular skirts.

Mr. William Plumer of Boston was best man and the ushers were Messrs. Frank Stubbs, brother of the groom, Merrill P. Delano, brother of the bride, Blakeslee Dunphy of Brookline, John V. Spalding of Newton Centre, Albert Palmer of Newton, Thomas Woods of Brookline, Alex Bright of Cambridge, Harry Gibbs of West Newton, William Hessler of New York and Philip Bolster of Swampscott.

A largely attended reception followed at the Brae Burn Country Club, Mr. and Mrs. Stubbs being assisted in receiving by Mr. and Mrs. Delano and Dr. and Mrs. Frank R. Stubbs and the bridal party.

After a wedding trip thru the South Mr. and Mrs. Stubbs will reside at 988 Memorial Drive, Cambridge.

**SPAULDING-BROOMER**

Miss Jessie Broomer, of Dorchester, daughter of Mr. and Mrs. William Broomer, and the Rev. Dr. Charles E. Spaulding, of the Methodist Church, New London, Connecticut, were married at 4 P. M., November 1st, at the home of the bride's sister, Mrs. John Duthie, 3 Ripley street, Newton Centre. Bishop Edwin H. Hughes, of Chicago, assisted by the Rev. Edward E. Farnsworth of Dorchester, and the Rev. Charles H. Stackpole, of Melrose, officiated.

Miss Miriam Spaulding, daughter of the bridegroom, accompanied by Mr. Leo Dejinn, violinist, played the wedding march. Little Miss Jean Duthie, the bride's niece, attired in yellow crepe de chine, carrying a basket of yellow chrysanthemums, was flower girl.

The house was attractively decorated with autumn leaves, chrysanthemums, and hydrangeas. About one hundred guests were present.

The bride was distinctively gowned in white silk crepe, with pearl trimmings and hand-made silk lace brought from Brazil. She carried a shower bouquet of bridal roses and Bouvardias.

Mrs. Spaulding has been an active worker in the Greenwood Memorial Church, Dorchester.

After a wedding trip to New York, Philadelphia and Washington, the Rev. and Mrs. Spaulding will be at home at 193 Hemstead street, New London, Connecticut.

**CRONIN-JOYCE**

The marriage of Miss Emily Frances Joyce, the daughter of Mr. and Mrs. Peter Joyce of Newtonville avenue, Newtonville, and Mr. Daniel George Cronin of Cambridge, took place at the Church of Our Lady on Wednesday morning, October 27th, the ceremony being performed by Rev. Fr. Daniel Flynn of Marlboro, a cousin of the groom. The wedding gown was of bride's satin, period style, pearl bead trimming and with a court train. Her veil of tulle was caught with orange blossoms and she carried a shower bouquet of roses and lilies of the valley.

Her sister, Miss Mary F. Joyce was maid of honor and wore shell pink satin georgette, a hat of black velvet with ermine trimmings and she carried butterfly roses.

Margaret Canty, a niece of the bride was the flower girl and Francis Lind, nephew of the bride, was the page.

Mr. Cornelius Cronin, brother of the groom was best man and the ushers were Messrs. Frank P. Lind of Newton, John J. Cronin and Cornelius Lehan of Cambridge.

The music at the church included special solos by Mary Kilcoyne, a cousin of the bride.

A reception followed at the home of the bride's parents.

After a wedding trip to Philadelphia Mr. and Mrs. Cronin will reside at 65 Reservoir street, Cambridge.

**INNIS-IRELAND**

The marriage of Miss Helen Eileen Ireland of Ward street, Newton Centre, and Mr. John Charles Innis of Waltham took place Monday, Rev. Fr. T. A. Curtin, of the Church of the Sacred Heart, Newton Centre, performing the ceremony.

The bride wore white satin with duchess lace, tulle veil and orange blossoms and carried a shower bouquet of white sweet peas. Her sister, Miss Josephine C. Ireland, was maid of honor and wore pink taffeta with blue georgette, a pink picture hat and carried a bouquet of sweet peas.

Mr. George W. Lorling of Waltham was best man and the ushers were Messrs. Frank Fisher, Arthur Reed, Howard Harvey and Thomas Prosser. A reception followed at the home of the bride, which was decorated with chrysanthemums and autumn foliage. Music was furnished by Theo Meansche, pianist, and Mr. Paderson, violinist of the Symphonic Concert orchestra.

After a wedding trip in the South

Mr. and Mrs. Innis will reside at 319 Ward street, Newton Centre, where they will be at home after Dec. 1st.

**GREAT SEASON EXPECTED**

Newton's popular male singing organization, the Highland Glee Club, has commenced its preparation for the December concert and is looking forward to an unusually successful season. Over forty active members have attended rehearsals the past three weeks, and excellent progress is being made with the new music, selected by Cecil Hall and Director D. Ralph MacLean.

The Newton club won second prize in the singing contest of the Federated Men's Glee Clubs of New England, held at Quincy, last spring, in competition with some twelve other clubs. The result has been a great increase in interest both on the part of the active members and the supporting public. The first concert of the season is to be given on Tuesday evening, December 14, in the new High School Hall in Newton Centre.

Parties wishing to learn more about the club's activities should communicate with President George H. Wight, 25 Moreland avenue, Newton Centre, or Sherman Lewis Smith, 159 Warren street, Newton Centre.

**LODGES**

The officers of Lady Mary Spears Lodge, No. 163, were installed by Grand Deputy, P. C. D. Sister Shaw of Jamaica Plain and her staff in the Bay State Hall, Newton, Monday, Nov. 1st. The officers who were installed at the inception of the Lodge in September were again installed for the ensuing year with the addition of Sister Isabella Ruddiman, Sister Margaret O'Handley, Sister Alice MacDonnell as Trustee, Outside Guardian and Assistant Conductor respectively. On the platform with Chief Daughter Sister Coutts were P. G. C. D. Sister Spears or Worcester, P. C. D. Sister Shaw (Grand Deputy), Grand Fin Secretary, Sister Drysdale of Worcester, and Bro. Wm. Coutts, Chief of Clan MacGillivray, Bro. D. B. Robertson, Grand Henchman. Past Grand C. D. Lester Spears and Grand Deputy Sister Shaw were presented with beautiful bouquets of flowers on behalf of the Lodge by Chief Daughter Sister Coutts. Sister Spears and Sister Shaw gave inspiring addresses on "Boosting the Order" and "Punctuality." Refreshments were served and an entertainment followed. Thereafter dancing was engaged in until a late hour.

**COLUNTUNO—VASSALOTTI**

The wedding of Miss Mildred F. Vassalotti of 417 Watertown street, Nonantum, and Mr. Stanley Coluntuno of East Boston, took place last Saturday morning at the Church of Our Lady, in Newton, the ceremony being performed by Rev. Fr. Quirbach. The bride being given in marriage by her brother, Mr. Thomas Vassalotti of Natick. Her gown was of white bridal crepe with long train scalloped at the edge to match her veil. She carried roses and lilies of the valley.

Her sister, Miss Margaret Vassalotti, was maid of honor. Josephine Lupo and Mary Bucceri were the bridesmaids, Eleanor Vassalotti was flower girl, and Richard J. Mason was ring bearer.

Mr. Charles G. Coluntuno, of East Boston, brother of the groom, was best man, and the ushers were Messrs. Michael Vassalotti, Louis Vassalotti, Charles Felzone, John G. Bucceri, Walter Coluntuno and Stanley Coluntuno.

The wedding trip will include Montreal, Niagara Falls and Atlantic City.

**RETIRED ON PENSION**

Mr. Franklin C. Miller, locomotive engineer on the Boston & Albany Railroad, retired on pension last week. He has forty-five years of continuous service to his credit and is sixty-eight years of age. He entered the B. & A. service as a brakeman at West Springfield, Nov. 14, 1881, becoming a locomotive fireman two years later and, in November, 1891, was promoted to locomotive engineer. For a number of years he has run the engine on the Twilight express train leaving Boston at 4 P. M. for New York, via Springfield, and has made his eastbound trip from Springfield to Boston on the New York train that arrives in Boston at 10:05 P. M. Mr. Miller was born in West Woodstock, Conn., and lives at 33 Woodbine street, Auburndale.

HODSON—On November 2, to Mr. and Mrs. Alvin Hodson, 46 Mayflower Road, Chestnut Hill, a son.

NEW SYMPHONY ORCHESTRA  
TO HOLD CONCERT DEC. 9

The former First Church Orchestra, Inc., now the Newton Symphony Orchestra, announces Gertrude Tingley, contralto, as soloist at the first concert, December 9th in the Newton High School Hall, Newtonville.

Miss Tingley has appeared as soloist with the Boston Symphony, Harvard Club, Apollo Club, and many other fine organizations. Of her singing in her Jordan Hall recital last season Philip Hale of the Boston Herald said, "she was in turn, lyrical, dramatic, gay, contemplative, passionate." The orchestra of this city is indeed fortunate in securing Miss Tingley for its opening concert.

#### MILITARY BALL

Newton Post, American Legion, will hold a military ball at the State Armory, next Thursday night, to celebrate the eighth anniversary of the Armistice.

#### Parted at the Altar.

English Paper—"The Duke of ... was among those present at the marriage which, being a mixed one, lasted only a few minutes."—Boston Evening Transcript.

## ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

Every Monday morning we are presented with a list of the fatal automobile accidents which have occurred during the previous week. Other information is given by Registrar Goodwin that discloses the disastrous results of reckless driving. Mr. Goodwin tells us of the legal penalties imposed and of his determination to make the roads safe for sane and careful drivers. It is agreed that he is doing a remarkable work and accomplishing great results in view of the many-sided problems involved.

After what I saw the other evening I marvel that the death record isn't higher. There are drivers on the road, supposed to possess an average amount of common sense, but who seem to lack any idea of the rights of others. They proceed to drive their cars with only a thought of their own convenience. How they escape injury to themselves and avoid killing others is a mystery to me.

The driver whose weird actions impressed me so deeply was approaching Players Hall, West Newton, from the direction of Newton. He was on the right-hand side of Washington street, like all other law-abiding car owners, until he came with a hundred yards of the entrance to the hall. Suddenly he swung his car to the left-hand side of the street and rolled up to the sidewalk in front of Players Hall, quite as if it was the proper thing to do, and deposited his passengers.

Meanwhile other drivers, coming from the same direction with people bound for the hall, had driven past the hall, turned around and approached the entrance on the right-hand side. Imagine what they, and all other motorists who witnessed the incident thought! How was it that erratic driver managed to dodge all the other cars? Heaven only knows.

Without giving the name or number I discussed the incident with Mr. Goodwin. "That was clearly a violation of the law," said he. "Everybody is supposed to drive on the right-hand side of a street and I can't understand any excuse for swinging over to the left." If Mr. Goodwin, with his wide range of experience cannot comprehend the mental operations of a freak driver how can the plain citizen expect to understand.

"Was your experiment a success?" I inquired.

"I proved my case conclusively," he replied.

"But did you convince them?" I asked.

"O, no, I didn't expect to," he answered with a self-satisfied smile.

Song, story and cartoon have told told us in one way or another that somebody is always taking the joy out of life. It doesn't matter whether it is the wife who declines to let her husband become swell-headed, or the husband who tortures his wife with threats of unpleasant happenings. Some people enjoy making others gloomy. One day this week I overheard some young women enthusiastically admiring the foliage in the Sudbury woods. Their ecstasy was unbounded.

"And never in all my life have I seen the leaves so red," said one. "Nor I," said another, "the woods are actually ablaze."

Turning to the farmer at the roadside, they asked, "Isn't it uncommonly red—the foliage?"

"Yes'm," he replied, "Sure sign of a cold winter."

Probably I have chosen the wrong time to see the gum-chewing passengers in action. Few people start their gum-chewing in the morning before business hours. At night, when returning from business, their jaws are no doubt all tired out or weak from extended conversation during the day. As I said, I have been unfortunate in the hours selected for my observations and shall try to make a study during other parts of the day.

It seems to me that if the Elevated has the idea that chewing gum tends to make the chewer more contented it should provide this delicacy free of cost. There are those who think that the "king" of chewing-gum manufacturers has become. I have watched in vain, during my journeys to and from Boston for someone to follow the instructions: "Deposit nickel. Push plunger up."

Probably I have chosen the wrong time to see the gum-chewing passengers in action. Few people start their gum-chewing in the morning before business hours. At night, when returning from business, their jaws are no doubt all tired out or weak from extended conversation during the day. As I said, I have been unfortunate in the hours selected for my observations and shall try to make a study during other parts of the day.

It seems to me that if the Elevated has the idea that chewing gum tends to make the chewer more contented it should provide this delicacy free of cost. There are those who think that the "king" of chewing-gum manufacturers has become.

Suppose one were resolved not to chew and should land in a seat alongside of someone who was getting all there was out of a wad of spearmint? What would be one's feelings? Would

n't one have to expend five cents and start chewing in self-defence? I think so.

Of course there are those who chew tobacco. This habit exists only among coarse men, we'll say for purposes of discussion, but it exists just the same. Now maybe the Elevated has an idea it is going to break a lot of tobacco-chewers of this so-called filthy habit by inducing them to switch to gum at five cents per switch. I shall have to look into this matter much more deeply and report later.

Regarding the matter of gum chewing did you ever hear that story of the two people on a passenger train going from Boston to Woburn, N. H. It was one of those branch lines where the cars are few and consequently not many seats are available if there is any considerable number of passengers.

On this occasion a very trim young woman boarded the train at one of the larger towns. She was chewing gum, but nevertheless her mind was alert and she looked about for a seat. The only one vacant was alongside a man with a long beard. It was one of those luxuriant growths which had been allowed to run wild and become very full and extensive. The young lady was apparently not opposed to beards so she decided to share the seat with the bearded gentleman.

Now there were just two circumstances which ordinarily would not be taken into account but which are important in this connection. The day was warm and the door of the car was left open in order that the breezes and the cinders might blow on the passengers. Naturally, when the train got under way the breeze was more vigorous.

Now the man with the whiskers and the lady with the gum sat in the seat nearest the door. The lady, from time to time, and as gum-chewers frequently do, reached into her mouth and gave the gum a yank, released it and allowed it to snap back between her teeth.

## FIRE RECORD

Sunday morning at 11:06 Box 741

was for a fire in the cellar of the two

apartment house at 853-855 Beacon St.

occupied by Eudora Rugg and Lena

Goddard. The cause was spontaneous

combustion and the damage slight.

Box 921 pulled at 11:45 Saturday

night, was for a grass fire on land

on Parker street.

## AUTOS COLLIDE

Sunday noon at the corner of Auburn

and Curve streets, a Ford truck driven

by John Harkins, Woodbine Terrace,

Auburndale, collided with a Hudson

Sedan driven by Anthony Totaro of 286

Watertown St., Newton. Mrs. Sarah

Mulvey 451 Lexington street, who was

riding on the truck, was severely

shaken up. She was taken to her home

in the police ambulance.

## NEWTON CLUB NOTES

The 1926-1927 season was formally opened at the Newton Club last Saturday with an Open House and Hallowe'en Party. Over 250 members and guests attended what was generally conceded to be the most successful opening in the history of the Club.

The bowling alleys were busy from start to finish; billiards and pool were enjoyed by both the men and women, while numerous bridge foursomes carried on in the card rooms.

The crowning event, however, was the Hallowe'en Dance in which a program of fox trots and waltzes was punctuated by the ever popular "Paul Jones" conducted in his own inimitable way by Mr. Joseph Cryan.

Hutchings' Orchestra lived up to its reputation and many favorable comments were heard regarding the music.

At intermission a typical Hallowe'en buffet lunch was served, the dining rooms being tastefully decorated in the season's colors, orange and black, with a profusion of autumn leaves adding to the general effect.

The committee in charge, consisting of Dr. and Mrs. Cecil Clark, Mr. and Mrs. James Elliot and Mr. and Mrs. Edward Burkhardt, were the recipients of many congratulations not only for the entertainment provided, but for the capable way in which they saw that every new member and guest was personally received and introduced, this adding materially to the spirit of good fellowship for which the Newton Club stands in this community.

Upon returning to the dance hall the gathering was addressed by the president of the Club, Mr. William V. Hayden, who extended a cordial welcome to the many new members present and outlined some of the plans for entertainment during the coming season.

The enthusiasm of those who were present augurs well for the new policies, effective this year, whereby the Newton Club becomes more of a family and community institution than ever before.

The long established "Star Night" on Saturdays has been abolished. In its place the Club is to hold "Family Night" every Saturday evening. All the facilities of the Club are to be available on these nights for both members and their wives. No set programs are to be arranged, but the clubhouse is to be made a centre of community life for members and their guests where dancing, bridge, bowling, squash or billiards may be enjoyed at will. Refreshments are to be served at 10:30.

The usual monthly formal or costume dances are to be held throughout the season, as are the Neighborhood Dances, Afternoon Bridge Parties for the ladies and Squash and Bowling Tournaments.

Indications all point toward an even more than usually enjoyable and successful year for the Club.

## HAVE YOU A GOOD VOICE?

Have you a good voice? If not, why? A good voice is everyone's birthright, but through neglect and misunderstanding of how to use the voice it can very easily become a most unpleasant interpretation of the individual. Very brilliant and deserving people are often hindered by faulty and inadequate voices. A good voice lends beauty to speech, creates poise, commands respect, gives confidence to the over-diffident, and adds charm to the speaker. In conversation, on the platform, in the pulpit or on the stage, the quality of the voice is an element of first importance, transmitting the essence of the mind by speech so as to produce the most intelligent and happiest results.

Does this interest you? If so, you will be pleased to hear that Flora M. Bosson is opening classes in voice training and expression. Individual lessons will be given if desired. Any questions will be answered by

(Miss) FLORA M. BOSSON,  
The Ledges Road,  
Newton Centre.

## ABOUT TOWN

Jacob Kligman is "so near, and yet so far" from obtaining his long sought permit for a garage and gas station at 456 Watertown street. The License Committee some weeks ago recommended that Jacob be given the permit. But the opposition "will not down." A petition was received by the aldermen Monday night from Charles B. Cabot and others, protesting against the granting.

Charles E. Hatfield and others have petitioned the aldermen as proposed incorporators of "The County Club." This will cause comment on the part of those who have accused our genial ex-Mayor of being a leader in the "county ring."

The old mill, which Attorney James P. Gallagher referred to as bounding the site of the proposed gasoline station of Henry C. Bourne at Lower Falls, was known as the "Silurian Mill." It was claimed that this mill building and other mill buildings at the Lower Falls, are constructed of stone formed in the silurian age. We have been accused of knowing nothing about Engineering matters. We admit possessing limited knowledge about geology. So, we don't know whether said stone was formed in the Silurian, Ordovician or Devonian periods. But, we are sure that there were no automobiles or gasoline stations when this rock was made.

Frequently the Newton aldermen are petitioned by residents of Waltham, Watertown and other places for permits to operate taxis in this city. Such petitions have been and should be refused. Even though said petitioners may promise to become residents of Newton, we have more than enough taxis in Newton now. A number of men have engaged in the taxi business in this city in recent years who have not made a financial success of their ventures, and who have been forced to abandon their attempts to make a living from this occupation.

## KNIGHTS OF COLUMBUS

Newton Council, Knights of Columbus, enjoyed a Whist and Forty-Five tournament after its meeting Tuesday night. Turkeys were given as prizes. The Whist competition was won by James Messer; Thomas Considine won the "Forty-five" contest. A bowling league has been formed which will include teams from Newton, Watertown, Needham, Waltham and Brookline councils.

Members of Newton Council K. of C. will visit Boston College, Tuesday evening, November 23, to meet Rev. Dolan, new president of the college.

## KIWANIS CLUB

At the meeting of the Kiwanis Club Tuesday it was voted that the club start activities to have candidates for aldermen address the voters of the different villages. Nonantum and Auburndale are the only villages where this opportunity has been afforded the voters regularly in the past. Alderman Walter Hodges was the sponsor of this movement.

Mr. Buisch of the National Cash Register Co., spoke to the members. He told of the bitter rivalry existing between competitors in various lines of business in the past and told of this jealousy being wiped out because of the friendships formed through Kiwanis, Rotary and similar clubs. He urged men in business to train their employees to meet customers with a smile and to accord them the same friendly treatment which would be given to guests in their homes.

The members of the Kiwanis Club are fortunate to enjoy the services of Mr. Harold Schwab, professor of piano forte and organ instruction at Lasel Seminary. Mr. Schwab is also organist at All Souls Church, Lowell. He is a graduate of the University of Southern California and the New England Conservatory of Music.

## MRS. LICHTENTHAELER DEAD

Mrs. Susan A. Lichtenhaeler, widow of Edw. S. Lichtenhaeler, died Monday evening at her home, 37 Waldorf road. Mrs. Lichtenhaeler was seventy-six years of age, and a native of Reading, Pa. Her maiden name was Ziegler. While living in Newton Highlands these past fifteen years she was a member of the Elliot Church, Newton, and belonged to the Newton Highlands Woman's Club. There are two surviving daughters and a son, Mrs. Frank Hankinson of West New Brighton, Staten Island, N. Y., and Dr. Marguerite E. Lichtenhaeler of Wellesley Hills; and Frank E. Lichtenhaeler of Newton Highlands.

## LIBRARY STORY HOURS

The usual series of story hours for children begins at the Main Library on Monday, November 8, 1926, at 4 o'clock, with Mrs. Cronan as the story-teller.

The West Newton story hour, for children at the West Newton Branch Library, has been changed to 9.30 Saturday mornings. Mrs. Cronan will be the story-teller.

During November a special story hour for older boys and young men will be given by Mr. John J. Cronan at the West Newton Branch Library on Saturday evenings from 7 to 8 o'clock. Beginning next Sunday the main library and the branches at Auburndale will be open on Sundays from 2 to 6 P.M.

**Commonwealth of Massachusetts, Probate Court.**  
Middlesex, ss. To all persons interested in the distribution of a certain trust estate under the provision of the will of

**John A. Wheeler** late of Newton in said County, deceased.

WHEREAS, John F. Wheeler, the surviving trustee under said will, has made application for an order to convert the said trust estate into cash and for distribution of the proceeds among the persons entitled to the same by the provisions of said will; You are hereby cited to appear at a Probate Court to be held at Cambridge in the twenty-second day of November A.D. 1926, at ten o'clock in the forenoon, to show cause, if any you have, why said conversion into cash should not be ordered and distribution made according to said application.

And the petitioner is ordered to serve this citation by publishing the same once in each week, for three successive weeks, in the Newton Graphic a newspaper published in Newton the last publication to be one day, at least, before said Court, and by mailing postpaid, or delivering a copy of this citation to all devisees and legatees named in said will, seven days at least before said Court.

Witness, **John C. Leggat, Esquire**, First Judge of said Court, this second day of November in the year one thousand nine hundred and twenty-six.

**LORING P. JORDAN, Register.**  
Nov. 5-12-19.

## MORTGAGEE'S SALE

Under and by virtue of the power of sale contained in a certain mortgage or sale, given by Charles Williams and Laura M. Williams, his wife, as tenants by the entirety, both of Newton, Middlesex County, Massachusetts, to the Newton Savings Bank, incorporation date November 20, 1924, at four o'clock in the afternoon, the real estate described in said mortgage, to wit:

"The land in said Newton, with the buildings thereon, bounded and described as follows: South Westerly by Fair Oaks Avenue, eighteen (18) feet; South by land formerly of Beinis, and now or late of Metcalf, ninety-six and 95/100 (96.95) feet; North by land now or formerly of Bellan and Dunn, et al., one hundred seventy-seven and 6/100 (177.6) feet; containing 10,424 square feet, being to same as when given by Harry H. Austin, and drawn by Joseph H. Austin, et al., dated August 18, 1925, and recorded with Middlesex South District Deeds, book 453, page 455, for breach of the condition of said mortgage and for the purpose of foreclosing the same, and sold upon the premises on Monday, November 20, 1924, at four o'clock in the afternoon, the real estate described in said mortgage, to wit:

"The land in said Newton, with the buildings thereon, bounded and described as follows: South Westerly by Fair Oaks Avenue, eighteen (18) feet;

"South by land formerly of Beinis, and now or late of Metcalf, ninety-six and 95/100 (96.95) feet; North by land now or formerly of Bellan and Dunn, et al., one hundred seventy-seven and 6/100 (177.6) feet; containing 10,424 square feet, being to same as when given by Harry H. Austin, and drawn by Joseph H. Austin, et al., dated August 18, 1925, and recorded with Middlesex South District Deeds, book 453, page 455, for breach of the condition of said mortgage and for the purpose of foreclosing the same, and sold upon the premises on Monday, November 20, 1924, at four o'clock in the afternoon, the real estate described in said mortgage, to wit:

"The land in said Newton, with the buildings thereon, bounded and described as follows: South Westerly by Fair Oaks Avenue, eighteen (18) feet; South by land formerly of Beinis, and now or late of Metcalf, ninety-six and 95/100 (96.95) feet; North by land now or formerly of Bellan and Dunn, et al., one hundred seventy-seven and 6/100 (177.6) feet; containing 10,424 square feet, being to same as when given by Harry H. Austin, and drawn by Joseph H. Austin, et al., dated August 18, 1925, and recorded with Middlesex South District Deeds, book 453, page 455, for breach of the condition of said mortgage and for the purpose of foreclosing the same, and sold upon the premises on Monday, November 20, 1924, at four o'clock in the afternoon, the real estate described in said mortgage, to wit:

"The land in said Newton, with the buildings thereon, bounded and described as follows: South Westerly by Fair Oaks Avenue, eighteen (18) feet; South by land formerly of Beinis, and now or late of Metcalf, ninety-six and 95/100 (96.95) feet; North by land now or formerly of Bellan and Dunn, et al., one hundred seventy-seven and 6/100 (177.6) feet; containing 10,424 square feet, being to same as when given by Harry H. Austin, and drawn by Joseph H. Austin, et al., dated August 18, 1925, and recorded with Middlesex South District Deeds, book 453, page 455, for breach of the condition of said mortgage and for the purpose of foreclosing the same, and sold upon the premises on Monday, November 20, 1924, at four o'clock in the afternoon, the real estate described in said mortgage, to wit:

"The land in said Newton, with the buildings thereon, bounded and described as follows: South Westerly by Fair Oaks Avenue, eighteen (18) feet; South by land formerly of Beinis, and now or late of Metcalf, ninety-six and 95/100 (96.95) feet; North by land now or formerly of Bellan and Dunn, et al., one hundred seventy-seven and 6/100 (177.6) feet; containing 10,424 square feet, being to same as when given by Harry H. ## EDUCATION WEEK

### Miss Margaret Slattery Makes Interesting Address

The principal observance of Education week in this city was the open meeting on Wednesday evening in the High School Auditorium and which was attended by an audience which filled the hall to over-flowing.

The program included selections by the High School band under the direction of Mr. Charles R. Spaulding, and by the high school orchestra under the direction of Mr. Charles B. Harrington. Mr. Harrington also gave a short talk on the growth of music in the Senior and Junior high schools.

The speaker of the evening was Miss Margaret Slattery, who took for her subject "What is right with the rising generation?" Miss Slattery speaks without notes and with few gestures but she held the close attention of her audience for nearly an hour with an eloquent and witty address.

Miss Slattery admitted that many of the rising generation went to extremes and said that there were always some who would wear skirts shorter than others just as in years ago, there were some who wore their skirts longer than others. She claimed for the rising generation that it was versatile, self possessed, had poise, it was honest, it wanted to know the truth, it was less tied to the past and on all fundamentals it was right. Incidentally Miss Slattery took a flag at the men and women who were making her task harder by breaking the law. She claimed that no one can break a law, for it is the law that will ultimately break the transgressor, and instances Egypt, Persia, Greece and Rome as examples of breaking a universal law. The program closed with singing of America.

### FIRE RECORD

This morning at 8:55, Box 241 was for a fire on the roof of the house at 16 Lincoln road, owned and occupied by Mrs. John Fitzgerald. Sparks from the chimney was the cause. The damage was slight.

Yesterday morning at 2:13, Box 263 was for a fire in the cellar of the house at 1071 Commonwealth Avenue, owned and occupied by Mrs. H. I. Morris. The blaze was caused by wood near the furnace igniting.

Wednesday night at 10:16, Box 282 was for a fire in the cellar of the house at 311 Nevada street, Newtonville, occupied by Daniel O'Connell. The blaze was in a pile of wood, and the damage was mostly smoke.

Last Friday night Box 192 was sounded for a supposed fire at 154 Langdon street, Newton. The alarm was sounded by Mrs. George Miller when a cloud of steam started to escape from the apartment above her. The steam was mistaken for smoke.

## OPEN MEETING

### Newton Centre School Association Observes Education Week

In celebration of National Education Week and of Children's Book Week, the Newton Centre School Association held its first open meeting for the year, on November 10th. A most interesting exhibit of books for children was shown by Mrs. Sloan, head of the Children's Department of the Newton Library. Music was furnished by Mr. E. N. Griffin, who sang two groups of songs. The speaker of the afternoon was Mr. Francis L. Bacon, Director of Secondary Education, who spoke on "The High School."

He explained carefully the different curricula and the type of pupil who should enter the College Preparatory course. He spoke, with great emphasis, of the modern tendency to make life easy for the child, and painted a picture of the boy who has this load lifted and carried by his parents. The group intelligence tests were explained at some length. These give a fairly correct idea of the ability of the child to apply his knowledge.

Through them we find that the pupil with a standing of from 90 to 115, is equal to the Hyde School requirements. The equal intelligence quotients of pupils of totally different environments, proved that these tests are a true measure of intelligence—intelligence being the power to employ knowledge. The speaker stated, that if the present conditions for College entrance continued, that within ten years, only the pupils of extra qualifications will be admitted. Many points of great interest were touched upon. Mr. Bain, basing his talk in a large number of questions that had been sent in by members of the Association.

It was announced, that at the annual "Father's Night" on January 28th, Miss Margaret Slattery will speak on "Tomorrow Looks at its Ancestors." The Association begins its sixth year, with 821 members.

### DOUGHERTY FOR ALDERMAN

Harold Dougherty of 75 Central street, Auburndale, will run as a candidate for alderman at large from Ward 4. Mr. Dougherty for some years was librarian at the Newton Public Library. He resigned a couple of years ago to enter the magazine business. During the war he served overseas with the American Library Association. While Alderman George Heathcote has not announced that he will stand as a candidate for re-election, it is supposed that he will be again in the field. This means that there will be at least one city-wide contest in the coming municipal election.

## NEW FIRE LADDER

### Fire Department Now Has Modern Aerial Apparatus

Members of Engine 1 crew have been practising this week with the huge new aerial ladder. The "big stick" on this truck is 75 feet long and is elevated in a jiffy by means of powerful springs. The firemen who will operate the ladder have been receiving instructions from a representative of the La France Company of Elmira, New York, from which concern the apparatus was purchased. Vernon Court, the six story apartment hotel at Newton, was used to test the aerial and the roof of this building, the highest of its kind in the city, was easily reached by the ladder. The ladder truck with its equipments weighs 14 tons, has a 120 horse-power motor and cost \$15,000.

The old house of Engine 1 where this modern piece of apparatus is stationed is utterly unfit for it. The door of the house was so low, that the tilerman on the new truck was in danger of decapitation until carpenters and mason rebuilt the door to increase its height. The length of the aerial truck makes it difficult to drive it out onto Washington street with the constant stream of electric cars and automobiles passing by. A recommendation will probably be made in the budget of the coming year for a new fire house at Newton Corner. The aldermen should not delay in appropriating money for this long-needed improvement. Keeping the truck in its present quarters, is spent to a large degree the \$15,000 spent for it. When it will be needed, it will be needed without delay. It cannot respond quickly confined as it is.

## KIWANIS CLUB

Forty-five members attended the meeting of the Kiwanis Club on Tuesday. Kiwanian Rev. Earl E. Harper led the gathering in a number of songs, infusing the "pep" into the chorus such as he, among few, can do. President Wilcox introduced Mr. Bruton, associate secretary of the Newton Y. M. C. A. Mr. Bruton told of the valuable work the local "Y" is doing for residents of Newton and surrounding communities and urged those present to assist in the work this great organization is performing. Several members were called upon for extemporaneous "three-minute" talks. The first "victim" was Mr. Powers, who profusely praised the Newton Kiwanis quartet composed of W. Uriah Fogwill, Mark Croker, Hugh Boyd and Walter Hodges. He suggested that this quartet be made a passing feature of the Club. City Clerk Frank Gran told of the trials and joys of the office he holds and the many important functions devolving upon it. He explained the drawing of jurors. Albert Walker of the Brackett Coal Company urged the members to lend their cooperation to the Boy Scout movement, which he extolled as one of the greatest forces for good in this country today. He quoted police officials as stating that boys who have been associated with the "Scouts" rarely or never give trouble to the police. Harold Moore related his recent trip to Maine where he spent his vacation among the lobster fishermen.

## MEMORIAL STONES OR LETTERING

MUST BE ORDERED AT ONCE

## WRIGHT HONORED

### Albemarle Club Dines the Noted Golfer

Over one hundred members of the Albemarle Golf club gathered at the Newton Club last night to show their interest in and appreciation of Fred J. Wright, Jr., a member of the club who won the Massachusetts amateur golf championship this present season. Mr. Henry J. Nichols, president of the club was the toastmaster.

The speakers included Mr. William F. Carcelon, Ralph Clifford, Joseph A. Bryant and George Aufbach. High tribute was paid to Mr. Wright, both as a golfer and as a man. President Nichols presented him with a hand-some bridge lamp with instructions to turn it over to Mrs. Wright. Fred responded in a few words thanking all present for their kindness and expressing the hope that the future may see him winning more honors for Albemarle, the club, he declared that has stood behind him from start to finish.

After the speaking Mr. Aufbach gave a wonderful series of motion pictures of the leading golfers in action, views of the holes on the Lido Club course at Long Beach, pictures of the recent Quinet-Hagen match at Sandy Burr and of the Albemarle course itself. The slow motion pictures of shots by Bobby Jones and Francis Ouimet were most interesting and instructive.

## DEATH OF SCHOOL TEACHER

Miss Charlotte Emeline Stearns, for forty-five years or more a teacher in Newton, died Wednesday at her home, 259 Watertown street, Nonanum, where she lived with her sister, Miss M. Ethelyn Stearns, also a teacher. Miss Stearns was born and had always lived in Newton. Her parents were Daniel Stearns and Charlotte (Clark) Stearns, and the Stearns School where she taught in the primary grade was named for the family. She was a member of the Newton Community Club, the Grade Teachers' Club, and the Channing Unitarian and attended the Channing Unitarian Church.

Funeral services will be held Sunday afternoon at three o'clock.

## AUTO HITS BREAD WAGON

Last evening at 5:45 a Hudson sedan driven by Howard Cutler, 12 Marlboro street, Newton, ran into a bakery wagon owned by the Mity Nice Bakery of Brighton and driven by Lester Jackson, 6 Sculley street, Jamaica Plain. The collision, which occurred at the corner of Walnut Park and Washington street, hurled Jackson 15 feet out of the wagon and caused him to suffer a severe gash on the right leg. The rear of the wagon was damaged and pieces scattered about the street. Jackson was removed to the Newton Hospital in the police ambulance.

The report of the Superintendent

## COMMUNITY SERVICE

### As Reported by the Newton Central Council

An attractive program has been planned for a meeting of the Delegates of the Council and the members of the Welfare Problems Conference. A dinner at the Newton Club will precede the meeting which will take place at 7:15 o'clock on Monday evening, November 15. The program is in charge of the Health Division of the Council and will be chiefly concerned with the problem of the Pre-School Child in Newton. Any interested friends will be welcome to come to the dinner if word is sent to the Council office by Friday, November 12, or to the meeting afterward.

## STEARNS SCHOOL CENTER

### Senior Girls' Club

Mrs. H. H. Powers is giving four talks to the Senior Girls on "Appreciation of Art." The first talk, Monday, Nov. 8th, on "The Madonna and Child" was very much enjoyed. The other talks will come on the remaining Mondays of November.

Last and most thrilling of all was the afternoon of Nov. 8th, at the palatial home of Mrs. George F. Schrafft. The admission goes to aid our quota pledged to the Newton Hospital Drive. Mrs. Schrafft is indeed one of our real friends and was most hospitable in opening her beautiful home to the Newton Girls' Club and its friends."

### Mothers' Club

Last Monday night was the Mother's annual Harvest Supper of ham, baked beans, cabbage salad, coffee, rolls, and pie. The chief honors go to Mrs. Paul Champagne who boiled the ham and to Mrs. Porter, who fixed all the beans in her steam pressure cooker. After supper two girls from the All-Newton Music School entertained. Miss Zuver from the Community Service told stories and urged the mothers to make time to play with their children a bit. Finally the food left over was auctioned off by Mrs. Bergen.

November 22nd is Dramatic Night. Club Members will of course come and may bring a guest.

All contributions for the Bazaar must be at the school November 25th.

## THE NEWTON DISTRICT NURSING ASSOCIATION

The Annual Meeting of the District Nursing Association, was held at the headquarters, Monday, November 8, at 10:45 A. M. The meeting was called to order by the President, Mrs. George W. St. Amant. Ross, Superintendent.

The report of the Superintendent

Miss Ross will be printed next week.

## CHURCH DINNER

### Close of Anniversary Exercises of Church of the Messiah

The observance of the fifty-fifth anniversary of the Church of the Messiah, Auburndale, was brought to a successful conclusion with the anniversary dinner held at Brae Burn Country Club on Monday evening, November 8th. About one hundred and thirty parishioners and friends were present.

Mr. Frank V. Burton, chairman of the anniversary committee, presided as toastmaster. Bishop Lawrence and Mayor Childs were among the chief speakers, with other guests extending greetings.

Bishop Lawrence

after recalling many reminiscences of earlier days in Boston and vicinity, commented on the unusual development of church life in the city of Newton. "The development in the parishes of the Episcopal Church," he said, "was originally concentrated in several separate independent villages in this vicinity. These villages are now combined to form the one municipality of Newton."

One interesting result of this early independent growth is that Newton, a city of about 50,000 people, now has eight vigorous, well organized parishes of the Episcopal Church—in every city of like size anywhere in the United States or even in England."

Mayor Childs extended greetings in behalf of the city and spoke of the high place of influence the Churches of Newton occupy in community life.

Among the speakers were the Rector of the parish, Rev. Percival M. Wood, and guests who brought friendly greetings: Rev. John Matteson of Whitman, Mass., a former Rector; Rev. Earl E. Harper, Pastor of Centenary Methodist Church; Rev. T. P. MacMannion, Rector of Corpus Christi Parish, and Mr. Guy M. Winslow, representative of the Auburndale Congregational Church and Lasell Seminary, in which latter institution the congregation worshipped for a year during the early days. Rev. Dr. MacLure of Grace Church, Newton, spoke in behalf of the Newton churches.

The closing address was by Rev. Dr. Percy T. Edrop, leader and preacher of the anniversary devotional week, who urged the parish to conserve and carry on the values derived from the anniversary observance into the future life and work of the church. Rev. Harry Peal, a former Rector, now Dean of the Cathedral in Los Angeles, California, sent a letter of greeting.

At the services on Sunday morning Bishop Babcock took the place of Bishop Slattery, who was unable to be present owing to illness. He administered Confirmation and preached, outlining the early history of the Episcopal Church in Massachusetts.

## MILITARY BALL

### Newton Post, A. L., Celebrates Armistice Day

Last night at the State Armory, Newton Post, American Legion, observed Armistice Day by holding a Military Ball. The affair was one of the most successful of the kind ever held in this city. About 500 attended, many of them being military and ex-service men in uniform. Dancing was enjoyed from 8:30 to the music of Sid Reinherz and his Chatham Tea Garden Orchestra. The Grand March was postponed until 11 o'clock when Mayor Childs arrived. It was directed by Captain Thomas Hickey. Commander Harold Martin of Newton Post, with Mrs. Corabelle Francis, County President of the Legion Auxiliary, led the march. The matrons at the ball were Mrs. Corabelle Francis, Mrs. Donald Hill, Mrs. Philip Carter, Mrs. Harold Marion, Mrs. Thomas Franey and Mrs. Francis Wilcox.

Following the march the gathering assembled in front of the stage where Harold DeNoyer read Geoffrey O'Hara's poem, "They Are Not Dead." Three volleys were then fired by a squad from Company C and taps sounded.

and especially its early growth in Auburndale, which for many years had followed with intimate personal interest. He alluded especially to the long and faithful service of Rev. John Matteson, who for twenty-three years prior to 1915 was Rector of the parish.

Among the speakers were the Rector of the parish, Rev. Percival M. Wood, and guests who brought friendly greetings: Rev. John Matteson of Whitman, Mass., a former Rector; Rev. Earl E. Harper, Pastor of Centenary Methodist Church; Rev. T. P. MacMannion, Rector of Corpus Christi Parish, and Mr. Guy M. Winslow

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

## LAWRENCE LEFTOVERS

Lawrence, with its wonderful and powerful attack, would have rolled up a considerably higher score but for the remarkable defense which the orange and black displayed. Newton put up a fine stand in the shadow of its goal posts in the second period, prior to the first score for Lawrence, which was a pure gift by the officials. It took the home team four downs to advance the ball the last five yards and then the ball did not appear to have crossed the last white line, but the officials claimed that Lawrence had scored. Haphey failed to kick the goal and the half ended with Newton leading 7 to 6.

The officials ruling apparently broke the morale of the Newton eleven. Lawrence broke through and blocked two kicks in the second half, which led to two touchdowns.

Newton won the toss and elected to receive the ball. Proctor caught it on his ten-yard strip and behind wonderful interference raced 90-yards for Newton's only score. There wasn't a Lawrence player within a yard of the blonde-haired Newton back, at any time during his run and his interference cleared out the path for him particularly well. He did not have to slacken speed once nor was he forced to take to the sidelines, and only had to dodge two men who had the barest possibility of making the tackle. Clark kicked the goal amid the enthusiastic outbursts of the entire crowd of some eight thousand, who witnessed Proctor's achievement.

It was also reported that Bob Bennett, another backfield man that Dickinson had used frequently this season, was marked but such is not the case. Bennett is not marked and will be used in the backfield in this afternoon's game.

In spite of the disastrous blow which has struck the orange and black Dickinson can still put a team on the field, that ought to win both of its remaining contests. Gatchell is not as able a centre either on defense or offense, nor at snapping the ball back, as his captain, but he is willing and with Forrestall at his side, there should not be as many holes in the line as there was last week. The rest of the line remains intact. Harrington, Stubbs and Cole will take care of the right side of the line and Hapgood and Scheinfain the rest of the left. In the backfield, Dickinson will probably start Clark at quarter, Macey and Symonds as halfbacks, and Brown at fullback, with Clark falling back to punt. For replacements he has Joe Gilligan, McIntyre, Perry and Annabell.

The Dean academy—Cushing academy game tomorrow, is attracting considerable attention from local fans. "Dotty" Wright, former Newton and all-scholastic quarterback, is calling signals for the Franklin team, while Johnson and Hemeon, two of last year's star linemen, are among the mainstays on the Ashburnham outfit.

The Exeter—Andover clash is another critical game in the minds of Newton fans. Although Andover has not a Newton boy in its line-up there are three on the New Hampshire team.

Carleton McCullough will play an end, Frenchy Gilligan at fullback, and Tom Gilligan will probably play part of the time at quarterback and part at halfback. Andover has a veteran outfit there being only two Andover players

who were not in last year's fray. Six of Exeter's eleven are new and these include, McCullough and Tom Gilligan. Frenchy Gilligan played last year. The series is almost even Andover having a margin of one game in a total of 45 which includes four ties.

Coach Blake of Exeter, is looking to his Newton men to bring the series to even terms.

Tom Gilligan shared the honors with Bob Coombs of Maine, in sending the Hebron academy team down to a 21 to 0 defeat last Saturday. Coombs scored twice for Exeter, in the opening session and kicked both points while Tom tallied the other seven points in the second period.

Last Friday afternoon, the Harvard freshmen held the Harvard scrubs to a no-score game in a practice affair

in preparation for the H-Y freshman game tomorrow. Guy Holbrook has been shifted to fullback, where he

played throughout the practice. This week, the freshman and varsity outfits have been mixing it up.

Brockline passed both Newton and Somerville in the Suburban league race last Saturday, by defeating Cambridge High and Latin 10 to 7. Brockline now has a one point margin over both the Dickinson and Dickerman outfits who are tied for third place, with one win, one defeat, and one tie game.

Everett has practically clinched the Suburban league title by taking over Somerville last Saturday, 13 to 6. It is the third successive year that the Everett team has won the title and this year, they will also receive the Foss cup, which was donated by the Foss Chocolate company of Cambridge. Dennis Gildea, Everett's new

mentor, has apparently taken up the work right where Brickley left off. He

did not have much veteran material

to work with and had to build his

eleven around Captain Dick Ahlin,

than whom there is no better punter

in scholastic circles. His offence he

molded around Dimott, fullback, who

Graffam and Fisher round

the backfield, which has outscored

all its other league opponents.

Everett has won four games to date

and has but one more, that with Cam-

bridge High and Latin, on Thanksgiving Day. Everett has but to win this,

which it should easily do, to keep a

clean slate in the league and win the

title. Even should Everett loose to

the Cantabs the only outfit that could

even get a tie for the title is Brookline

which would have to win both of its

remaining games. Brookline is 2-2

and Somerville and Newton are 1-3

and 1-2 respectively.

The events were all evenly contested

and it was Fullerton's all round

superiority which enabled him to pull

ahead of Kollmyer although the latter

won two firsts to Fullerton's one. Full-

erton got one first, two seconds, and

two thirds, while his chief opponents

places were more widely scattered.

Kollmyer took two firsts, a third,

fourth, and a fifth.

Fullerton won the pentathlon and

the high jump.

Wallace Fullerton, N. H. S. '27, and

captain of the indoor track team for

the coming season, carried away highest

honors in the annual pentathlon

events last week, Wednesday and

Thursday, on Cabot park track, with

a total of twelve points.

Kollmyer took second place with fourteen

points. The remainder of the field

was evenly distributed with Ebelhause

leading them. Hammond, closely fol-

lowed him and Kinrade with 21½

points, Burton with 27 points, Bowen

with 33½ points, and Cobb with 45½

points were the other entrants.

## ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

It is doubtful if at the time of his death the great amusement world contained a more interesting figure than Houdini, the magician, "escape artist" and "master of mystery." We, in Newton, remember him for his achievements on the vaudeville stage. We know, furthermore, that he became famous the world over and commanded the respect and even the friendship of the greatest men in this country and Europe.

I trust I will not be considered an aspirant for reflected glory if I tell an Houdini incident which happened to come under my own observation. It shows, I believe, how little things may seem of greater significance than those of larger moment, and reveals Houdini as very human and not much different from the ordinary mortal in that he allowed an inconsequential incident to get on his nerves just as the rest of humanity would do.

It was a night that had been advertised widely. Houdini had been challenged to free himself from a packing case that had been constructed with great care. After he had placed himself in it a group of husky young men, whose regular job was nailing-up packing cases, nailed the top on with almost unlimited number of nails and then bound it with yards of rope.

How could any man extricate himself in a reasonably short space of time? In fact, how could any man remain in such a contrivance and breathe? Well, Houdini didn't take more than 15 minutes to get out of it as I remember. Maybe it was less time. It was only one of a number of marvelous stunts which he seemed to find so easy of accomplishment.

There was a great applause after he had finished. The audience applauded and cheered. Houdini bowed again and again and then hurried to his dressing room. It happened that I had been assigned to interview him. He was cordial enough but excused himself for a moment, saying, "Do you know what troubled me more than anything else during my act—I thought it would drive me crazy. I couldn't think of anything else while I was getting out of that box." Of course, I had no idea and said so. "Well," said he, "my collar-button has been pressing against my neck—the stitch is too tight in the neck. I should like to lay my personal views before the readers of this column."

Naturally the matter of a collar-button seemed to me trifling indeed. "Is that all that bothered you?" I asked. "Certainly," he replied, "what else could there be?"

I am one of those who believe that Houdini's successful attacks upon fraudulent mediums was more than a box-office proposition. From my own observations I am convinced that he was actuated by a whole-hearted desire to keep weak persons from being swindled. It took courage to do what he did. Anybody can make assertions but it is quite another story to be able to back them up, but Houdini did it and did it easily.

One of the things Houdini always said was that he would no sooner be in his grave than alleged spiritualists, who opposed him, would pretend to have received messages purporting to come from him, in which he would say the dead may communicate with the living. Already that has happened and his prophecies have been borne out.

His highest ambition, or at least one of his many high ambitions, was to perform everything that mediums were able to do. His desire was to prove they had no supernatural power. He contended it was all based on the philosophy, "the quickness of the hand deceives the eye" and he came pretty near proving his case.

Houdini enjoyed talking of his books. One of his delights was discussing the contents of his library. He boasted of the number of its volumes, any one of which would appeal to the most erudite. He led an exemplary life, spurned the use of intoxicants and tobacco and exercised daily to keep himself physically fit.

It was not exactly a tearful mood, but rather a reminiscent one, that seized me when I read the figures put out by the United States Department of Commerce, which showed how great has been the falling off in the manufacture of buggies and sleighs. I may say I was surprised to find that the makers of these horse-drawn vehicles were still turning out this product. In 1925 there was a decrease of more than 35,000 since 1923, the 1925 total amounting to 14,789.

I may say I felt rather pleased to think that at least 14,789 people still had faith in old Dobbin. As a boy I got more thrills out of riding alongside the family doctor who generously invited me to accompany him. I may say that I longed then to be a physician, but as that ambition was not fulfilled there isn't anything to be said about it. Still, I wonder if it was that part of a doctor's life that called for much buggy-riding that really appealed to me.

As I looked back upon the summer vacations on the farm, which I managed to bring about every year, the pleasure of riding over the country roads was one of the most alluring offered. The farmer, being a just man, would not allow his horse to be taken out for anything but reasonable service. That is, if the horses had performed some heavy work he felt they were entitled to a rest. Therefore, he wouldn't hitch any one of them into a buggy at the end of a day's toil merely to provide diversion for humans. I used to watch the horses during the day and hope they wouldn't be all tired out in the afternoon, or weren't to be used on farm work at all. On such occasions I got a chance to jog over the roads and see the country.

Not long ago I made a special trip through a stretch of country I remembered for its delightful buggy-rides of years gone by. The journey by automobile was not as interesting, in fact it was almost disappointing. I seemed to miss "Chubby," the chunky little chestnut mare of which I was very fond, and—well, I was sorry I wasn't a boy again.

George Gildart of Highland Place, Roxbury, was fined \$25 in court on Monday for driving without his license. A charge against him of violating a traffic ordinance, was placed on file.

Julius Kashalena of Needham was fined \$50 on Monday for driving after his license had been revoked.

Fred Carney of Leicestershire was in court Saturday charged with speeding. Fred paid \$10.

## NEWS FROM THE COLLEGES

By Harold P. Carver, N. H. S. '26

Centred in the broad state of Pennsylvania are two colleges whose eminences on the athletic fields have caused them to be regarded as rivals in all matters pertaining to college activities. Rivals, too, in size and importance.

First of all is Lafayette College, situated on the uplands near Easton. This institution has taken a keen interest in swimming, and as a result has one of the best equipped pools in the country. It is here that the majority of the school boys meet in that vicinity are held, and as a usual thing The Middle Atlantic States Inter-collegiates are staged in this tank. In an academic way her French department is unrivaled among the smaller colleges, and her military training system ranks well up in the list of College Reserve Officer Training Corps. Robert Patterson, who left Newton in 1924, is now entered upon his second year at the Pennsylvanian college. If anyone has had a desire for higher education it is he, for in order to be able to attend the university he spent the whole year of 1925 at work and is even now working his way through Lafayette. He was a noted swimmer on the Newton teams of 1923 and 1924, his specialty being the back-stroke, in which event he was the best man that the High School has boasted of for some time. In the same year he was a member of the championship "Y" team that bested the crack teams of New England. Academically, he held membership in the French club during his years at Newton. At Lafayette he succeeded in setting a precedent by making the Varsity swimming team his freshman year. Excelling as usual in the back-stroke races, he is in a fair position to be the champion in this event in the Middle Atlantic Inter-collegiates.

Near-by in Bethlehem the other college spreads itself to view, which in this case is Lehigh University. It is chiefly celebrated for its excellence in the mathematical sciences, making a keen research into all numerical phases until now it is nearly on a par with Princeton and Amherst. Here there are two Newton boys, fraternity brothers, who are enrolled in the Lehigh chapter of Delta Upsilon. Charles Barba, now a junior at the university, had a splendid record while studying at Newton. He held a position on the Forum, and likewise on its governing body, the English Club, during his senior year. In the same line he was one of the chief workers on the Newtonite when it was in its infancy, covering the sporting end of the paper. In athletics he shone, for he was one of the fine group of hurdlers that Newton had in the years '23 and '24. Upon arriving at Lehigh, he continued his good work, so much so that at the end of his first year he was awarded the silver cup, an emblem with the meaning that he was the most promising member of his class. This unusual honor was bestowed upon him for his ability in sports, and also because of the proofs of worth and progress, together with his personality, that he had shown on the campus throughout his freshman term. Unfortunately through illness his college course has been broken up into scattering periods, but now he is again fit and once more is a leader in student activities. Besides campus affairs, he is interested in Cross-Country, being the best runner in college, and this year's captain of the harriers. Accompanying him in his year at Lehigh is Chester Pratt, one of the most popular boys in last year's graduating class. He was a varsity tackle for his last two seasons, and a fine defensive player. At the university he is continuing his progress on the gridiron, alternating between the line and the backfield on Percy Wendell's freshman team. Easily the best punter on the squad, if not in the entire college, he has been averaging around fifty to sixty yards consistently. In track he was the crack weight man in his senior year of the Orange and Black. In order to further strengthen the squad he was used as a high hurdler, and soon became proficient at the art of skimming the high barriers. He was a class officer during his final year, being the chief reason that the social events of the calendar year went off as well as they did. At the election of the Hi-Y he was selected as secretary, holding that position through out the past term. This year he already has received honors from the hands of his classmates since he was elected, within the last month, to the office of class treasurer, a great credit to a man just entering from a high school.

Down in the Jungle, under the shadows of Nassau Hall, in Princeton, New Jersey, is a Newton man who this year entered the Tiger's cave. Warren S. Adams, more commonly known as Babe, held a unique position in the athletic squads at Newton. Too light for varsity combat from his freshman term, he made himself of great value to the team by his attention to details. He was a strategist of high rank, remarkably clever at sizing up plays, and picking out their weaknesses. In the course of time, he became a help to all the men who were anxious to learn and use such information concerning the mental side of the game of football. When in his last year he won his letter, the squad certainly owed him many thanks for his untiring work throughout his five seasons. There should be more like him. He was elected manager of Indoor Track in 1926, and arranged for an exceptionally fine schedule. In the spring when baseball had the floor, he performed the same functions for that squad as he had for the gridiron men. Not only was he gifted in athletics, but scholastically he held very high standards. On the Honor Roll for all of his four years at the school, and upon graduating he was awarded the annual prize for the best student in American history.

## REGISTRATION OF VOTERS

An opportunity to register as voters will be given from November 15 to November 24th at the City Clerk's office, City Hall, during office hours except on November 24th, when registration will cease at 10 P.M.

## When Entertaining Guests

Winter hospitalities are in full swing. Everyone is planning for some sort of festivity, and Thanksgiving time is certain to find your home the center of a merry throng.

Only a woman knows—and dreads—the appraising eyes of a feminine guest.

The cloth—no matter how fine—must be perfectly laundered, if it is to be a fitting background for the gleaming glass and silver.

The napkins must be folded "just so".

The towels must hang in precise order from their shining rods, with their monograms for all to see.

The bed linen must be smooth and white, with a fragrance to woo the tired guest to slumber.

MAY WE HELP YOU

MAKE READY?

The woman who entrusts her guest linens to us has no apprehensions. She knows that they will look exactly as she wants them, and she also knows that this saving of her time and effort gives her the chance to dispense hospitality with real pleasure.

## WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

## STATE FEDERATION

RADIO. Are the Clubwomen keeping in mind the Wednesday morning broadcasts on topics of interest to the State Federation of Women's Clubs and their allied Clubs? They are worth watching!

Mrs. Walter McNab Miller of the General Federation, who is to be in Boston for the lectures in preventive medicine sponsored by the Department of Public Health, is to be a speaker at the Presidents Conference in Dorchester November 16th, and she will also broadcast from Station W. N. A. C. the morning of November 17th.

LEGISLATIVE CONFERENCE. The New Century Club of Needham is hostess for the Legislative Conference of the 12th District for Thursday, November 18th. Clubwomen of the 5th District are also invited. Mrs. Harry M. Lyman, president, will greet her guests at 2 P. M. in the Needham Theatre. Response will be made by the District Director, Mrs. Joseph Congdon, after which the meeting will be turned over to Mrs. John H. Kimball, State Chairman of Legislation, who will present speakers on various legislative topics of interest to Clubwomen, as citizens. At 3:45 tea will be served, and a social hour enjoyed. Mrs. Arthur W. Potter and Mrs. Frederick Glazier Smith will be guests of honor. Hon. Samuel H. Wragg, Senator in Norfolk County will speak, and Mr. David Murdock, manager of the fine new theatre which is given to entertaining the Federation, will add his word of welcome, as well as provide entertainment on the organ of the theatre, with his organist playing. Mr. Murdock has given up the theatre matinee of that day for his guests. The afternoon promises to be a most enjoyable one for the fine hospitality proffered, and all Clubwomen who can should avail themselves of the various "treats" in store from generous hosts.

CHILDREN'S BOOK WEEK. This week—November 7-13—has been Book Week, under the name of National Education Week, and programs have been arranged of value in the book world for children. An exhibit at our own Library has been well worth viewing and studying, but the suggestions are not just for this one week, and may serve as aids and guides throughout the year, as the State Federation Literature Chairman, Mrs. Philip Henry Tirrell, wisely says.

"Remember this work is not just for one short week but to be a beginning for the rest of the season.

"Interest your clubs and committees in the following prizes:—

"1. The General Federation is offering prizes of \$50 and \$25 for the best and second best practical plan for year-round promotion of children's reading, adopted by a federated club. The time limit is December first for submitting your plan. Your chairman will give you further details.

"2. Another prize offered by the Literature Division of the General Federation is in honor of Katherine Lee Bates, author of 'America the Beautiful.' This is a prize of \$25 for the best poem of not less than 12 or more than 40 lines. Manuscripts must be typewritten, containing name, address and cloth of author and sent to your state chairman by February first.

"3. Scribner's Magazine is generally offering cash prizes to the sum of \$1,000; the plan and story of the contest is outlined in the October issue of that magazine. All committees should be interested to submit a list and we should feel very proud to have our state win these offers."

And these few personal notes will give cause for satisfaction to our Clubwomen. The newest honor to come to Massachusetts is the appointment of Alice Gwendoline Albee as Chairman of the Northeastern Division, Department of Press and Publicity, General Federation of Women's Clubs. This honor is indeed well deserved by Miss Albee, who has received great credit upon her state, as Chairman of the Journalism Courses.

Miss Carolyn Peck, of Wellesley Hills, Chairman of Publicity of the 12th District, has likewise been honored—by the Executive Board of the State Federation, who so appreciated her splendid service for the past three years that they could not let her retire at the expiration of the time limit, but appointed her Vice-Chairman of the State Publicity, to aid Miss Albee. So once in a while, in spite of Miss Titus' statement that press chairman are rewarded only in heaven, made to the laughter of delegates at a State Annual meeting—due appreciation is shown! We are overjoyed for these two delightful, able women!

And Newton comes in for the third pleasurable notice—Mrs. Harry A. Burnham of Newtonville, Chairman of the Home-Making Division of the American Home, General Federation of Women's Clubs, addressed the annual meeting of the Michigan State Federation of Women's Clubs, October 20th, at Ann Arbor on "The Three R's of homemaking." So our women of ability go far afield, spreading their glad tidings, and bringing reflected glory upon their home city.

A signal honor has come to Mrs. Emily D. Leighton of Everett, an honored pioneer of Massachusetts, when she was recently appointed official historian of the Massachusetts State Federation of Women's Clubs, at a meeting of the Executive Board of the Federation.

Just by way of showing the Clubwomen just how "peppy"—although our statement needs no proof, and has not been challenged—and efficient a person is Miss Albee, we quote her latest call to them:

"The Department of Press and Publicity will award three prizes this year to three Clubs, any member of which writes the best news story of some special activity of the Club this year. We want news stories, not accounts of routine meetings. Write of some unique or interesting work your Club is doing this year and put all you have to say in 1600 words or less.

The time limit for the stories is to be April 1, 1927—the judges the members of the Press Department. The prizes will be \$10 for the first and \$5 each for the second and third prizes. Announcement of the prizes will be made at the annual meeting, 1927.

"No one but a Federated Club woman is eligible and even she may not enter the contest if she is in the employ of any newspaper at the time of the contest. It will not be necessary to have the news story first printed in a newspaper.

"If there are any questions to ask about the contest, write the State Press Chairman. She will gladly answer all questions, and be sure you have a copy of the Course in Journalism. Three cents postage is all that is needed in Massachusetts to procure one, applications made to the chairman of the department.

"Now then, Club members, here is the chance to tell us what your Club

is doing that's unusual—and win a prize. Go to it!"

## NEWTON FEDERATION OF WOMEN'S CLUBS

Another date to be marked against forgetfulness or other engagements, in which event there would be regrets, is that of November 16th, under the auspices of the Legislative Committee of the Newton Federation of Women's Clubs. At this open meeting there will be given opportunity to hear Hon. Edith Nourse Rogers, Congresswoman, on "Side Lights on Legislation in Washington," and Mrs. F. Lothrop Ames, N. E. chairman of Legislation for the National Civic Federation, on "Side Lights on Legislation in Boston."

## CLUB PHILANTHROPIES

ATTENTION OF PHILANTHROPIC COMMITTEES. Clubs are always glad to know of ways to add to the funds that mean so much to them in their various philanthropies, and one such worthwhile method has come to the attention of your editor and she passes it on to you for consideration. We all have heard of the "wonderful" Leginska. She is now trying to incorporate for Boston an orchestra that will fill the musical needs of all people. Two concerts by the Philharmonic Orchestra have already taken place, and over 5,000 people went to each of them, in spite of the pouring rain. That in itself is proof sufficient that the excellent programs of classical music have made their appeal. Ethel Leginska now offers to all Clubs who will aid in making her Orchestra a permanent feature an opportunity to add to their own funds, so giving pleasure to those who attend the concerts and pleasure to Philanthropic Committees in seeing this attendance increase their own moneys. Tickets purchased by Club members before the concerts, at \$1.50, will give the best seats in the house, and one-third or fifty cents—to the Club through which they are purchased. Such coupons can be obtained from any member of the Woman's Committee of the Boston Philharmonic Orchestra, which for Newton includes Mrs. Ernest Beaupre, Chairman, whose telephone number is N. N. 1477-M. Mrs. George Gray, Miss Elsa Haines and Mrs. G. T. Winchester. These coupons are exchangeable at the box office, for reserved seats. Tickets, other than with this Club offer, may be obtained at Steinert Hall, 162 Boylston street.

The next concert is for Sunday, November 21st, at 3:15 o'clock, and Club members who wish to attend it and see Ethel Leginska conduct, should see what arrangements they can make through their Philanthropic Committees with Mrs. Beaupre, or the others of the committee. Certainly such a way of adding to Club funds, and at the same time enjoying a splendid concert and aiding it to continue its good work in Boston, is worth consideration.

## RECENT EVENTS

Newton Upper Falls Woman's Club

The Newton Upper Falls Woman's Club had the pleasure of hearing Mrs. Julia Ritter McCormick last Monday evening. Mrs. McCormick has a rich soprano voice, a charming personality, and her "Folk Songs of America" were so enjoyed by all with the description of the origin of each song that they—and she—will long be remembered.

## Monday Club of Newton Highlands

After the business program of the Monday Club last Monday at the home of Mrs. C. T. Bartlett, Mrs. Murt S. Wallace entertained her fellow members by two piano selections: Chopin's "Minute Waltz," and Charmanade's "Scarf Dance." Mrs. C. D. Miller read most charmingly various short selections and verses, as well as the longer story, "The Devil's Drum," written by Barret Willoughby. This story while sad is extremely impressive, and its power is heightened by the fact that the author has spent many years in Alaska under the environment of which she writes. To add, or possibly it would be better to say, to complete the delightful afternoon,

**POLICE NEWS**

Leo Murnaghan, 74 Jefferson street, Newton, was arrested last Friday morning by Patrolman Teegan charged with driving while under the influence of liquor. He will be tried next Monday.

Fred Carney of Leicester was fined \$10 on Saturday for speeding. Last Friday several persons were assessed \$10 each by Judge Bacon for being in too much of a hurry on public highways. The speeders included: Walter Mayer, 70 Pinckney street, Boston; Stuart Williams, 1082 Commonwealth avenue, Boston; Joseph Volin, 65 Stratton street, Dorchester; Placide Geoffron, 47 Colburn street, Waltham; Fred Hawkins, Great Plain avenue, Needham; Fred White, 741 Beacon street, Newton Centre. Joseph Hayes, 64 Prospect avenue, Newtonville, charged with going away without making himself known after an accident in which damage was done to property, will have his case heard December 3.

For several months groceries have been stolen from cars in the freight yards at Newtonville. Railroad detectives endeavored without success to catch the thieves. The Newton police were called in on the case and within a day or two Officer Charles Feely had pinned the thefts onto seven boys residing on Crafts, Emerald, Adams and Washington streets. The gang, whose ages ran from 12 to 14, were in court last Friday. Six of them were placed on probation. Daniel Gentile, 14, of 24 Emerald street, who had a previous record, was sent to the Lyman School.

**CONCERT**

The Newton Centre Neighborhood Club has arranged a concert of unusual interest to be given for the benefit of their annual scholarship fund at the Newton Centre Woman's Club on Wednesday evening, November 17th. The artists will be: Jesus Maria Sanroma—Pianist of the Boston Symphony Orchestra. Mr. Sanroma has become well known, appearing as soloist with the Boston Musical Association, at the Flute Players' Club with the People's Symphony Orchestra, as well as with the Boston Symphony Orchestra. At these occasions as well as on an extensive concert tour, he has created a most favorable impression.

Allan Farnham—a young violinist of great promise, who is rapidly making an enviable name for himself. He was educated in this country and in France, and has become well known in Boston and recently appearing at the Boston Art Club, Harvard Musical Association, and with the Newton Glee Club. Also as soloist with the People's Symphony Orchestra and at Jordan Hall, where he won notable success at his debut early in 1926. In the contest of the Federation of Music Clubs throughout the United States, Mr. Farnham won both the Massachusetts prize and the New England prize. In addition to the above, his many press notices have been most flattering.

**RECEPTION TO MISS LEGINSKA**

An informal reception was held at the home of Mr. and Mrs. William Haines, 52 Maple street, Newton, on Sunday evening, Nov. 7th, to meet Miss Ethel Leginska, conductor of the newly formed Boston Philharmonic Orchestra. During the evening, Miss Leginska spoke of the aims and ambitions of the orchestra.

Mrs. George Gray of Brookline added to the success of the evening by the rendering of several well chosen songs, including one entitled "Despair," by Leginska. The latter acted as her accompanist.

Miss Elsie Haines is a member of the Women's Committee of the Boston Philharmonic Orchestra.

Among those present were the following: Mrs. J. Porter Russell, Mrs. Knight, Mr. and Mrs. Edward H. Keach, Mrs. S. J. Coolidge, Mrs. Grace A. Cormerais, Mr. and Mrs. G. T. Winchester, Mrs. Nathan Harrison, Mrs. Ernest Beaufort, Mr. and Mrs. F. S. Broadhurst, Mrs. James Heggie and Mr. Heggie, Jr., the misses E. D. Coolidge, Preble, and Broughton, and several students from Technology including Messrs. F. H. Crooks, A. F. Underwood and William Boynton.

**CONGRESSWOMAN COMING**

Hon. Edith Nourse Rogers, Congresswoman from the Firth Massachusetts District, will speak on "Side Lights on Legislation in Washington" and Mrs. F. Lothrop Ames will speak on "Side Lights on Legislation in Boston" at the Underwood School Hall, Vernon street, opposite Farlow Park, on the evening of Nov. 16 at 8:15. This is an open meeting planned for this time to give all the men of Newton, as well as professional and business women, an opportunity to hear two of our outstanding women of today.

The meeting is open to all, and it is hoped that a capacity house will greet our speakers.

**CITY OF NEWTON  
CITY CLERK'S OFFICE  
CITY HALL**

November 3rd, 1926.  
NOTICE IS HEREBY GIVEN that the Board of Aldermen will give a public hearing at City Hall on Monday evening, November 15th, at 7:45 o'clock, upon proposed amendment to Section No. 571 of the Ordinances of the City of Newton, viz.:

Section 571. In single residence districts and in private residence districts the set back line shall be twenty-five feet, and in general residence districts the set back line shall be fifteen feet; nothing, however, in this section shall prohibit the erection of a building as near the street as any building then in existence on the same side of the street and in the same district, provided, such proposed building is to be erected between the same two nearest intersecting streets as the existing building, and not more than two hundred and fifty feet distant from such existing building. For the purposes of this section the distance to the street or to another building shall be measured from the nearest point of the building, not including steps.

Attest:  
FRANK M. GRANT, City Clerk.

—Advertisement.

**PERSONALITY OF DR. CLAUSEN**

Newton is to be visited Friday, Nov. 19, by one of the best known Baptist clergymen in the country when Dr. Bernard C. Clausen of Syracuse, N.Y., will address the first public meeting of the Newton Churchmen's Union in Eliot church at 8 P.M.

The Revue is a Newton product, with Mr. Rupert C. Thompson of Newton Centre acting as its chairman for the Hospital. Mr. C. Hassler Capron, of Newton Centre, is the originator and producer of the entire production.

The words and music have been written by Louis V. Hauffer, a Newton Centre man and Lewis A. Harlow. The cover designs for the music and program are by Miss Louise Stuart, also of Newton Centre, one of Boston's well-known commercial artists. Hazel Sands Welch of Newton Centre, is the originator and director of all the dances. Costumes for two numbers were designed by Mrs. Phil M. Riley of Newtonville.

The principals will include Mr. Don Howard of Cambridge, tenor soloist; Mr. Richardson Brown of Auburndale, baritone soloist; Mr. and Mrs. Douglas B. Francis of Newton Centre, Miss Sylvia Riley of Newtonville, solo dancer, and Mr. and Mrs. Ralph E. Stuart of Newton Centre, who have earned an almost professional reputation by their clever acting and will do a one-act play written by Helen Willard Howard, president of the Professional Woman's Club of Boston, as well as playing the lead in several other numbers.

The cast will be representative girls and men from all Newton, including: Newton, Mary Scofield, Ruth Pearson and Edith Pearson; Newtonville, Muriel Bassett, Ellen Chase, Francesca Barker, Betty Richardson, Katherine Whittaker, Lucy Allen, Marion Trowbridge and Jean Blair, George Ames, Jr., Henry W. Bates, Jr., Oliver H. Durrell and Edward J. Herlihy; West Newton, Cleone Place, Agnes Hartridge, Margaret Blunt, Henry H. Battington, Roland O'Donnell and Harold Martinson; Auburndale, Dorothy Estabrook, Barbara Hansen and Lorraine Holmes; Newton Upper Falls, Frances Warren, Leona Bennett and Adelyn Vara; Newton Highlands, Ellen R. Newton, Mildred MacDonald, Frances Frolich, Donald K. Tarbell and Payson T. Lowell, Jr.; Chestnut Hill, Nancy Richmond, Dorothea Tichnor and Gwendolyn Scudder; Newton Centre, Penelope Ridgeway, Mildred McKey, Elinore Young, Evelyn Lovejoy, Helen Stuart, Louise B. Hoagland, E. Stratton and George L. Brush, Jr.

Miss Mary Clark, Harpist, and Miss Hilda Berthold, Cellist, will play solos between the numbers so that there will be a continuous performance of unusual talent.

**Y. M. C. A.**

The speaker at the Fellowship Club on Monday evening, November 15th, will be Rev. Ray Anderson Eusden, pastor of Eliot Church. His topic will be "Prayer." A large number were out to greet Allan C. Emery at the meeting last week. He gave a very inspiring talk on, "Christian Fellowship."

The Week of Prayer for young men throughout the World begins Sunday, November 14th. Dr. S. Parks Cadman has suggested the following topics for meditation and prayer during the week:

Sunday, November 14th—Consider Jesus: His Sureness of God.

Monday, November 15th—Consider Jesus: His Captivating Character.

Tuesday, November 16th—Consider Jesus: His Controlling Power.

Wednesday, November 17: Consider Jesus: His Direct Summons.

Thursday, November 18th—Consider Jesus: His Dynamic Energy.

Friday, November 19th—Consider Jesus: His Assuring Guidance.

Saturday, November 20th—Consider Jesus: His Confident Expectation.

Anyone interested in securing a copy of Dr. Cadman's meditations may just telephone the Y. M. C. A., and one will be sent to you.

The Public Speaking Class which meets on Wednesday evening, is still open to anyone who would like to be able to express their ideas with ease and effectiveness. Sometimes you may be called upon to make a public speech and you will want to do your self justice.

**NEW PARISH AT BOSTON COLLEGE**

The chapel at Boston College will serve as the church for a new parish as a result of an order from Cardinal O'Connell. The parish will include parts of the present parishes of the churches of St. Columbkille, Brighton, St. Lawrence, Chestnut Hill, St. Mary, Brookline, St. Aidan, Brookline, and Sacred Heart, Newton Centre. It will be under the charge of the Jesuits at St. Ignatius Church. That part of the Sacred Heart parish transferred will include the territory bounded by the Cochituate aqueduct, Ward street, Hobson road, the Boston & Albany railroad tracks, and Beacon street.

This accident emphasizes the need of enforcing the law regarding headlights on automobiles. A large percentage of automobiles carry headlights out of focus. Such lights prevent drivers on cars approaching from an opposite direction from being able to see the road in front. As a result many fatal accidents occur. Registrar of Motor Vehicles Goodwin says, "that he has not enough assistants to enforce the headlight law." In other cities, including Boston, the police at regular intervals stop cars on the road and test the lights. Owners of cars with improperly focussed lights are warned, and punished if they do not heed the warning. Newton should follow the example of other cities and have its police warn those who drive cars with lights out of proper focus.

**CITY HALL NOTES**

At their last meeting the aldermen made these appropriations: Accounting Department, office expenses, \$150, laborers' pensions, \$441; Playground Department, clerk hire \$145, work on Newton Highlands playground, \$1000; Street Department, construction and grading work at Crafts street yard, \$1595; Fire Department, office expenses \$150, register for fire alarm headquarters, \$2100; Health Department, office expenses, \$228.90.

The contract for re-shingling the roof of the Adams School, to repair the damage caused by the recent fire, has been let to Frank E. Metcalf of Newtonville for \$775.

Building Commissioner Chadwick has appointed Bernard Coughlin of Waltham as Plumbing Inspector at a salary of \$2500 a year.

**RAINBOW REVUE**

The Rainbow Revue, given for the benefit of the Newton Hospital, on November 26th and 27th, will be a most unusual amateur production. The performance will be held in the splendid auditorium of the new Newton High School building, on Walnut street, Newtonville.

The Revue is a Newton product, with Mr. Rupert C. Thompson of Newton Centre acting as its chairman for the Hospital. Mr. C. Hassler Capron, of Newton Centre, is the originator and producer of the entire production. The words and music have been written by Louis V. Hauffer, a Newton Centre man and Lewis A. Harlow. The cover designs for the music and program are by Miss Louise Stuart, also of Newton Centre, one of Boston's well-known commercial artists. Hazel Sands Welch of Newton Centre, is the originator and director of all the dances. Costumes for two numbers were designed by Mrs. Phil M. Riley of Newtonville.

The principals will include Mr. Don Howard of Cambridge, tenor soloist; Mr. Richardson Brown of Auburndale, baritone soloist; Mr. and Mrs. Douglas B. Francis of Newton Centre, Miss Sylvia Riley of Newtonville, solo dancer, and Mr. and Mrs. Ralph E. Stuart of Newton Centre, who have earned an almost professional reputation by their clever acting and will do a one-act play written by Helen Willard

**EDITORIALS**

With the city election only a few weeks away we suggest that the taxpayers give the matter of candidates for aldermen a little consideration. Your tax bill for next year may be determined by your choice of members of the city government. With a mayor holding over, there is apt to be scant consideration of the aldermanic ticket and most voters in Newton are in the "Let George Do It" class.

Governor Fuller and the Commonwealth are extremely fortunate in securing the services of Mr. Frank B. Cummings of this city as director of the division of animal industry. It is not every day that men of Mr. Cummings' ability and experience are willing to sacrifice their personal interests for the good of the state.

The positive statement by Congressman Luce that the Volstead act would not be amended or modified at the coming session of Congress ought to make some of our Eastern "Wets" a bit thoughtful and possibly regretful for their recent vote for Senator Walsh.

The regrettable affair at Technology last week indicates that rowdiness is not confined to the so called "lower classes."

**POLICE NEWS**

In court Wednesday Charles Maddox of 565 Heath street, Brookline, was fined \$50 for driving after his license had been revoked, sentenced to one month in the House of Correction for driving while under the influence of liquor, and given a suspended sentence of 15 days in the House of Correction for being drunk.

In court yesterday Luigi Coletti, 18 Murphy Court, was fined \$10 for drunkenness and \$150 for driving while under the influence of liquor. He appealed. Another "wutiol" driver was fined \$100 yesterday. Thomas Withdraw of 29 Cherry street, Waltham, accepted the penalty.

Lawrence Bragen, 223 Webster St., West Newton, was arrested at 12:42 A. M. yesterday by Serg. Mahoney and Officer Turner, charged with driving "wutiol". He will be tried November 18.

**NEWTON HOSPITAL**

Week ending, November 6. Patients in hospital, 135; patients paying as much as cost of care or more, 61; patients paying less than cost of care, 36; free patients, including babies, 38; patients treated by out patient department, 124; patients treated at eye clinic, 10; accident cases, 7; babies born, girls, 5; boys, 12; social service calls at hospital 12, at homes 9; patients transferred in social service car 9.

As the figures show the hospital is busier than usual at this season of the year, and yet the increased demands upon it are not because of unusual conditions but are due to the increase in the population of the city. One of the doctors who is a good deal at the hospital says, he always knows when there is a rush on at Founders, because when there is the record keepers are at work in the halls, instead of in the record rooms. One night at the beginning of the week, there was room for just one more in Founders.

In numbers of babies born October, with 28 girls and 33 boys, broke all hospital records. October, was notable also for the fact that there were at one time in Founders, three sets of twins.

Several friends of the hospital have sent to it old linen and old cotton, but there is need for still more and any having old white cloths to spare are asked to send them in.

The library at the Nurses' Home, has had added to it recently a set of the Universal Encyclopedia, the gift of a friend.

At the meeting of the Newton Cancer Committee at the hospital, Dr. George H. Bigelow, the state health commissioner, outlined the program of the state in its campaign against the disease and Dr. Mary Lakeman told of the work she is doing to interest the public in the matter and to prepare the public on the hopeful side.

According to Dr. Bigelow, experts are agreed that the state should be active in preventive work and educate the public in the matter much as it was educated in the fight against tuberculosis.

Study of cancer is an important part of the work to be done and it is planned to establish six or seven state clinics in different parts of the state to make possible diagnosis and radium and x-ray treatments.

Dr. Curtis stated that the Newton committee has completed a form to be filled out by doctors in reporting cases. Dr. West stated that the plans for the Newton clinic are not complete. At present the hospital has no facilities for the radium or x-ray treatment of cancer. As soon as plans are decided upon the public will be informed of the times at which the clinics will be held.

Dr. George W. Holmes of the Massachusetts General Hospital, and also a member of the Newton Medical Club, talked to the club on Monday night on "Bone Tumors."

Miss Ruth Emery with a group of children from the Woodland Park School, visited the hospital, recently bringing gifts of fruits and toys to the patients in the children's ward.

In the group of visitors were, Priscilla Winslow, Marion Knight, Adelaide Greene, Jean Knight, Wilda Mottley and Marjory.

Some thirty of the students at the training school, who are studying about medicines, paid a visit to the laboratories of the E. L. Patch Drug Company, to see just how some of the medicines are prepared.

**Newton Upper Falls**

—Miss Marie DeMichele of Elliott street is ill with appendicitis at the Newton Hospital.

—At the Sunday service of the M. E. Church Prof. Strickland of Boston University will preach.

—Window shades and storm windows. Weston Brothers, 16 Centre Place, Tel. N. N. 4167. Advertisement.

—The Upper Falls Town Team will hold their annual dance at Foresters Hall on Friday evening, November 19.

—Mrs. Sloane, who is in charge of the children's books in the Newton Library, gave an interesting talk to mothers and teachers in the branch library last Tuesday afternoon.

—This is Father and Son week at the Methodist Church. A very good entertainment was held at the Parish Hall last Wednesday evening. Wilson, the magician, formerly of Keith's Circuit, mystified his audience with different tricks.

### Central Church NEWTONVILLE

9:45 A. M. Regular departments of the Church School.

11 A. M. Dr. Ellis will preach.

### Newtonville

Next Sunday will be Father and Son Sunday at Central Church.

—Herbert Newbrook of 330 Linwood avenue left Tuesday for Florida.

—The Women's League of the New Church will hold a fall sales day next Thursday in the parish house.

—The annual harvest festival and barn dance of the New Church will take place next Friday evening.

—Mrs. Edward P. Hatch, Miss Frances Hatch, and Mrs. William R. Tower have returned from a trip abroad.

—The Barnacles will meet next Tuesday night at the home of Mr. Philip W. Carter in West Newton.

—Miss Gertrude Lane, who has been visiting Mr. and Mrs. Harry Cabot of Watertown street returned on Tuesday to her home in New York.

—Call H. A. McDonnell, 6 Highland terrace, Newtonville, (Newton North 4674) for anything in the carpenter line. —Advertisement.

—The Ladies Aid of the Universalist Church will hold a Food Sale in the Parish house, Saturday afternoon, November 20, from 2 until 4. Thanks-giving specialties will be served.

—Mr. Herbert Newbrook, proprietor of the Delicatessen and Food Shop, at 245 Walnut street, Newtonville, left Tuesday for Florida to be gone probably for the winter. The business is being carried on by his wife, Mrs. Newbrook, and her niece, Miss Grant both of whom are experienced in this line, having conducted stores in New York, Auburndale, and Waltham for discriminating customers.

—Mrs. T. H. Piser and daughter Beatrice, went to New London this week to see Mrs. Piser's daughter Hilda, who is a freshman at Connecticut College.

—Mrs. Bailey, who was recently operated upon, has recovered and returned to her home in Dedham. Mrs. Bailey was formerly Miss Marjorie Harlow of Waban.

—Mrs. Esmond Rice heads the group of women who are arranging a "Pops" Bridge, which is to be held in the Neighborhood Club House next Tuesday evening, Nov. 16.

—Mrs. Charles W. Brooks entertained the members of the Paulette Caron Club at Bridge last Friday.

—Mr. James E. Hewins was the hostess of that club on Monday of this week.

—Mr. and Mrs. D. M. Hill of Pine Ridge road went to Philadelphia over the last week end to attend the launching of the "Yarmouth," a fine new boat which is to be operated by the Eastern Steamship Company.

—The Women's Association of the Union Church held its regular monthly meeting at the parish house of the Church of the Good Shepherd on Wednesday. Sewing for the Welfare Bureau was in charge of Mrs. C. A. St. Lawrence, Mrs. Charles Bailey, Miss Dorothy White, Miss Dorothea Palmer, Miss Esther Cook and Miss Margaret Hatch.

—The friends of Mrs. Fred E. Mann, formerly of Harvard street, Newtonville, will be interested and not at all surprised to learn of her activity in promoting the Civic Theatre movement which has been started in Coral Gables, Florida. Under her supervision a very successful one act play has been given, "Pierrot in Paris." The Coral Gables group is working in conjunction with the Miami group, and both are to have the use of the work shop and stage at Miami University. Mrs. Ruth Bryan Owen, daughter of the late William Jennings Bryan, is the chairman of this Civic Theatre Movement and Mrs. Mann is vice-chairman. Mrs. Mann is also chairman of Dramatics in the Woman's Club of Coral Gables. This enterprising and social city of the Southland is to be congratulated on being able to count on such efficient

—The Federation of Ladies' Societies of The Newton Centre Churches held their annual meeting at the Unitarian Church. Rev. George Parker was the speaker, his subject being Modern Poetry.

—"Where East Meets West," will be the subject of an address in Trinity Church, Sunday evening, at 7:15, by Professor Osbert W. Warmington of Boston University, who is a native of India, his father being an Englishman and his mother a Hindu lady; and who speaks with authority on the religious thought of the East and West.

—Mr. F. L. Richardson, Chairman of the Executive Com. of the Unitarian Church, has been elected Treasurer of the Unitarian Sunday School Society of which Rev. G. L. Parker is the President. This Society is a National organization representing all the Sunday Schools of the denomination. Its autumn meeting will be held in Plainfield, N. J., on November 17, at which Mr. Parker will preside.

—Mr. Oliver B. Roberts, who died Tuesday at the home of his brother, Stephen H. Roberts, on West Newton road was 57 years of age. He was graduated from Harvard in the class of 1890, and after graduation he taught in the Melrose high school for a time, then at a private school at Sykesville, Md., and still later at the Allen School in West Newton. For the last five years he had lived in Southborough. Funeral services were held this noon.

—An all day meeting of the Boston Auxiliary of the American McCall Association was held Wednesday in the Baptist Church.

—Prot. Mather will speak on "The Effectiveness of Prayer in a Scientific World" at the meeting of the Mather Class next Sunday morning.

—"What are you worth?" Dr. Clausen's lecture for men and women, Eliot Church, Friday evening, Nov. 19, 8 o'clock. Tickets 50 cents. —Advertisement.

—"Tynedale," at drama by Parker Hord will be given in the Baptist Church next Tuesday evening by students of the Newton Theological Institution.

—Rev. Chester A. Drummond, pastor of Channing Church, was the speaker last Sunday evening at the meeting of the Hale Union of the Unitarian church.

—On Friday evening the Girl Scouts gave a costume party for the Boy Scouts in the Unitarian parish house.

The boys were dressed as farmers and the girls as farmer's wives.

—Rev. George Lawrence Parker of the Unitarian Church will be in Plainfield, N. J., next week attending the autumn meeting of the Sunday School Society of which he is president.

—The Matheson Club will hold a Social Evening and Dance in the Unitarian Parish House tonight. The Hale Union will attend the Middlesex Federation Meeting to be held in Lexington next Sunday, November 14, at 5:00 P. M.

—The First Church inaugurates a novel plan next Sunday evening with the first of a series of Young Peoples' Pleasant Sunday evenings. The program includes games, stunts, singing bee, and an address by Dr. O. W. Warmingham.

—Remember the modern seven room single house with tile bath and separate shower, also garage situated at 66 Commonwealth Park, Newton Centre, will be sold at Public Auction on Tuesday, November 16 at four P. M.

Owner is selling on account of a death in the family and is willing to sacrifice. Someone will get a real bargain. John T. Burns, Auctioneer.

### Waban

## SCHOOL NOTES

### Angier School

The 7th grade soccer team won in a game with the Bigelow girls. Score was 1-0.

This month there were 465 pupils weighed. Of these 311 were in the "white" group; 136 were in the "blue" group; and only 18 were "red." In six rooms there were no "reds."

Barbara Hall, the Angier School representative in the spelling contest broadcast from W. E. E. I., on November 4th, was one of the last three to remain standing when all the other contestants had failed.

Many of Miss Lincoln's class had perfect attendance last month. Their names are: Margaret Bartram, Richard Berry, James Cahill, Richard Clark, Lois Colby, George Garrison, Richard Gordon, Eleanor Greene, Channing Hall, Penelope Hart, Charles Hudson, Carl Klotz, Robert McCutcheon, John Searle, Ruth Scott, Sarah Shiland, and Potter Trainer.

The Peirce School soccer team defeated Angier 1-0.

The third and fourth grade boys had a good football game last week. The fourth grade won.

Miss Jones' class welcomes her back after a week's absence on account of illness.

Mrs. Foss' room has the assembly this week. Their program has for its subject "Armistice Day."

The eighth grade class have voted to have both class pins and class rings, as there was a division of opinion on the subject. The design is to be the same as that used every year. It was voted to keep to this design in memory of Mr. Angier.

The Peirce School soccer team defeated Angier 1-0.

The third and fourth grade boys had a good football game last week. The fourth grade won.

## WOMEN'S CLUBS

(Continued from Page 4)

refreshments were served during a social hour.

## Newton Centre Woman's Club

The Chairman of the American Home Department, Mrs. J. M. Demmire, presented Mrs. Harry Burnham, of the General Federation, to a half audience of the Newton Centre Women's Club, on the afternoon of November 4th in the Club house.

Mrs. Burnham's subject was "The Three R's of Homemaking," and seldom has it been the privilege of the Club members to listen to so inspiring an address.

The three R's—"Religion, Rhythm, and Risibility"—gave the speaker ample opportunity to give her hearers both spiritual and intellectual food, which make a combination always welcome to a Club audience, for it is an accepted fact that the pleasure of such an audience is in direct proportion to the amount of spiritual food it receives.

Mrs. Burnham gave her lecture to Clubs in all parts of the country, and said that doubtless 95 per cent of her audiences do without maid in the home. However, her sincerity, quiet humor, and good sense appeal just as strongly to the woman who "does" with a maid, as to the fortunate one who knows the luxury of doing her own work.

One earnest looking young Club member and home-maker said to Mrs. Burnham at the close of the program, "This has been the best Club meeting I ever attended." The members as a whole feel that many treats are being offered them, not only on the Club platform, but in the classes and informal committee meetings.

Mrs. Charles Arbuckle, a Club member, gave a delightfully instructive talk in the Art Room, on Monday morning, to an audience that occupied every seat, and the seats numbered forty or more.

At the same time, a class in Parliamentary Law was being conducted in the Caroline Smith room, and preparations for a Bridge Party were going on in the Auditorium.

## COMING EVENTS

## Shakespeare Club

Act III of "Othello" will be the subject of the Quiz by Mrs. S. L. Eaton at the Saturday meeting of the Shakespeare Club. Mrs. F. H. Stratton will entertain the Club members at her home, 15 Glenmore Terrace, on that day, and 13th, as it is, will be indeed an unfortunate one, if members do not come primed to their utmost to answer the questions that so able and clever a lady as Mrs. Eaton can prepare to trap them!

Friday, the 19th, is the date of the BRIDGE, the annual event of the Shakespeare Club which is always looked forward to, and always so enjoyed. Mrs. Stratton is once more hostess on that occasion, and from her, or the other members of the Committee on Arrangements, Mrs. H. W. Drew, and Mrs. W. E. Moore, tickets, single or for a table, may be secured, at the rate of 75 cents a ticket. Prizes, refreshments, hospitality, sociability—all make the afternoon one of thorough enjoyment.

## Newton Community Club

Members of the Newton Community Club and others so fortunate as to be their guests are looking forward to the BRIDGE next Monday—the 15th—to be held in the Hunnewell Club parlors at 2:30 o'clock. This delightful affair is one that marks the social events of the Club year, and is heightened by the thought that while enjoying friendships and an interesting game of cards they are also adding materially to the Philanthropic Fund which allows the Club to do many kindly and worthwhile things for the Community. Arrangements are in charge of the directors: Mrs. James G. Barnes, Mrs. Harry W. Flits, Mrs. Ralph C. Henry, Mrs. James R. Hodder, Mrs. Edgar W. Hodgson, and Mrs. Charles P. Hutchins.

The Classes are going bravely forward, and all interested in the various attractive opportunities have still a last call, if they are quick about it. For APPRECIATION OF MUSIC ask information of Mrs. Peter Turchon, Mrs. Leo E. Davidson, or Mrs. James A. Mayer.

For CHINA PAINTING, call Mrs. Chester C. Smith, N. N. 3458-R. For dates of HIKES, or SWIMMING LESSONS, call Miss Marion Bryant, N. N. 2848-W and Mrs. W. R. Brewster, N. N. 4382-W, respectively.

For BOWLING, call Mrs. Paul Sykes, N. N. 1323-J.

For HEALTH CLASS, call Mrs. Harold Moore, N. N. 0467, who guarantees that what she has to offer will make the feet dependable, make the figure beautifully slender, and dismiss that tired feeling. Can one ask more?

And Miss Margaret S. Ball, chairman of Conservation, is asking if any members are interested in forming a NATURE STUDY CLASS. It would seem as if there could be but one answer—calling forth the entire membership—for surely there is nothing more alluring than to search into the ways of nature, and results are sometimes most surprisingly entertaining and lovely.

Community Service Committee is asking earnestly, hopefully, and with charity at heart, for volunteers for all manner of public services, from clerical to the lending of automobiles, and their request should prove arresting. Respond, therefore, to Mrs. William J. Tyler, 350 Waverley Avenue, Newton.

Tuesday, November 16th, is the date of the next HIKE, and those who wish to participate should be at Newton Square, at the Post Office, in time to take the 1:20 P. M. car for Waltham.

It is now possible to make your windows and doors absolutely tight with this Numetal weather stripping. The saving of coal through the application of these strips is real economy. They are simple to apply and do not require the work of a mechanic. We are prepared to supply from stock with full directions to apply to doors and windows.

Get in touch with us at once and lower your coal bill.

C. H. SPRING COMPANY  
PHONE WELLESLEY 0200  
NEWTON LOWER FALLS

The walk is to be up Prospect Hill to the tower, returning by the same route, and due back at Newton before 5 o'clock.

## Christian Era Study Club

Continuing the "War of American Independence," the members of the Christian Era Study Club will hear about "The Stamp Act and James Otis," to be told them by Mrs. Dean W. Hanscome, and about "The Virginia Assembly and Patrick Henry," by Mrs. Edward Allen, for their next meeting, Nov. 15th, at the home of Mrs. Nathaniel Dike, 113 Hancock St.

It should be a morning of thrilling events, for the courageous doings of these two fiery spirits in the North and South still appeal in admiration and enthusiasm, however far in the past they may be in years.

## Waban Woman's Club

Continuing the "War of American Independence," the members of the Christian Era Study Club will hear about "The Stamp Act and James Otis," to be told them by Mrs. Dean W. Hanscome, and about "The Virginia Assembly and Patrick Henry," by Mrs. Edward Allen, for their next meeting, Nov. 15th, at the home of Mrs. Nathaniel Dike, 113 Hancock St.

It should be a morning of thrilling events, for the courageous doings of these two fiery spirits in the North and South still appeal in admiration and enthusiasm, however far in the past they may be in years.

## Social Service Club

Dr. William H. Workman will give

an illustrated lecture on "Mountain Climbing in the Himalayas," at the meeting of the Social Science Club on Wednesday, November 17th, at 10 o'clock, at the Hunnewell Club. This will be a guest meeting.

## Newton Centre Woman's Club

Continuing their fascinating activities, the Art Committee of the Newton Centre Woman's Club, under the able leadership of Mrs. W. Conrad Appleton, has arranged for several classes. One, a DRAWING CLASS for CHILDREN of Club members, is to be held on Saturdays at 9:30 o'clock, with Mrs. Edith Andrews, Curator at the Children's Art Centre, as the teacher. The FURNITURE PAINTING CLASS, under the direction of Mrs. Ethel T. Caldwell, is proving to be so popular that a second group has been formed, meeting Tuesday afternoons.

On November 18th, at 10:30 A. M.

Dr. D. A. Thom, Director of the State Department of Mental Hygiene, under whose auspices are held Habit Clinics, will lecture on "Mental Health of Childhood."

## Monday Club of Newton Highlands

Monday, November 15th, "The American Indian" will be presented to the members of the Monday Club by Mrs. G. A. Salmon and Mrs. Adra Bonser, at the home of Mrs. George W. Barker, 21 Duncklee street. This guest from a past day should be a most interesting one to "entertain."

## Newton Upper Falls Woman's Club

A Dramatic Reading is the attractive program for the next meeting of the Newton Upper Falls Woman's Club. Monday evening, November 15th, in the Club room at Emerson School, following the business meeting. Club members will have the pleasure of hearing Mr. Arthur Fisher read "Civilian Clothes." To the gratification of non-members it has been arranged that tickets will be furnished to those desirous to attend at 50 cents each. Mr. Fisher is styled a "Master Artist of the Platform," and personates every role in the play with such consummate skill that a dozen or more characters seems to people the stage.

## Monday Club of Newton Highlands

The Monday Club will meet on Tuesday, November 16th, with Mrs. George E. Martin, 86 Hancock street, at 10 A. M. The topic for the day will be "Colorado," and there will be papers on the Rocky Mountains and the Mesa Verde Parks, by Mrs. Harold Dougherty, and on the "Flora and Peaks; Gardens of the Gods," by Mrs. Richard O. Walter. Enjoyment of the charm of these wonderful monuments of nature and the glory of verdure and flower will be crowned by the reading of selections from Enos Mills' "The Spell of the Rockies," by Mrs. Stephen Wright.

## Auburndale Woman's Club

The Auburndale Woman's Club members are to have the pleasure of being entertained by the Juniors at the next meeting, November 18th. The Juniors have decided to present three short plays and great enjoyment is anticipated, for they will act them, and they have also improvised one of them. "The Toy Shop" is the result of their keen wits and appreciation of dramatic possibilities and is sure to prove not only entertaining but to have opportunities that the Juniors will take advantage of. "At the End of the Rainbow" is the second play, and "At the Bathroom Door" the exhilarating title of the third. This last one was the one in which the Prince of Wales played the role of the prima donna on his trip across the ocean recently, with the result that the entire edition of the book was sold out. But the Auburndale Juniors found a way to get hold of a copy, and this unconquered spirit will be an augury of the entire afternoon of the 18th.

## Auburndale Review Club

The Auburndale Review Club will meet on Tuesday, November 16th, with Mrs. George E. Martin, 86 Hancock street, at 10 A. M. The topic for the day will be "Colorado," and there will be papers on the Rocky Mountains and the Mesa Verde Parks, by Mrs. Harold Dougherty, and on the "Flora and Peaks; Gardens of the Gods," by Mrs. Richard O. Walter. Enjoyment of the charm of these wonderful monuments of nature and the glory of verdure and flower will be crowned by the reading of selections from Enos Mills' "The Spell of the Rockies," by Mrs. Stephen Wright.

## Community Service Club of West Newton

The "Story Behind the News" is the mysterious title of the next lecture in the Current Events Course of the West Newton Community Service Club. Mrs. Claude A. Gilson will give this "story" in the Parish House of the Unitarian Church on Friday morning, the 19th at 10:30 o'clock.

## Newton Highlands Woman's Club

The business meeting of the Newton Highlands Woman's Club is to be on Tuesday, an hour earlier than the usual time of meeting, namely 1:30 o'clock, for consideration of two important matters, which, owing to lack of a quorum, were not voted upon at the special meeting of members called on October 26th. The first item will be the revised by-laws, as submitted by Mrs. Albert Mackintosh and her committee, and the other, the offer from Seward W. Jones of a building lot on Columbus street.

The offer has been made to the Art Committee, for a location upon which to build a Club Workshop and if the project is approved by the Club members, the building erected will be used as a meeting place for all committees in all lines of work undertaken; meetings, classes and lectures as well as the place of meeting for the Board of Directors.

The Classes are going bravely forward, and all interested in the various attractive opportunities have still a last call, if they are quick about it. For APPRECIATION OF MUSIC ask information of Mrs. Peter Turchon, Mrs. Leo E. Davidson, or Mrs. James A. Mayer.

For CHINA PAINTING, call Mrs. Chester C. Smith, N. N. 3458-R. For dates of HIKES, or SWIMMING LESSONS, call Miss Marion Bryant, N. N. 2848-W and Mrs. W. R. Brewster, N. N. 4382-W, respectively.

### SPECIAL ALDERMANIC MEETING

The aldermen held a special meeting Monday night, to certify the returns of the recent State Election. These returns have to be certified by a majority of the members of the Board within 10 days after the date of election. In addition to performing this duty the aldermen voted, under suspension of the rules, \$1450, for the purchase of a new Studebaker by Chief Randlett of the Fire Department. Two jurors were drawn to serve at the session of the Superior Court, to be held at Cambridge next month. They were Leslie Moore, 82 Harvard street, Newtonville, and Charles Allen, 41 Commonwealth Avenue, Chestnut Hill.

### CATHOLIC CLUB BANQUET

Senator David I. Walsh and Mayor Edwin O. Childs will be among the speakers at the 17th annual banquet of the Newton Catholic Club next Monday evening. An entertainment will be furnished by talent from the Keith-Albee circuit. The club, which was founded by Rev. Francis Cronin, has 600 members drawn from residents of all parts of Newton and Waltham. George Brophy, who will act as toastmaster, has been president of the club for four years. Dudley Tenney is chairman of the banquet committee, which includes Joseph Edwards, John Riley, George M. Cox, Thomas C. Donovan, Robert Vachon, Thomas Waters, Jerome Driscoll, John Hart, H. E. Devine and Thomas J. Lyons.

### COLLINS RUNNING FOR ALDERMAN

Roy Collins of 29 Frederick street, Newtonville, who has served as alderman-at-large from Ward 2 since 1922, will again be a candidate. Mr. Collins has been appointed a member of the special committee to confer jointly with the School Committee. According to City Hall gossip, it is probable that he will, if elected, become Chairman of the Finance Committee of the Aldermen.

### PRESENTATION TO MARTIN HICKEY

Monday night, about twenty friends from Newton, Woburn, and other places gathered at the home of Martin Hickey, on River street, West Newton, and presented him with an easy chair. The presentation was made by Frank Beavers of the Earnshaw Knitting Mills. Mr. Hickey, though completely surprised, fittingly responded. An entertainment was provided by some of the guests.

### POLICE NEWS

In court Tuesday, George Blakeney, 27 Lincoln street, Watertown, was fined \$15 for driving an auto within 8 feet of an electric car stopped to discharge passengers. Officer Dowling was the complainant.

Three speeders were fined \$10 each in court, Tuesday. They were—William Johnson, 219 Putnam avenue, Cambridge; Mabel Bresnahan, 31 Ocean street, Lynn; Willard Summers, 49 Congress street, Roslindale.

### KILLED AT LOWER FALLS

Arthur Sallinger, 20, of Prospect street, Lower Falls, died Sunday night while being rushed in an ambulance to the Newton Hospital. The motorcycle ridden by Sallinger collided on Washington street, Wellesley Lower Falls, with an automobile driven by Stanley Ogilvie of Pine Tree Road, Wellesley. Sallinger is survived by his mother and one brother. He was a graduate of Newton Vocational High School.

### LAUNDERING

That pleases the Housewife must possess qualities pleasing to the eye and satisfying to the women of the Household.

## Y. W. C. A. GYM

A special effort is being made this fall to enroll girls and women in Y. W. C. A. gymnasium classes. This has met with so much success that we now have an adult class Tuesday evenings at 7:30, followed by an adult basketball class at 8:30. A group of children of over eight years of age, have been meeting Thursday afternoons at 4 o'clock. This group has grown so large that it is to be divided. All those from eight to twelve will continue to meet Thursdays at 4 o'clock, but those thirteen or over meet Tuesdays at 4 o'clock. Miss Elsie Bennett is Director of these classes, and the office will gladly furnish further information concerning them.

Some call has already been received for a class of adults on some morning. This can readily be arranged, and we shall be glad to have any woman who is interested call the office, for the class will be started just as soon as reasonable number have enrolled.

On Thursday evenings at seven o'clock the girls who have that time free have been meeting at the Association rooms for an hour of recreation or fellowship, and then adjourning to the Y. M. C. A. for bowling.

Next Monday night at the Blue Triangle Club will be guest night, and all the members are planning to bring new members or interested friends at that time. New songs will be introduced. There will be a half hour discussion group for all members, and then the evening will be given over to recreation. Dancing, games or bridge parties will doubtless make up this program. Any business or professional girl in the city is eligible and cordially invited to join this group. Reservations for supper should be made at the office before 2 o'clock.

## THE RAINBOW REVUE

Attention is again called to the coming production of The Rainbow Revue to be given in the High School Auditorium, next week, Friday and Saturday evenings, for the benefit of the Newton Hospital.

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

## FOOTBALL RALLY OFF

The proposed football rally to arouse interest in the annual Thanksgiving Day game between Newton and Brookline elevens which was to have been staged next Monday evening by the Newton Athletic Association has been called off. On account of the inability to secure one of the school halls for the purpose it was deemed advisable not to attempt to hold a rally but to put on an attractive program next month during the Christmas vacation.

## GILLIGAN ELECTED CAPTAIN

Francis Gilligan of Newtonville, has been elected to captain the 1927 football eleven at Exeter Academy, by the players who took part in the Andover game last Saturday. Gilligan has been a mainstay on the New Hampshire prep school team for the past two years. Last year he was a bulwark in the line, and this year was one of the most consistent gainers among the backs. In 1924 he was captain of the Newton high school eleven, and upon graduation entered Exeter, where he is preparing for Harvard.

When the 1927 season rolls around Exeter will undoubtedly have a well-balanced and largely veteran team. As a nucleus in the backfield will be Captain Gilligan and his younger brother Tom, who was also a captain while at Newton high last year. The latter will probably be the first string quarterback for Coach Blake's outfit. Among the veteran linemen will be another Newton man, Captain McCullough, who was a star end on the 1925 Newton high team, and also All-Suburban choice for the wing.

## SPORT NOTES

Country Day School swamped the Rivers School eleven 40 to 0 last Saturday in a private school league game on the Rivers campus. The local school tallied three times in the opening session and once in each of the other three periods. Green and Bigelow each made two touchdowns and Wilbar and Kent one each. Garrison negotiated four of the six tries for the extra points.

Dean Academy and Cushing Academy staged their annual battle last Saturday at Franklin. Dean clinched the Preparatory school championship by winning 20 to 6. "Dotty" Wright, former Newton high and all-scholastic quarterback, got into the game for Dean at left halfback.

"Buster" Hemeon, star end at Newton last year, played one of the best games in his career for Cushing. He is a fine college prospect. Johnson, former Newton guard, also had a great season and was one of the mainstays of the Ashburnham line.

The Newton Pals ran their string of straight victories up to eight last Sunday afternoon by turning back the Suburbans of Boston 19 to 0 on Cabot park gridiron. The Pals scored in all but the third period. Benny Lyman was the star for the Pals tallying twice while Geegan made the other. Aucoin made one of the three tries for the extra points.

The Newton Upper Falls eleven was defeated by the Malden Town Team, 6 to 0 on the Upper Falls playing last Sunday. The visitors scored in the first period on a forward pass on which the receiver ran 40 yards.

The Newton Town Team lost 12 to 0 to the Assumption C. C. of East Boston in a game on the West Newton Common last Sunday. The visiting team has yet to be scored upon this season.

At Reservoir Field, Brighton, Sunday afternoon the Newton Centre team lost a hard fought game to the Brighton Shamrocks. The score was 6 to 3.

Wednesday afternoon the Newton and Belmont Junior Varsity teams battled to a 6 to 6 tie on Claffin Field. Coach "Pappy" Harris, a former Newton and Colgate star end, brought over a first class eleven which deserved an even break.

In the Harvard-Brown combat, Mr. Dickinson had the pleasure of seeing four of his former players play in the game. Stafford, when he relieved Putnam, put up as splendid an exhibition of quarter-backing as the Stadium has seen this year, and topped it off with his usual mad sprint for the club-house. Clem Coady played only a few moments but in his time in there he made his presence felt.

## CHAPIN-CHAPIN

The wedding of Miss Helen G. Chapin, the daughter of Mr. and Mrs. C. S. Chapin of Beacon street, Newton Centre, and Mr. Robert C. Chapin of Providence, R. I., took place last Saturday evening at the home of the bride, where the ceremony was performed at eight o'clock by Rev. Dr. Abbott Peterson.

Mrs. Scott M. Wells of Newton Centre, sister of the bride, was matron of honor and Miss Grace P. Chapin, sister of the groom, was maid of honor.

Mr. Fisher Luther of Milton was best man and the ushers were Mr. William P. Chapin, Jr., of Providence, brother of the groom, and Mr. Robert B. Chapin of Newton Centre, brother of the bride.

Mr. Chapin, who is a graduate of Amherst, will take his bride to Providence, where they will be at home after February 1st at 89 Alfred Stone road.

## HUNNEWELL CLUB

Stanley Hall was filled to overflowing on Sunday afternoon at the second musical and tea of the season. The musical program was given by Maria Faginino, soprano; Frederick Tillot-

son, pianist, and Charles Bennett, accompanist.

Mr. Carlos Peirce was hostess and was assisted by Mr. Charles L. Pearson, Mrs. Ralph C. Emery, Mrs. Charles F. Glueck and Mrs. Fred E. Harwood.

BOY KILLED AT AUBURNDALE

Tuesday night at 6 o'clock as the heavy wind and rain storm was in progress, Douglas Desoe, fifteen, son of Mr. and Mrs. Arthur Desoe of 15 Ware road, Auburndale, was killed while crossing Auburn street by a parcel delivery truck driven by John Kenney of 26 Green street, Newton. The truck was owned by M. J. Kelly of Maple street, Watertown. Young Desoe delivered papers evenings for the Newton News Company and was crossing Auburn street near Maple, pulling a small wagon containing the papers, when he was struck by the auto. Kenney, assisted by his helper, Patrick Gildea, lifted the boy into the truck and sped to the Newton Hospital, but the boy had died before they arrived there.

His skull was fractured. His funeral services are being held this afternoon at the Methodist Episcopal Church, Auburndale. The services will be held at 2 o'clock.

## MINSTREL SHOW

Friday evening, November 26, and Saturday afternoon and evening, November 27, the Minstrel Show of the Court 268, Foresters of America, will take place.

The Friday evening performance will take place at the Newton Opera House, Newton, and the Saturday afternoon and evening show will take place at the Columbus Hall, Nonantum.

For its Minstrel the committee in charge has secured the services of Samuel Fried, R. Boudrot, G. Terrio, A. Terrio, and other Minstrel Stars.

A sixth grade school-room comedy will precede the Minstrel Show. This comedy is one of the best mixtures of drama and music.

Grace Morello, a student of the Boston Conservatory of Music, will sing two of her favorite selections.

Rosa Cacciatori of Waltham, an Opera singer, will sing two popular selections.

"The Personality Kids" namely, Muriel Sullivan of Cambridge, and Daisy Bernier of Newton, will feature in many of the most popular numbers. The two little girls make a decided hit wherever they perform. They are extremely clever in their dancing and singing. Turning away from their singing, they will go into the new Black Bottom dance, the first juveniles to use this dance. The little girls have the distinction of being the only children of their age to have been on Keith's Circuit, where they played all during last summer.

## NEEDLEWORK GUILD

The Newton Branch of the Needlework Guild of America held its annual gathering of garments and open meeting on Thursday, November 11th at the Central Church, Newtonville. The meeting was an exceptionally interesting one and over twelve hundred new garments and household linens were on exhibition, which were later distributed to the different institutions throughout the city, and to several worthy private cases.

The speakers of the afternoon were Mrs. Henry Ide, of the Mother's Rest Association, Newton Centre; Miss Rosa of the District Nursing Association, and Mr. Cheney C. Jones of the Little Wanderers' Home, Boston, all of whom told most entertainingly of the work of their respective organizations and of how acceptable the garments of the Needlework Guild were to them each year.

A report of the Annual Meeting of the National Organization, held in Boston last May was read; also a resume of the work of the local branch for the past year here in Newton.

Tea and a social hour closed the meeting.

The most interesting feature of the work of the Guild this year has been its rapid growth and reorganization from a small town branch to a city branch, which through the untiring efforts of the President, Mrs. Arthur H. Alger, and the hearty cooperation of the Directors, has been increased from fourteen to thirty-seven Directors since last Fall.

As fifty Directors are necessary to fully function as a city branch, it is now the object and the determination of the Guild to reach that number before another year.

## AMERICAN LEGION AUXILIARY

On Saturday, November 27th, at 2 o'clock, the Newton American Legion Auxiliary to Post No. 48 will entertain the Middlesex County Council at the Y. D. Club House, 200 Huntington Avenue, Boston. A Committee of the Past Presidents will have charge of the affair, Mrs. Mary Powers, Mrs. Grace Cormerais, and Miss Mary Curley. It is hoped all members will be there. Among the guests invited are the State Commander, William McGinnis; the Department President, Mrs. Merle D. Graves; the three Department Vice-President, Secretary, Treasurer and Chaplain.

Every member is urged to help make the Annual Bazaar go over the top. It will be held December 10th and 11th at Dennison Hall, with many attractions of useful and fancy articles for Christmas gifts; cooked food, groceries, aprons; fancy work, candy; infants' and children's wear; white elephant rummage table; Christmas cards; books, old and new; mystery packages; American Banner. Entertainment Saturday afternoon for the children, and supper served Friday, December 10th, from 5 to 7 o'clock. These are some of the attractions. The general chairman is Mrs. Mary McCarthy, as assisted by the following Vice-Chairmen: Mrs. Katherine Powers, American Banner booth; Mrs. Reichert and Mrs. Weizcerek, aprons and fancy goods; Mrs. John Hennessey, candy and popcorn; Gold Star Mothers group, cooked food and groceries; Mrs. Thomas Franey, entertainment and mystery packages; Mrs. Alice Beckwith, infants' and children's articles; Mrs. Jessie Barry, supper, ice cream, tonics; Mrs. Anna Tuscher, White Elephant rummage; Miss Rosamund Spalding, Christmas cards, old and new books.

## OLD RESIDENT DEAD

Mrs. Eliza A. Wellington, the widow of the late Henry F. Wellington, and a resident of this place for over 60 years, died Tuesday morning at the home of her daughter, Mrs. Frederick L. Trowbridge of Hollis street. Mrs. Wellington was born in Milton, Mass., the daughter of Joseph and Nancy Elwell and was 85 years of age. She was a member of Elwell Church.

Funeral services were held from the home of her daughter, yesterday afternoon, Rev. Ray A. Eusden, pastor of Elwell Church, officiating and the burial was in the Newton Cemetery.

## LODGES

Fifty candidates were initiated in General Hull Lodge, A. O. U. W. at a meeting of Middlesex County lodges held Tuesday night in Dennison Hall, Newtonville, in the presence of Grand Master Andrew T. Carlton. An entertainment followed the initiation, Mrs. Ethel Alcorn sang, Miss Lillian Morrell gave recitations and there was fancy dancing by the Misses Daisy Bernier and Muriel Sullivan.

## SCHOOL NOTES

### Claflin School

During Education Week, November 7th to 13th, no particular program of observance was arranged at Claflin School until Friday afternoon. However, parents of children attending the school were urged to visit the class rooms where they could observe routine work. Many people took advantage of this opportunity to become acquainted with modern school methods.

WHITE-DeLORIE: on November 10 at Cambridge by Rev. Charles LeFlemmier, Lester White, 261 Derby street, West Newton, and Mary DeLorie of Somerville.

CHAMPAGNE-COLLINS: on October 17 at Concord by Rev. Joseph Maher Paul A. Champagne, 278 California street, Newton, and Margaret Collins of Concord Junction.

BRUNTON-WELD: on October 30 at Newton Highlands, by Rev. Robert Barber, David Brunton of Somerville, and Helen F. Weld of 151 Plymouth road, Newton Highlands.

COLFORD-STANTON: on November 6 at Upper Falls by Rev. Dennis Donovan, Bert Colford, 7 William street, and Annie Stanton, 13 Abbott street, Upper Falls.

WALSH-DONAHUE: on November 14 at Newton Lower Falls by Rev. J. J. Flood, John J. Walsh, 12 Milton avenue, West Newton, and Catherine G. Donahue of Wellesley.

DRAA-FLOYD: on November 13 at Newton Highlands by Rev. H. S. Johnson, Clarence A. Draa of Titusville, Florida, and Barbara K. Floyd of 1586 Centre street, Newton Highlands.

THOMAS-McDONALD: on November 17 at Cambridge by Rev. Joseph Bernard, John H. Thomas, 43 Cook street, Newton, and Catherine McDonald of Cambridge.

WHITE-DeLORIE: on November 10 at Cambridge by Rev. Charles LeFlemmier, Lester White, 261 Derby street, West Newton, and Mary DeLorie of Somerville.

WOMANPOWER: will be viewed and in the cast will be found Ralph Graves, Kathryn Perry, Margaret Livingston and Lou Tellegen. It deals with the power women have over men. The finals in the Charleston contest will be held on Wednesday evening and the prizes awarded. Bargain vaudville will be offered every Friday night. The free parking service for suburbanites is much enjoyed by many patrons.

### REAL ESTATE

An important series of transactions involving the property on the corner of Beacon and Union Sts., Newton Centre, have just taken place. The Gulf Refining Co. has taken title from Harry I. Shackley to 11,295 square feet and will erect thereon a filling station costing over \$20,000, above the land.

The dwelling house and 4,790 feet in the rear have been transferred to Michael L. Barry, and the 30 foot passageway to this property and the present garage have been relocated to avoid the dangerous turn at Beacon and Union Sts. G. Wilbur Thompson taking title to 482 square feet of additional land, and R. A. Vachon to 678 feet on the corner of Union Street and the passageway. The amount involved in the whole transaction is over \$65,000, and when completed will be an addition to the appearance of Newton Centre Square and a distinct benefit to traffic.

Mr. E. C. Bouvé has been sold a lot of land on Cypress street, Newton Centre, on which he will build a single house with garage to cost about \$15,000.

A fine house located at 46 Plymouth road, Newton Highlands, has been sold to Herbert L. Ray by E. C. Bouvé. The property includes about 9,000 square feet of land and a one-car garage. The valuation is \$15,000.

One of Newton Centre's homes, 29 Glenwood avenue, has been purchased by William M. Breed. The former owner was H. O. Glidden. This property consists of a well-built frame house of nine rooms and heated garage; the whole valued at \$14,000.

E. F. Groth has bought from F. W. Stevens two lots of land located on the corner of Warren Ter. and Warren street, Newton Centre, containing about 13,500 square feet. Mr. Groth will build a two-family dwelling on one of the lots. The parcel is valued at \$4,500.

Alvord Bros. were the brokers in all of the above transactions.

### DEATHS

DOWLEY: on November 13 at 59 Hancock avenue, Newton Centre, Levi B. Dowley, age 58 yrs.

WOOD: on November 14 at 1303 Boylston street, Upper Falls, John Wood, age 7 mos.

QUINN: on November 11 at 46 Gardner street, Newton, Edward R. Quinn, age 51 yrs.

WATERS: on November 17 at 1359 Centre street, Newton Centre, William H. Waters, age 39 yrs.

MCDONALD: on November 17 at 18 Hale street, Upper Falls, Mrs. Margaret McDonald, age 68 yrs.

WELLINGTON: on November 16 at 14 Hollis street, Newton, Mrs. Eliza A. Wellington, age 85 yrs.

CHASE: At Newton Hospital, Wednesday, November 17th, L. Edwin Chase. Funeral services at the home, 2202 Commonwealth Ave., Auburndale, Saturday, November 20th at 2 P.M.

### WILLIAM H. WATERS

William H. Waters of 1359 Centre street, Newton Centre, died at his late home Wednesday. He was born in Newton Centre 39 years ago, the son of Mr. and Mrs. Patrick Waters. He graduated from the Newton schools and had for some years been in business as an accountant in Waltham. He was a member of the Waltham Kiwanis Club, Newton Council, Knights of Columbus, and Newton Lodge of Elks. Members of the two last organizations assembled at the home of the deceased last night and conducted services. He is survived by his widow, who was Mary F. English of Newton Centre, one daughter, his parents, two sisters, Mrs. John Dargan of Dorchester and Miss Margaret Waters of Newton Centre, and six brothers, Rev. Patrick Waters of St. John's Seminary, Rev. David Waters of St. John's Church, Roxbury, Thomas, John, James and Paul Waters of Newton.

His funeral was held this morning at the Church of the Sacred Heart, a solemn requiem mass being celebrated by Rev. Timothy A. Curtin, assisted by Rev. James Haney as deacon and Rev. Bernard O'Kane of Brookline as sub-deacon. Delegations were present from the Knights of Columbus, Elks, and Kiwanis Club of Waltham. A large number of priests were in the sanctuary. Burial was in St. Joseph's Cemetery, West Roxbury.

den, Adeline Anderson, Edith Gianferante, Francis Glynn, Barbara Livermore.

Treasurers: Charles Jack, Leo Minage, Josephine Hart, Cornelius Leahy, Eleanor Weston, Esther Guerin, Viola Thompson, Albert Carvell.

### Lasell Seminary

On Friday evening, November 19, Mrs. Blanche C. Martin, who for a number of years was head of the expression department of Lasell Seminary, will give a reading "If We Were King" in Bragdon Hall, for the benefit of the senior Endowment Fund.

The Dramatic Club under the direction of Miss Eleanor Stearns, is arranging a series of entertainments for the students for Saturday evenings. The second of these will take place on November 20 in Bragdon Hall.

A Missionary Camp Fire in charge of Martha Hartman of South America will be held at the Vesper hour, 6:15, on Sunday, November 21, in the Chapel.

### F. A. Day Junior High School

As was mentioned last week, this school celebrated Education Week by throwing its portals open for one night. Perhaps it will be an interesting experiment to have the residents of Newton, both those who visited the school on Friday night and those who did not, view the Open Night through the eyes of the Author's Club. One of the members of this club summed her impressions up by saying "I laugh to myself but go on with my work." Another thought that it seemed queer to be saying her morning prayer in the evening. Perhaps the best sketch of the evening was written by Dorothy Adams, a member of the ninth grade. "A hustle and bustle about the school. Strange faces peering into out of the way rooms. Children stammering and trying to appear at their best while their parents look doubtfully on. Teachers coaching bashful, uneasy children. Pupils rushing joyfully out after the new experience."

On Monday, November 15, the library was the scene of much revelry on the part of the teaching corps. A committee consisting of Miss Kittner, Mr. Holloran, Miss Doran and Miss Pratt had arranged a most original party. Teachers had an opportunity to learn their intelligence quotient by smelling and tasting various things while they were blindfolded and by looking at a collection of articles and writing from memory what they had seen. The afternoon was enlivened by several characteristic remarks from various members of the austere and dignified faculty which, if printed, would go far to counteract the universal belief about the teaching profession and its adherents. Every one was glad to exercise their organs of taste on the delicious cider and doughnuts which were the refreshments. "A good time was had by all," was the saying which everyone learned to the letter.

Mr. Stoddard visited the school on Wednesday morning. After the usual opening exercises they gave a play "The Good Book Fairy."

The principal characters were taken by Polly Klotz, Ruth Wood, Martha Sneath, Eleanor Snow, Gordon Bruce, Arthur Robbins, Richard Ware, John McGrath, Alice Bleeker, James Gardner, Robert Sullivan.

The characters were exceptionally well costumed. We recognized them all.

The health record in Miss Sears' 3rd grade has improved so much that all the children are in either the white or blue group.

In a Captain Ball game with the Mason School girls the Angier team was defeated by a score of 56-2.

The boys' soccer team of the Angier defeated the Mason team in a game of 2-1.

The 6th and 7th grade girls defeated the girls from the Bigelow School 3-0.

### Horace Mann School

Education Week was observed to greater advantage this year than ever before. This was due to the co-operation of the pupils, parents, and the Newton Woman's Club. The parents were invited to visit any time they wished, but Monday was set apart for special work. On Monday afternoon, two hundred parents visited the classrooms from two-thirty until three o'clock, where regular school work was carried on. During this time the children had a chance to see the work that had been accomplished this year. They also viewed a fire drill that showed how quickly and orderly the children can leave the building. An entertainment consisting of singing, speaking, dramatization, and mimetic exercises took place in the assembly hall until three-thirty. This was followed by a talk on Training the Emotions, by Miss Latimer. The talk was most interesting and practical. After this there was a social hour during which refreshments were served.

The 6th and 7th grade girls defeated the girls from the Bigelow School 3-0.

### Peirce School Notes

The following new teachers have been welcomed to Peirce School this year: Miss Mackinnon and Miss Burley in 5th grades; Mrs. Erret in the 4th grade; Miss Brooke, 2nd grade; and Mr. Butler, teacher of Manual Training.

The seventh and eighth grades of Peirce School have organized a student government plan, the officers of which consist of 2 School Marshals, 24 Deputies and the Student Council made up of the School Marshals, the Class Presidents and 2 other representatives from each room. Each class room has its own organization with President, Vice-President, Secretary and Treasurer.

School Marshals: Veto Scandali, Mary Ziegler; Deputies: Evelyn Olen, Elizabeth Kershaw, Lois Cate, Albert Guzzi, Henry Moore, Daniel McLaughlin, Mary Lyons, Pauline Gorgone, Dorothy Eshelbach, Margaret Ryan, James Tedesco, Joseph McNamara, Francis Chases, George Armstrong, Clinton Tylee, Joseph Vahey, Benjamin Bronfman, Vera Parker, Elvera Aceto, Clarice Wensel, Jack Brooks.

Class Presidents: Paul McGough, Ruth Chase, Phyllis Guymont, David Kerr, Eleanor Barnard, Mary Connolly, John McMillan, William Young.

Vice-Presidents: Louise Pintabona, Philip Layton, Mildred Roach, Evelyn Darmody, James McAdams, Virginia Leatherbee, Mary Morrissey, Richard Carroll.

Secretaries: Joseph Sherman, Leslie Barton, Lillian Tedesco, Lucy Og-

**EDITORIALS**

Over \$79,000 will be paid to the city of Newton within the next few weeks, by the state as a supplement distribution of the income tax. This sum is in addition to estimate made last summer when the tax rate was fixed and is just what Commissioner Long says it is—"Velvet." Under these circumstances we believe our city fathers should take action which will insure the use of this money for needed improvements, and we can suggest that it could be put to better purpose than to build or help to build a new fire station in Newton Corner, and we further suggest that this fire station should be located on Washington street between Channing and Thornton streets. The present location of the fire station in busy Nonantum Square, is an absolute menace to life and limb of the thousands of persons, to say nothing of the hundreds of automobiles which congest traffic in this place. The Graphic entered a strong protest some years ago, when the present police station was built on Washington street, opposite Channing street, taking the ground that a police station should be in the heart of things and that a fire station should have ample room to move its apparatus. Now that the new truck has shown up the inadequacies of the present ancient fire station in Nonantum Square, this unexpected \$79,000 would help the situation.

With the city election only a few weeks off, we suggest that our citizens take time to consider the possibilities of amending the city charter to provide for biennial elections of our city government. It has been shown time and again, that in the years in which a mayor holds over, little or no interest is manifested in the election of aldermen and school committee, a very small percentage of the registered vote taking the pains to cast a ballot. With this situation and a saving of some \$2000, the cost of an election, we urge a petition to the next Legislature to provide for biennial elections in this city.

The traffic situation in Nonantum square demands more officers. The other morning, while the officer on duty was attending to a lost child, an irresponsible motorist drove his car directly thru the reserved space for the trolleys, totally regardless of the persons standing in this supposedly safe place. We hope it will not require a fatal accident at this place to spur the authorities into taking appropriate action.

The traffic situation in Nonantum square demands more officers. The other morning, while the officer on duty was attending to a lost child, an irresponsible motorist drove his car directly thru the reserved space for the trolleys, totally regardless of the persons standing in this supposedly safe place. We hope it will not require a fatal accident at this place to spur the authorities into taking appropriate action.

A notable addition to our transportation facilities would be a bus line between Newton Corner and Newton Centre. With the large amount of new building which has taken place along Centre street, it would seem as if this would be a profitable enterprise for the M. & B. St. Rwy. Co.

We are glad to note the candidacy of Mr. Harold T. Dougherty for alderman at large, from ward 4. Mr. Dougherty has had a practical experience in city affairs, through his service as librarian and is well qualified in other directions.

The city in general and Newton Centre in particular are to be congratulated on the consent of Major John C. de Mille to become a candidate for ward alderman from ward 6.

**MAXWELL HUTCHINS TO RUN AGAIN**

Mr. Maxwell Hutchins of Auburndale Avenue, Chairman of the School Committee, has yielded to the urgings of his friends and fellow members on the School Committee and will be a candidate for another term on that body. Mr. Hutchins has rendered valuable service to the city during the several years he has served on the committee. The estimate his colleagues have placed on his ability, is evidenced by the fact that for the past few years he has elected him as Chairman of the Committee.

**THE NEWTON CENTRAL COUNCIL**  
(Continued from Page 1)

Health Division, to take the Chair. Dr. Andress, a well-known lecturer and writer on Health Education, gave a most interesting talk on the essentials of health as they apply to the pre-school child, going back to the pre-natal period through the early formative years.

Mr. Brownell followed Dr. Andress with a very able talk on the relation of physical education to life. Mr. Ernst Hermann, Superintendent of Playgrounds, was the last speaker. He brought home to the audience in a most practical manner the need of the new generation for normal play. Mr. Hermann pointed out the effect of city conditions on children, and the necessity for meeting them with something that would give the child an opportunity for normal development. He had models for backyard play apparatus that were exceedingly interesting and practical. After the program was finished the audience was invited to examine the models.

During the evening the audience was a most appreciative one, and as they represented a thinking group it is possible to prophesy that the effect of the meeting will be far-reaching.

**THE THANKSGIVING CLEARING HOUSE**

The Newton Central Council is again running the Thanksgiving Clearing House.

This is the fourth year of the Clearing House. Each year more people have used it, more duplication has been found, and therefore more families have received dinners which they would otherwise have gone without.

Last year one dinner in every three was saved to pass on to someone else.

Any organization or individual planning to give Thanksgiving baskets is invited to use the Thanksgiving Clearing House. Fraternal orders, clubs, welfare organizations, churches, Sunday School classes, and young people's societies, are especially invited to avail themselves of the service of the Clearing House.

The Clearing House operates very simply. In order to use this service you mail to the Clearing House the names and addresses of the families to whom you expect to give baskets. The Clearing House will report to you by telephone the name of any other organization or individual which has listed the name of one of the families on your list.

When two organizations list the same family, the Thanksgiving Clearing House will merely notify each organization of the fact, leaving it to the organizations involved to confer with each other and decide which one shall give to the family.

Write to 12 Austin street, Newtonville, or Telephone Newton North, 2717. Tell your friends about the Clearing House.

**RED CROSS**

The following note of gratitude is one of the many received by the Newton Chapter of the Red Cross in January, 1926:

"Dear Friends: I received one of your Christmas gifts which you distributed among the men in the United States Army and I cannot say how much I appreciated it. It is wonderful to know that someone in our homeland thinks of the soldiers in time of peace, and it is a great help down here in the Tropics where there are very few English speaking races, to know that someone thinks so much of you as if you were at home. There are about 500 men in this post who received bags today and I am very sorry that some member of your organization was not here to see how happy they were after the bags were opened. I believe if it wasn't for looking so childlike half of them would have cried with joy at receiving a Christmas present from someone they did not know. Will now close wishing you a Merry Christmas and a Happy New Year and thanking you many, many times for your gift."

The Newton Chapter has already prepared over a hundred Christmas bags containing gifts (harmonicas, cigarettes, etc.) for distribution this Christmas. In each bag there is a card wishing the recipient a "Merry Christmas and a Happy New Year from Newton."

The Volunteer Service of the Red Cross works quietly throughout the year to bring comfort and happiness to men who are in far off places in our services and to patients who are confined in our hospitals. Magazines, Victrola records, and other comforts are supplied to our disabled veterans and to our men in active service.

Extend the work of the Red Cross by enrolling as a member. The reg-

## ARTICLE NO. 1

The writer has often referred to the charm of the unexpected at auction. When you think you have an invincible hand, a bad "break" surprises and disconcerts you and you only make one or two odd. On the other hand, the game has its compensation, for how often does an apparently worthless hand turn out to be a big winner? Very often the one picture card in the hand is just the one to make your partner's hand invincible, and so turn apparent defeat to an unexpected victory. "Never say die" is just as good a motto for auction bridge as for anything else. Here is a good example of the hopeless hand turning out to be a winner. Z dealt and should be bid the following hand:

Hearts — Q, 4, 2  
Clubs — 8, 7, 5, 2  
Diamonds — 10, 7, 6  
Spades — 7, 3, 2

No score, rubber game. Z dealt, bid one no-trump and A passed. What should Y bid? Y should undoubtably bid two hearts. This type of hand, 4-4-4-1, is seldom suitable for no-trump, so over-bid your partner's no-trump with that one of the four card suits which offers the best possibilities. In this case, the heart suit is fairly strong and should be bid.

Hand No. 2

: Y :  
: A B :  
: Z :  
Hearts — K, J, 9, 7  
Clubs — A, 9, 6, 2  
Diamonds — 7  
Spades — K, 10, 4

No score, rubber game. Z dealt and bid one no-trump and A passed. What should Y bid? Z should bid two hearts. If Y cannot help the spade bid, he should have good help for hearts and a game is very possible. On the other hand, if Z passes and lets Y play the hand at no-trump, his opponents may run off five diamonds and so save game. With this type of hand, 4-4-4-1, try to find the suit bid that best fits the combined hands. If you do, you nearly always score game.

Hands with this type of distribution come up very frequently, several times in an evening's play, so if you know how to handle them you will make many a game not otherwise possible.

It's not often that a good fifty-two card problem is presented but here is one just from England and it certainly is a teaser. Try your luck, but if you cannot solve it don't be discouraged, for it will puzzle the great majority of players.

Hand No. 3

: Y :  
: A B :  
: Z :  
Hearts — K, 10  
Clubs — A, 9, 6, 2  
Diamonds — 7

## Auburndale

Lila J. Perry, Photographer, 179 Adams St., Waltham. Tel. Waltham 1827-M. Advertisement

William F. McArthur of Winder- nere road has closed his house for he winter.

At the annual meeting of the Woodland Golf Club this week, Mr. Edward J. Frost was elected president.

Mr. and Mrs. W. A. Fogwill of Crescent street have moved to their new bungalow at Warrendale, Waltham.

The Woman's Association of the Congregational Church held an enjoyable meeting and tea on Wednesday afternoon.

Mr. and Mrs. G. L. Severy of Newland street have returned from Philadelphia where they have been visiting their son.

Don't forget the Get-together Social at the Church of the Messiah on Saturday evening. There will be an entertainment, refreshments and a general good time.

The Young People of the Centenary Methodist Church held a social Tuesday evening at which the young people from the Methodist churches in the other Newtons were their guests.

Mrs. Eugene Ufford of Central street entertained the members of the Acquaintance Club on Tuesday afternoon. Sewing was done for the Newton Hospital. Tea was served and a social time was enjoyed.

Miss Gertrude Davis, daughter of Mr. and Mrs. John A. Davis of Commonwealth avenue has been elected Vice-President of the Yankee Club, one of the largest campus organizations at Beaver College, Jenkintown, Penna.

A Community Thanksgiving service will be held in the Methodist Church, Wednesday evening, November 24th. The preacher will be Rev. C. B. Richards, D. D., of Needham, by the Centenary Choir. The Methodist, Congregational and Episcopal Churches unite annually in this thanksgiving service.

Plans for the Annual Chautauqua are completed and the dates set for December 1st, 2nd and 3rd. Three evenings of entertainment and during the afternoon an evening of each day an unusual festival will be held. Carefully decorated booths with a wide variety of articles for sale will be a feature. Meals will be served each day.

At the recent annual meeting of the Congregational church, these officers were elected, deacon for 5 years, Robert H. Aborn, deacon for 1 year, Harold O. Cook, moderator, Chauncey S. Conn, clerk, Arthur W. Kelley, treasurer, Charles W. Blood, assistant treasurer, John A. Davis, auditor, Ralph L. Longdon, church committee or two years, Miss Urania B. Hart and Arthur L. Shaw.

## Newton Upper Falls

Mrs. Margaret McDonald, widow of John V. McDonald, died Wednesday at her late home, 18 Hale street. Her funeral was held this morning from the church of Mary Immaculate.

### MIDDLESEX COURT, M. C. O. F.

Middlesex Court, M. C. O. F. will hold a sale of fancy articles at its next regular meeting in Elks Hall on Tuesday evening, November 23rd, at 8 P. M. Members and friends are invited to attend. The proceeds of the sale will be devoted to the Christmas charity Fund of the Court.

### HURT IN AUTO ACCIDENT

Last Friday a Ford sedan driven by Emil Eckman, 29 Woodbine Terrace, Auburndale, and a Ford truck driven by Giuseppe Tocci, Ashton avenue, Newtonville, collided opposite the Silver Lake Garage, on Watertown street. Eckman's car ran onto the sidewalk and hit Rosario Cocciano of 14 Morgan place, injuring him about the legs. He was treated by Dr. Amendola. Both autos were considerably damaged.

### Couldn't Sell Her a Ticket

A Western woman called the town ticket agent on the telephone and asked him to route her to some obscure place in a remote Southern state. The agent had never heard of the place but he went through the railroad guide and figured out a route necessitating numerous changes and connections. Armed with all this information he returned to the telephone, gave it to the inquirer, and then heard her say: "Well, do you suppose a letter would make it to the same time? I was writing one to that town and I wanted to know how long it would take it to get there." —Capper's Weekly.

## Newtonville

Thomas F. Brooks has leased the house at 60 Harvard St.

St. John's Parish will hold a Bazaar on Thursday, Dec. 2nd.

The house at 167 Lowell avenue has been leased by G. D. Davis.

Mrs. Susan Gill has moved into the new house at 15 Parkview avenue.

Domenic Folcarelli has moved into his recently completed house at 63 Wyomeng road.

The ladies of the Universalist church will hold a food sale tomorrow in the parish house.

The Illustrated talk next Sunday evening at the Universalist church will be on "Quo Vadis."

An afternoon social and whist is being given this afternoon by Mrs. E. J. Cox of Brooks avenue.

Mr. and Mrs. Kenneth Hastings of Walker street are spending the week end in Hopkinton, N. H.

There will be an organ recital at the New Church Sunday afternoon at 4:15 o'clock by Mr. R. Lawrence Capon.

Call H. A. McDonnell, 6 Highland terrace, Newtonville, (Newton North 4674) for anything in the carpenter line.

The Mission Circle of the Universalist church met last evening at the home of Mr. and Mrs. Arthur E. Mason of West Newton.

Mr. William C. Bamburgh, a former well known resident of this place, is seriously ill at his home in Brooklyn, N. Y.

The first of the assemblies under the direction of Mr. Joseph Champagne, will be held at the Newton Club this evening.

Miss Mabel C. Bragg, assistant superintendent of schools, has been elected a director of the New England Association of Superintendents.

The November meeting of the Men's club of St. John's church was held last evening in the parish house. Mr. Donald Rust was the speaker.

Miss Lois Harwood, daughter of Mr. and Mrs. Harry Adams Harwood of Linwood avenue, was the winner this week for the second time of the Wellesley cup for volley ball.

On Tuesday evening there will be a Thanksgiving Dance at the Newton Club, under the supervision of Mr. and Mrs. Henry Merrill, Mr. and Mrs. Townsend Cushman and Mr. and Mrs. Kenneth Hastings.

At the annual meeting last week of the Boston Board of Fire Underwriters, Mr. John H. Eddy was elected a member of the executive committee and Mr. Joseph E. Downey a member of the hand book committee.

Mr. Richard T. Loring, the son of the late Rev. Richard T. Loring of St. John's church, and who has just entered the Episcopal Theological School at Cambridge, is to act as assistant to Rev. Smith Owen Dexter, rector of Trinity Church in Concord.

Captain Frank L. Nagle of Kirkstall road, a member of the Advisory Committee of the Sesquicentennial at Philadelphia is in that city this week attending the banquet given to the Foreign Commission of the different countries exhibiting there.

Mr. and Mrs. Henry C. French, of Cambridge, former well known residents here, announce the engagement of their daughter, Miss Margaret French to Charles Henry Jones, Jr., son of Mr. and Mrs. Charles Henry Jones of Weston. Miss French is a graduate of Miss Wheeler's School in Providence, R. I. and is a member of the Junior League of Boston.

## Newton Highlands

A Thanksgiving play entitled, "Thanksgiving Through the Ages" is being rehearsed by members of the 7th grade of the Hyde School. The play will be given in the Assembly Hall at the school on Wednesday next.

Sunday evening, November 21st will be Young People's night at the Methodist Church. Rev. James Woodruff of Lawrence, Mass., will preach on "Youth in the Modern World" and there will be special music by Mrs. Loar of Boston, who will play the violin and mandola.

A Union Thanksgiving Service will be held at Saint Paul's P. E. Church Wednesday evening, November 24th, at 7:45 P. M. Dr. S. H. Woodruff of Lawrence, Mass., will preach on "Making Democracy Safe for the World." The Cline Memorial M. E. and the Congregational Church unite in this community service.

For over forty years he had taught music in Newton and had served on the faculties of Abbot Academy, Bradford Academy, Mt. Ida School, Lasell Seminary and the Fessenden School.

Mr. Chase leaves a widow, Mrs. Florence G. Chase and sister, Mrs. C. Kepner of Newtonville. Funeral services conducted by Rev. Edward Payson Drew, D. D., formerly of the Auburndale Congregational Church, will be held at the home, Saturday, November 20th and burial will be in the Newton Cemetery.

The N. A. A. medals for the pentathlon were presented to Wallace Fullerton, Herbert Kohlmeyer and Edward Ebelhar, and the golf prizes were presented to H. D. Schmidt, Edward Donnelly and Thomas Manning.

### N. H. S.

At a meeting of all the boys in the school on Wednesday morning in the new auditorium, Mr. W. J. Reagen, headmaster of the Oakwood Prep. School of Poughkeepsie, N. Y., was the speaker.

The N. A. A. medals for the pentathlon were presented to Wallace Fullerton, Herbert Kohlmeyer and Edward Ebelhar, and the golf prizes were presented to H. D. Schmidt, Edward Donnelly and Thomas Manning.

### HURT IN AUTO ACCIDENT

Last Friday a Ford sedan driven by Emil Eckman, 29 Woodbine Terrace, Auburndale, and a Ford truck driven by Giuseppe Tocci, Ashton avenue, Newtonville, collided opposite the Silver Lake Garage, on Watertown street. Eckman's car ran onto the sidewalk and hit Rosario Cocciano of 14 Morgan place, injuring him about the legs. He was treated by Dr. Amendola. Both autos were considerably damaged.

## Waban

Rev. Charles H. Cutler will be the preacher next Sunday morning at the Neighborhood Club House, where the congregation of the Union Church is now meeting.

Mrs. J. E. Parker of Metacomet road is opening her home on Sunday afternoon for an informal reception in honor of Dr. and Mrs. C. H. Cutler and Miss Elizabeth Cutler.

The Young People's Forum of the Union Church is to present three plays at the Neighborhood Club on Saturday evening, the proceeds of which will go toward the new organ fund.

A group of women headed by Mrs. Howard M. North held a very profitable sale and tea at the home of Mrs. Harry N. Matthews on Monday for the benefit of the Organ Fund of the Union Church.

The "Pops" Bridge held at the Neighborhood Club on Tuesday evening proved to be an unusually clever affair and reflects great credit on Mrs. Edmund Rice and her group of young matrons.

The patresses for the Assembly under the direction of Joseph L. C. Champagne, held at the Neighborhood Club House on Friday evening, Nov. 12, were Mrs. Walter Wyeth and Mrs. Henry Johnson. The following acted

### Stray Bits of Wisdom.

Good nature, like a bee, collects honey from every herb; ill-nature, like a spider, sucks poison from the sweetest flower.—Anonymous

### Trial by Water Less

### Costly Than Lawsuits

Among the tribes of the hilly regions of Orissa, in India, trial by water is still employed to settle disputes.

A sacred tank called Phulbani is used in such trials, and its waters are considered holy. In a trial by water the residents of two or three villages sit round the tank, and the two contesting parties, accompanied by their seconds, each armed with a long pole, wait a short distance away. The priest then chants this prayer to the sun: "The giver of Light and Strength, the face of Truth has been covered by a mist of gold; send down your shafts of Wisdom and remove the veil obscuring the reality."

To ensure the maintenance of demons of the underworld who may be lurking in the pool beneath the holy waters, a chicken is fed and watered and offered to the demons. This done, the contesting parties wade into the water, followed by their seconds. When the water reaches their armpits they take the poles and, having fixed them in the bed of the tank, stand holding them for a minute whilst they turn to the east and mutter a prayer to the sun. Then slowly their heads are immersed in water. The man whose head comes up first is the loser.

This age-old custom has such a hold on the imagination of the natives that often the party who knows he is in the wrong will come up first of his own accord, lest injury in the shape of cramp or drowning is done to him by the powers concealed in the water.

The November meeting of the Men's club of St. John's church was held last evening in the parish house. Mr. Donald Rust was the speaker.

Miss Lois Harwood, daughter of Mr. and Mrs. Harry Adams Harwood of Linwood avenue, was the winner this week for the second time of the Wellesley cup for volley ball.

On Tuesday evening there will be a Thanksgiving Dance at the Newton Club, under the supervision of Mr. and Mrs. Henry Merrill, Mr. and Mrs. Townsend Cushman and Mr. and Mrs. Kenneth Hastings.

At the annual meeting last week of the Boston Board of Fire Underwriters, Mr. John H. Eddy was elected a member of the executive committee and Mr. Joseph E. Downey a member of the hand book committee.

Mr. Richard T. Loring, the son of the late Rev. Richard T. Loring of St. John's church, and who has just entered the Episcopal Theological School at Cambridge, is to act as assistant to Rev. Smith Owen Dexter, rector of Trinity Church in Concord.

Captain Frank L. Nagle of Kirkstall road, a member of the Advisory Committee of the Sesquicentennial at Philadelphia is in that city this week attending the banquet given to the Foreign Commission of the different countries exhibiting there.

Mr. and Mrs. Henry C. French, of Cambridge, former well known residents here, announce the engagement of their daughter, Miss Margaret French to Charles Henry Jones, Jr., son of Mr. and Mrs. Charles Henry Jones of Weston. Miss French is a graduate of Miss Wheeler's School in Providence, R. I. and is a member of the Junior League of Boston.

## Newton Centre

On Friday night there was a dance given by members of the Women's Club.

Mrs. H. E. Rowley of Devon road went to the Newton Hospital last week for a tonsil operation.

Mr. and Mrs. F. N. Burdett of Dudley road went over to New York on Tuesday for a few days.

Mr. and Mrs. W. N. Marston of Dudley road left for New York on Wednesday to go ten days.

Mr. and Mrs. Caldwell, who have been visiting their parents, have returned to their home in Detroit.

On Monday afternoon Mrs. G. C. Walworth of Centre street gave a tea for the Junior Mothers' Rest Club.

Mrs. F. H. Butts of Summer street is entertaining her sister, Mrs. Butts and her friend Miss Palmer of Connecticut.

Mr. and Mrs. K. Goss of Bradford Court are receiving congratulations on the birth of a son, born Ar-mistice Day.

Betty Wight of Moreland avenue is recovering from a painful accident to her arm in which she had nine stitches taken.

The Improvement Association has petitioned the city government to widen Centre street between Langley road and Beacon street, by adding the present sidewalk to the road bed.

At Trinity Church there will be a Harvest Home Service Sunday evening at 7:15 P. M. Fruits and vegetables will be on the altar and in the chancel. The story of the first Thanksgiving at Plymouth will be told by Barbara Randlett; and an account of the first Thanksgiving in Boston will be given by Constance Wright. Governor Fuller's Thanksgiving Proclamation for this year will be read. The scholars of the Church School, and representatives of the various organizations will bring fruits and vegetables which will be given away after the service.

## THE SECOND CHURCH

### WEST NEWTON

10:45 A. M. Morning Worship

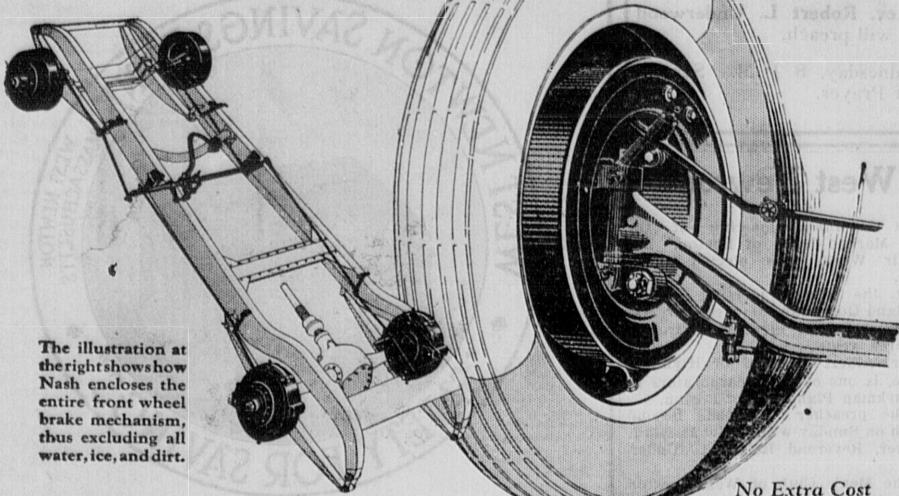

Rev. Robert L. Underwood

will preach.

Wednesday, 8 P. M. Service of Prayer.

# NASH

Leads the World in Motor Car Value

The illustration at the right shows how Nash encloses the entire front wheel brake mechanism, thus excluding all water, ice, and dirt.

No Extra Cost Standard Equipment

## Safest - Smoothest - Simplest 4 Wheel Brakes

This brake system is exclusive to Nash and was engineered to embody the finest features developed by foreign and American 4-wheel brake authorities as well as the superiorities worked out by Nash over an extended period of 4-wheel brake experience.

Among its chief advantages is the fact that the smoothly powerful performance of these brakes is never impaired by climatic changes. And being of the mechanical type they operate with invariable regularity at all temperatures.

They possess perfect automatic equalization, right to left, front and rear.

Thus Nash eliminates the possibility of the side-sway or skidding on wet or icy roads under rapid brake application which occurs with rear wheel brakes or partially-equalized 4-wheel brakes.

#### DRAA-FLOYD

Miss Barbara Knowles Floyd, daughter of Mr. and Mrs. J. Arthur Floyd of 1586 Centre street, Newton Highlands, was married Saturday afternoon at the home of her parents to Clarence Albert Drah, son of Mr. and Mrs. George F. Drah of Titusville, Florida. Rev. I. W. Williamson, pastor of the Clarendon Street Baptist Church, Boston, assisted by Rev. Herbert S. Johnson, performed the ceremony.

Mr. Floyd gave his daughter in marriage. Miss Floyd was attended by Miss Margaret Hatch of Newton, and Donald Bennett of Worcester, was best man.

The bride wore a gown of white silk moire, a veil of tulle held in place by

orange blossoms, and carried a shower bouquet of bride roses and lilies of the valley.

Miss Hatch wore a light blue taffeta gown and carried a bouquet of tea roses.

After a reception the bridal couple left immediately for Jacksonville, Daytona and Titusville, Florida. They will make their home in Titusville after December 1.

The bride is a member of the class of 1928 at Rollins College. The bridegroom is a graduate of the same college, class of 1926. He is a member of Theta Kappa Nu fraternity.

#### MR. DILLINGHAM BURIED

Funeral services for Isaac Snow Dillingham of 81 Woodland road, Auburndale, were held Saturday afternoon in the Centenary Methodist Church, with two clergymen officiating. They were the pastor, Rev. Earl E. Harper, who was assisted by Rev. James E. Coons, pastor of the Newton Centre Methodist Parish and long a friend of Mr. Dillingham.

The Pilgrim Quartet sang, "Just Beyond the Hilltops" and "By Cool Siloam's Shady Hill." Ushers were William S. Wagner and Clarence W. Williams of Auburndale, Ralph W. David of Wollaston and H. L. Hardy of Wellesley.

Burial was in Newton Cemetery where Rev. Mr. Harper conducted a committal service and Mrs. Harper sang.

#### POLICE NEWS

Sophie Ginsberg, 295 Harvard street, Cambridge, was fined \$20, by Judge Bacon on Monday, for speeding. She appealed.

Leo Murnaghan of Jefferson street, arrested on November 5, by Patrolman Teegan for driving while under the influence of liquor, was fined \$150 on Monday.

Sunday morning, at 120, Serg. Leean with Patrolman Charles Feeley and Reagan, raided a card game at Nonantum, and arrested five men for gaming on the Lord's Day. In court Monday, one of the quintet was found not guilty. Lomeni Belli, 127 Boyd street, Salvatore DeFilipo, 97 Adams street, Antonio Arcese, 83 Faxon street, and Luigi Coletti, 18 Murphy court, were each fined \$5.

A valuable pointer dog owned by John W. Gahan, 114 Lowell avenue, Newtonville, was killed by an automobile on Watertown street, Saturday night. The autoist who killed the dog did not bother stopping. Some autoists consider the killing of a dog too trifling to make any fuss over.

William Durkee, 132 Adams street, Waltham, was arrested Saturday night, at the corner of Lexington street and Commonwealth avenue, by Patrolman Lyons, who had Durkee under surveillance. Four pints of liquor were found on his person. He was charged with drunkenness and with keeping and exposing liquor for sale. Durkee denied that he was drunk and asked that he be examined by a physician. Dr. Lowe was called and as a result of his testimony, Durkee was found not guilty by Judge Bacon on Monday, on the drunk charge. He will be tried on the other charge on November 26.

#### NEWTON BOYS APPOINTED

Congressman Robert Luce has announced the following designations for appointment to the U. S. Naval Academy, as result of competitive examination held October 23rd.

Principals: Paul T. Kyte, 108 Myrtle street, Waltham; Luther S. Moore, 270 Mill street, Newtonville; Richard F. Hunt, 424 Newtonville street, Newtonville.

Alternates: Joseph P. D. Hart, 130 Willow street, Waltham; John E. Sandown, 384 N. Main street, Natick; Robert E. Polley, 21 Pine Grove street, Needham Heights; Charles E. Fox, 369 Bacon street, Waltham; Horace P. Rounds, 131 Prince street, West Newton.

#### SUES FOR \$15,000

The trustees of the Newtonville M. E. Church have entered suit against the estate of the late Arthur H. Soden for \$15,000.

The trustees allege that the church desired to erect a new edifice and the late Mr. Soden promised to contribute \$15,000 toward this endeavor, providing an additional \$135,000 was secured by responsible pledges. Mr. Soden contributed \$5,000 on account, the plaintiffs set forth, with the understanding that sum was to be a donation, even though the effort to raise the other \$135,000 failed.

The \$135,000 was secured in responsible pledges, the trustees allege, but the remaining \$10,000 promised by Mr. Soden has never been received.

## NEWS FROM THE COLLEGES

By Harold P. Carver, N. H. S. '26

In order to give mankind a well-earned rest let us turn to the ladies' affairs, and their accomplishments. It is interesting to find that many of the Newton girls do continue on the way to higher learning, attending in their efforts to do so almost as many colleges as do the boys. When one stops to consider how much education has progressed in the past years, especially for women folk, he is at a loss to know when or where it will cease in its efforts to present a well-marked, well-lighted, and intriguing highway to knowledge for the eager traveler.

In this connection in South Hadley, Massachusetts, Mount Holyoke College was founded in 1837, that was destined to take a leading role in the education of the women of America. Through its many struggles against prejudice and intolerance, it remained steadfast and loyal to its ideals, until now it cannot accommodate all those who seek to enter its doors from the secondary schools. Perched on a hill with a wide-flung campus, it has a beauty that impresses one with the value of attractive places for work, and its ability to bring forth the best results. Though many men claim Holyoke was only built as an aid to Williams and Amherst, it really is a leader in the study of the sciences, both applied and theoretical, while our mother tongue is not neglected as is often the case.

Recently the girls of the college staged their annual spectacle, commonly known as the Junior Show, which this year took the form of a musical operetta with the appropriate title, "A Fairy Tale Set to Jazz." Included in the cast were Katherine Scott of Auburndale, formerly of Newton, class of '24, and Ruth Barry, once a resident of Newton Centre and a graduate in the same year as the first-mentioned. Ruth is the possessor of a splendid voice, having been a member of the Holyoke choir since her entrance and while at Newton she was prominent in the Girls' Chorus which received its baptism during her senior year. She likewise held interest in the various phases of English that the school affords, taking part in the English Club work, and speaking in the Forum, besides writing for the Newtonite in her last year. As for Katherine Scott, she has participated many times in dramatic reproductions, for during her years at Newton she was a leader in the Dramatic Society, and also a member of the larger body, the English Club. In her early years at school she was on the Girls' debating team, a formidable organization at that time, although it has fallen into the discard now, and in a like manner she held office in the French Club during her senior term. As a final achievement she was one of the assistants to the editor of the 1924 edition of the Newtonian.

Among the various committee women that were in back of the musical production were Louise Baldwin and Avis Trowbridge, both attendants at Newton in the times past. The former was a leader in her class, that of 1924, holding membership in the Mathematics Club for two years, with the office of Vice-President being hers in the last session. She also was on the Debating Society her sophomore year, and enrolled in the Forum her last term. The French Club welcomed her presence, as did the Newtonian in the same year, while in an athletic way she was a member of the Field Hockey team in 1922. Louise has continued in the way of sports at college for she has just been elected student head of volleyball at the university and has inaugurated a strict training system in an effort to obtain better results from the intramural games. Avis Trowbridge is a girl whose interests are many and the record left behind of work accomplished is sufficient proof of the foregoing statement. She was the star of her tennis team in the senior year, which was one of the best that ever represented the school. On top of this she was the representative of her class on the student Council, and a leading light on the English Club for three consecutive years. In the Glee Club, whose progress has been marked since Mr. Griffin joined all the musical bodies into one unit, she was a member for three terms, likewise like Miss Louise Baldwin, she was Vice-President for a season. Also when the Newtonian made its great drive for workers, she answered the call and at the end of the year was a valued member of the staff.

In the senior class at Holyoke is a girl who has had a unique and valuable experience this summer that has just gone by. Helen Clark of Newton Highlands, then a junior in the Berkshire Institution, was selected by her fellow-students as their representative in the Christian Progress work. During the summer vacation she worked for Dr. Grenfell in the Labrador section of Canada. This was far more than an honor, it was implicit trust and faith in her worth and ability, a signal credit to be gained in years of labor. She spent the summer teaching and helping the natives with excellent results, and with a degree of benefit to herself. Along the same line of work is her membership in the Christian Association in which she is a leader at the college, and also a member of the vested choir, one of the prides of the Hadley campus. Her Newton years were splendid examples of busy times. One of the most popular girls in the school she was interested in all activities. Athletically she was on the basketball team all her years at Newton, an excellent guard and team-play adherent, and also the field hockey team had her skill at their disposal for three years. The Student Council was an office she held for two years, and for a like number she sang on the Glee Club. She argued for the Debating Society, and its later counter-part, the Forum, while for three years she answered the roll-call of the English Club, and in her graduating year was a writer for the Newtonian.

## ALDERMEN AMEND ZONING LAW

(Continued from Page 1)

in making this petition by the remarks made by some of the aldermen during the recent controversy over the establishment of the "two platoon" system in this city. These aldermen said that while they are not in favor of establishing the "two platoons" they would favor increases in salaries for the firemen.

Permits were granted for 34 private garages. Permits were withheld on the petitions of Ethel Osborne, 16 Fairlane road, and James Wilbur, 25 Manette road, for 1-car garages. The aldermen voted to accept the report of the License Committee, which granted leave to withdraw to Henry C. Bourne who petitioned for a permit to build a gasoline filling station at 2268 Washington street, Lower Falls. The Committee made a similar recommendation to the petition of Cashman & Ginsberg for a gasoline station at 2299 Washington street. Alderman Grebenstein asked that the Cashman & Ginsberg petition be referred back to the committee for further consideration as it was away on a business trip when new plans had been received from these petitioners.

Because of complications which have ensued from the granting of permits for certain garages and filling stations, President Pratt endeavored that every precaution should be taken to assure the permit granted for the "Taylor" station at Washington and Putnam streets being specifically worded. Mr. Pratt was of the opinion that the permit as originally granted last month for this station, was given with the condition that certain conditions imposed by the trustees of the First Unitarian Church and Dr. Fred Lowe, must be conformed to. City Clerk Grant agreed with Mr. Pratt that such a condition had been mentioned, but City Solicitor Bartlett asserted that no such condition had been in the original license. Mr. Bartlett told the aldermen that in the future the location of tanks and pumps should be definitely stated on all filling station and garage permits so that the license will be exercised where the aldermen intend them to be. Asked by President Pratt "if the amended permit for the "Taylor" station necessitated a rescinding of the permit granted at the previous meeting?", Mr. Bartlett replied in the negative, explaining that should the first permit be rescinded, it would be necessary to hold another public hearing on the matter.

Alderman Baker favored the granting of the amended permit, remarking "The petitioner has shown a willingness to satisfy the Church and Dr. Lowe. The corrected plan is satisfactory to the doctor, and so far as I know, to the trustees of the church." Alderman Heathcote asked, "Can I be assured Dr. Lowe had notice of this amended motion?" Mr. George Haynes, representing Mr. Taylor, told Mr. Heathcote that he had seen Dr. Lowe that afternoon and that gentleman expressed his satisfaction with the new plan. To assure Mr. Heathcote, Mr. Haynes expressed a desire to have the matter held up until Dr. Lowe's "O. K." would be placed on the amended petition.

Alderman Madden, for the Claims and Rules Committee, explained the amendment to Section 511 of the Zoning Ordinance, relative to the set-back line where a street is in two or more different zones. This section specifies that in general residence districts the set back is 15 feet from the street line and in private residence districts, 25 feet. A building may, however, be built as near to the street line as any existing building on the same side of the street between the nearest two intersecting streets, provided said intersecting streets are not over 250 feet distant. Mr. Madden said that the matter had come up because of a condition existing on Whittemore Road, a new street leading off Tremont street, Newton. Part of this street is in a general residence zone, and part in a private residence. Two houses on one end of the street, in the general residence district are 15 feet from the street line, but the other houses are 25 feet back. A certain builder desires to erect some houses in the single residence zone of Whittemore street, but with a 15 foot setback. To prevent injustice to persons owning property on Whittemore and other streets where a similar condition exists, the amendment was proposed to Section 511, which will not allow a new building to be placed as near the street line as any existing building on the same street, and within the same block, unless said building is in the same zone as the proposed building.

Alderman Gallagher did not enthuse over the amendment. He said it will not correct a bad condition which exists along Washington and other streets in business districts. He argued that the Zoning Ordinance should be amended so that no building can be erected on the corner of Washington street and streets running off it, unless such a building is kept back to the same line as the other buildings on the side streets. He cited as examples the buildings erected at the corner of Washington and Hoyne, and Washington and Channing streets. He stated that no court would uphold the city in its contention that property owners on these streets cannot build as near to the street line as the structures on the corner of Washington street. Alderman Earle, perhaps to assuage his fellow from Ward 1, remarked that the latter can build out to the line on Channing street, because his property is in the business zone. Alderman Gallagher replied "I do not know what zone my property is in. The small zoning map which I received from the Building Department showed my property to be in a business zone, but the large map in the City Engineer's Department shows it to be in a general residence zone." The proposed amendment, as offered by Alderman Madden was then voted upon, and unanimously accepted.

### GIRL SCOUTS

### GRACE CHURCH

On Wednesday evening last, the Parish of Grace Church were entertained at a dinner, which taxed the parish house to very near its capacity. Two hundred and twenty-five sat down at the tables which were attractively decorated with chrysanthemums and yellow candles, the waiters being 21 of the young people of the parish.

During the dinner, musical selections were given by Mr. Morgan Harris and his orchestra and between the courses they played for the hearty singing of familiar songs by the entire company, led by Mr. T. Edson Jewell, Jr., in his characteristically inspiring and energetic fashion. After dinner, the Rector, Rev. Dr. MacLure made a happy speech of welcome and introduced the toastmaster, Mr. Theodore E. Jewell, who carried through a program of snappy two-minute speeches with great success, presenting each speaker with a graceful and well-chosen introduction. The toasts, covering different interests in the church, were the assistant minister, Rev. J. R. Dalling; The Church School, Mrs. E. B. Church, Mr. W. V. M. Fawcett; Mr. Grosvenor Calkins; The Church Service League, Miss H. M. Cobb; The Choir, Mr. F. E. Perkins; Friendly Neighborhood, Mrs. Grosvenor Calkins; The Church Apportionment, Dr. MacLure.

The entire evening was thoroughly enjoyed by everyone and closed with a ringing vote of thanks to the committee in charge; which included Mrs. Grosvenor Calkins, Mrs. Clement Colburn, Mrs. C. C. Colby, Mrs. L. J. Conel, Mrs. I. S. Dillingham, Jr., Mrs. R. F. Estabrook, Mrs. J. R. Hodder, Mrs. W. E. Jones, Mrs. Howard Norton, Mr. W. V. M. Fawcett, and Mr. T. E. Jewell, Jr.

**COMMUNITY SERVICE**

At the recent annual meeting of the District Nursing Association the following report was made by the Superintendent, Miss Ross.

**TOTAL VISITS** 11,694

Care of the Sick

8550 Visits made on 1070 sick patients.

195 Mothers with new babies have been nursed.

100 Mothers have had the nurse at the time of birth.

85 Minor operations where nurse has assisted the Physician.

Child Welfare

221 Visits made to expectant mothers

2402 is the attendance of four weekly baby clinics.

1932 Visits made by nurses to well babies in their homes.

The actual field work for the past year has differed very little from the previous year. Our nurses have been busy either with the bedside nursing or child welfare work in the home or at the clinics.

The really busy nursing months are usually from December, through the Winter and Spring. This year, the peak of sickness came in March, April, and May. In February, for the first time in some years, the storm made it impossible for our nurses to get about for almost a week except to cases which could be reached by the main roads or by train. Our total number of visits dropped to 771 for February, but for the next three months, came up to nearly 1200 visits per month. The year before the peak of the nursing work came in April, May and June, which shows the variation from year to year.

The care of the chronic patients is one of the most important phases of any home nursing service but the Newton association carries more of such cases than do most nursing organizations. We have patients on our list who have been under our care for years and we are sure that these patients are in much better condition than it would be possible for those at home to accomplish. In one home the daughter, with the daily help of the nurses, was able to care for and bring to a happy conclusion the case of her mother who had a temporary mental derangement and who would have otherwise had to be placed in an institution of restraint. One patient with cancer was visited 162 times in six months. Two old people who were City charges, have been the constant care of our nurses until the husband died. It was then arranged that the widow should live with her daughter out of town.

Of course the mothers and babies are the delight of every district nurse—the only trouble with Newton is that the birth rate is too low and there are not enough new babies to care for, though it is getting quite popular to have the district nurse come in for a week or two, after Mother comes out of town.

The Nominating Committee then reported the following officers were elected:

Officers: Mrs. George W. St. Amant, President; Mrs. F. E. Stanley, 1st Vice-President; Mrs. Samuel Tower, 2nd Vice-President; Mrs. George M. Angier, Secretary; Mrs. Leverett Saltstall, Secretary pro tempore; Mrs. Justin Whittier, Assistant-Secretary; Mrs. Charles L. Smith, Treasurer; Mrs. H. P. Bradford, Auditor.

Board of Directors: Mrs. J. M. Allen, Mrs. Spencer F. Arend, Miss Gretchen Clifford, Mrs. H. P. Converse, Mrs. F. A. Day, Mrs. F. ### CHRISTIAN SCIENCE LECTURES

(Continued from Page 9)

of thought or education,—using the term in the highest sense.

In this behalf, nothing could be more helpful than Mrs. Eddy's wonderful statement "God is Mind" (Science and Health, p. 311). It not only implies and provides for everything in the way of healing and redemption, but it also requires appreciation, understanding, responsiveness. Understanding must be awakened in us individually. In this way the whole world will awake. Now while it is true that the world, like the man who is called in the early morning hours, does not enjoy being awakened, nevertheless, awakened it must be, and like that same man, the discomfort of the first consciousness is soon replaced by the satisfaction of a clearer sense of life.

The thinking that resembles God—and thinking is the only thing about a human being that ever does resemble God—is the way, and the only way of deliverance. It was the way that Jesus recommended; it was his way, but his philosophy was not that of mere endurance. It had none of the taint of stoicism. It was demonstrable Science.

He was cognizant of the material world, just as we are, but his impression of it was instinctively and scientifically different from that of other people. He knew that the Christ was not a person, but was and is Truth itself, the actual nature of God and the real man.

This divine Christ cannot be found in the realm of matter. The benevolent power and influence of the Christ cannot be invoked through material means. You and I at this moment are thinking about the healing power of God, which available power apprehended is properly named Christ, Truth. To think about it is a wonderful step for us to take, but it is not the final step. In a certain sense there is no final step. You cannot measure thoughts. They are not restricted by time or distance. We can think over hill and dale and lakes and mountains and forests and cities and countries and oceans, and even out to the stars. What a wonderful word Mind is!

Do you doubt the power of this divine presence? Do you think this power insufficient to heal your diseases, assuage your sorrows, comfort your hearts, remove your fears, and give you the kingdom of heaven within and without? The supreme naturalness of all this must appeal to every earnest person. Its efficacy is certain, and every one may test it for himself. Entertaining these ideas with absolute sincerity, you will find that they banish evil thinking and wrongdoing. They will even enable you to love your enemies, a thing which Jesus commanded and which seems to have been ignored by the Christian world.

In the endeavor to obey this command, you will recognize that enmity in yourself is all there is to an enemy, but you will also see that when enmity is entertained it is practically hell within. Is it not evident that here is the very root of war? Peace societies, leagues, courts, the importunities of other nations, condemnation of us and of our government if we fail to join—all of these are of little moment as remedies for war, and full of pitfalls for those who would establish peace on any such foundations. But there is a way to abolish war. It lies within the frontiers of your own thinking. It may be briefly described in the one immortal, eternal, immeasurable word—Love. As for our rejection of the theory of latter, anything that Mrs. Eddy has written upon this point is no more radical than the saying of Jesus, "It is the spirit that quickeneth; the flesh profiteth nothing."

To recognize Mind, God, as unchanging, good, and then to permit that thought to have exclusive possession of our mentality, and to reject every appearance or suggestion that is unlike good, is the prayer that heals the sick. This prayer becomes more effectual in the proportion that thought more and more accurately resembles the divine Mind, and here especially is the Bible proved to be the Book of books. The Bible, however, is not a magical compilation that works by itself in behalf of mankind. It is good and beneficial and salutary and redemptive in its teaching, when the teaching is properly understood and put into practice, but in the Bible there are many pages devoted to evil,—long accounts of wars, details of sin and vice, in some instances of the most revolting nature. Does any sensible human being believe that God wrote those things in a book, or that he directly or indirectly inspired them? The Bible taken as a whole and read intelligently shows how the power of good can overpower all evil in human lives and in human consciousness, and thus it provides for the inevitable destruction of sin, sickness, and death and the enthronement of righteousness, health, and life.

In the Christian Science textbook Mrs. Eddy shows that the Bible begins with the spiritual record of creation and afterwards gives a material account of creation. These accounts are distinct, and entirely unlike. The first or spiritual record is found in the first chapter of Genesis and in the first five verses of the second chapter. In this record no mortality is ascribed to man who is declared to be the image and likeness of God. Not until "there went up a mist from the earth," as described in the second chapter of Genesis, did any other conception of man occur. And then what happened? "And the Lord, God formed man of the dust of the ground and breathed into his nostrils the breath of life."

To read the Bible intelligently one must recognize that different writers in ancient times wrote according to their ability or understanding, just as writers do now. Those who were spiritually endowed wrote accordingly, and correctly ascribed only good to God. Those who were materially minded ascribed evil and materiality to God. Thus occurred the story of Adam and Eve. It is not an explanation of the first record of creation but stands in opposition to it in every respect. It is an allegory. If taken otherwise this story that man was made from dust is the oldest hypothesis of evolution, for it is perfectly clear that the dust of the ground cannot think, and if Adam finally got to the place where he could think and talk, and it is written that he even talked with God—a tremendous evolution from the "dust of the ground" took place. Consequently, the evolutionists are hardly in a position to condemn those who say they believe in this Biblical account of creation, seeing that it is in accordance with their own theories and has the advantage of priority.

If there were time at our disposal it could be shown that disease and other human afflictions and mistakes do not originate in the material body. They seem to go on in the human body only when the human body is animate or in that condition which is called life or living. A sense of life on the part of the human being may be accompanied by a sense of suffering in the body, but let that sense of life depart and there is no suffering at all attached to the body. This shows unquestionably that it is not the material body that suffers or that of itself is capable of suffering.

The conclusion that one derives from such incontestable facts is that all suffering and all disease, as well as every

other form of evil of which we are cognizant, are perpetuated by the fear and belief which constitute such a large proportion of what is called the human mind. Mrs. Eddy in bringing to light the unreality of evil showed that the only source, substance, evidence, or law that evil seems to have is derived from human opinion and belief. This being the case, we ought to be able to see how important it is for us, who are thinking human beings, to learn to think according to Truth, according to Principle, according to Mind, according to God, rather than according to mere human opinion or habit.

So long as systems of education claiming to be scientific religious, and ethical persistently teach the reality of sin and disease, and people accept such teaching, just so long sin and disease are perpetuated. Isn't it time that mankind should exercise more intelligence in regard to such things?

The superstitious views incidental to material systems of healing were illustrated in a New York dispatch to a Chicago paper to the effect that an institution for the insane had lately adopted a new treatment. The patients were artificially inoculated with malaria and when they had thoroughly developed the latter disease were healed of insanity, according to the story, and then had to be treated for malaria.

It remains one of the old-fashioned doctor of whom many of us have heard who was asked to take a certain case and refused on the ground that he knew nothing of that disease, but he would take the case if they could get the patient into fits, because he knew how to cure fits.

It is strange that intelligent people should associate the word science with such experiments. The Science by which true health is come to mankind shows that the priceless gift of thought should be applied solely to worthy and noble purposes.

We are often accused of inconsistency. It is said that we deny the existence of matter and then begin at once to put on more flesh, or better clothes, or both, or acquire a house, or an automobile, or both. In short, that we get more matter while saying that there is none. This may seem inconsistent, but the fact is we are not seeking matter nor getting it primarily. We are gaining the appreciable evidence of the power and availability of Love to help us right where we need help. Jesus gave the rule. He said, "Seek ye first the kingdom of God, and his righteousness, and all these things shall be added unto you." If we think of the "things" instead of seeking and knowing the kingdom, we thereby thwart the action of the rule and prevent the things from being added unto us.

As for our rejection of the theory of latter, anything that Mrs. Eddy has written upon this point is no more radical than the saying of Jesus, "It is the spirit that quickeneth; the flesh profiteth nothing."

To recognize Mind, God, as unchanging, good, and then to permit that thought to have exclusive possession of our mentality, and to reject every appearance or suggestion that is unlike good, is the prayer that heals the sick. This prayer becomes more effectual in the proportion that thought more and more accurately resembles the divine Mind, and here especially is the Bible proved to be the Book of books. The Bible, however, is not a magical compilation that works by itself in behalf of mankind. It is good and beneficial and salutary and redemptive in its teaching, when the teaching is properly understood and put into practice, but in the Bible there are many pages devoted to evil,—long accounts of wars, details of sin and vice, in some instances of the most revolting nature. Does any sensible human being believe that God wrote those things in a book, or that he directly or indirectly inspired them? The Bible taken as a whole and read intelligently shows how the power of good can overpower all evil in human lives and in human consciousness, and thus it provides for the inevitable destruction of sin, sickness, and death and the enthronement of righteousness, health, and life.

In the Christian Science textbook Mrs. Eddy shows that the Bible begins with the spiritual record of creation and afterwards gives a material account of creation. These accounts are distinct, and entirely unlike. The first or spiritual record is found in the first chapter of Genesis and in the first five verses of the second chapter. In this record no mortality is ascribed to man who is declared to be the image and likeness of God. Not until "there went up a mist from the earth," as described in the second chapter of Genesis, did any other conception of man occur. And then what happened? "And the Lord, God formed man of the dust of the ground and breathed into his nostrils the breath of life."

To read the Bible intelligently one must recognize that different writers in ancient times wrote according to their ability or understanding, just as writers do now. Those who were spiritually endowed wrote accordingly, and correctly ascribed only good to God. Those who were materially minded ascribed evil and materiality to God. Thus occurred the story of Adam and Eve. It is not an explanation of the first record of creation but stands in opposition to it in every respect. It is an allegory. If taken otherwise this story that man was made from dust is the oldest hypothesis of evolution, for it is perfectly clear that the dust of the ground cannot think, and if Adam finally got to the place where he could think and talk, and it is written that he even talked with God—a tremendous evolution from the "dust of the ground" took place. Consequently, the evolutionists are hardly in a position to condemn those who say they believe in this Biblical account of creation, seeing that it is in accordance with their own theories and has the advantage of priority.

As a matter of fact, neither the hypothesis of evolution nor the allegory of Adam and Eve can be proved. Neither one, if proved, would benefit the human race. Those religionists who believe that man was formed of the dust of the earth cannot heal a single life, and those who believe in evolution as made clear in the teachings of Christian Science, heal incurable diseases and have done so in thousands of instances, and can save lives, and have saved those who were dying and restored them to health and life.

And those who believe in evolution as commonly taught are equally impotent in that respect. Whereas, those who in the light of Christian Science recognize that there can be but one Creator, one Cause, one infinity, and see as a consequence that man in this likeness cannot possibly be subject to sin, disease, or death, can through this understanding, as made clear in the teachings of Christian Science, heal incurable diseases and have done so in thousands of instances, and can save lives, and have saved those who were dying and restored them to health and life.

I am not unmindful that great men and women have believed and still believe in evolution, just as some of the most sincere have believed in the Adamic story, though with less reason.

I am not setting up one human opinion against another when I point out that both were and are mistaken.

They failed to grasp the primal fact that infinity is Mind, Principle, Intelligence, and that otherwise there is no

intelligence. For many years PHOTOGRAPHS have played an important part in Christmas giving. They form a GIFT that stands the test of time like none other.

## ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

It would be next to impossible to find a more good-natured man than "Charley" Hatfield. And yet Newton residents read with astonishment that he had sustained a black eye at the hands of some riotous students who attempted to "rough house" the handsome new theatre owned by Mr. Hatfield in Cambridge. Of all the attractions at that playhouse, past, present or future, we doubt if any would draw the crowds who would want to see "Charley's" eye should such an opportunity be offered.

I contend that my interest was professional and that when the news of the affair reached me I tried to find the genial Ex-Mayor and present County Treasurer of Middlesex. I wanted to enlighten the readers of this column concerning his misfortune. Any body who has ever sought to locate this busiest of busy citizens will know what I was up against. The only way I could do was to make an appointment, to which he readily consented, as he always does.

Now "Charley" is the ideal man for the interviewer. He promptly suggests a lunch, with the understanding, of course, that he is to pay the check, so that is why I was there ahead of time. I mean, I thought I would be there ahead of time, but I wasn't. He was there long before.

I was admitted to his office at the City Club, of which institution he is treasurer, and found him in earnest conversation with one man while another was waiting for him. That did not surprise me, for "Charley" can transact more business with more people at one time than anybody I ever saw.

"I'll see you in a minute," he said. "Do you think you can see me with your injured eye?" I asked.

"Sure," he answered, without blinking.

Well, Charley talked with one man and then with another and next answered a call to address luncheon club meeting on the floor above and then came down and talked to another man and gave orders to his assistants at the club. By this time it was getting late for a meal so without delay we proceeded to the dining room. Everybody at every table hailed "Charley," and he replied, stopping to answer the questions of a Superior court judge, a tombstone dealer, a salesman, a State official, an insurance broker, a professional speaker—well, everybody but yours truly.

No, I didn't get the interview, but I got the luncheon, and from what I could observe in the fleeting glimpse I caught of Mr. Hatfield I should say his eye was coming along nicely.

As far as I have been able to learn some of the aldermen are going to receive Christmas presents in the form of uncontested re-elections. I can think of nothing more appropriate for a man who has tried his best to be a good city father, than a return to City Hall by acclamation. Naturally, I am assuming he is looking for such a gift. There may be one or two members of the Newton Board of Aldermen who believe there is a Santa Claus, but I imagine they have kept the fact pretty well concealed. And yet some of the things which have taken place at City Hall this year, suggest that the boys are entitled to

the enlightenment of the few, at least as I view it. There may be those who consult professional menu makers, but as I have observed a housewife has pretty clearly defined notions as to what she is going to lay before the family and guests. Custom has decided the bill-of-fare and any attempt to introduce starting innovations would not be tolerated in New England.

It would seem to me to be far more to the point woud be some helpful hints regarding those whom one is obliged to ask to come to dinner. This obligation to gather in a lot of relatives for a turkey dinner one day in the year, is oftentimes an embarrassment. A family invites a bachelor uncle or a maiden aunt, because it has been the custom to extend to these same people the same invitation year after year. Secretly the people, who extend the invitation are not too keen about it, and the people who accept would probably like to go somewhere else on Thanksgiving, just for a change.

I happen to know a bachelor who is bored to the limit when his well-meaning relatives insist that he spend Thanksgiving with them. They, too, suspect are equally weary on this annual reunion, but neither has the courage to break off the arrangement. What is needed, as I have tried to point out, more than tips on getting up dinners is how to amuse the guests who come because they don't wish to offend, but who would much prefer to entertain themselves on Thanksgiving.

As far as I have been able to learn some of the aldermen are going to receive Christmas presents in the form of uncontested re-elections. I can think of nothing more appropriate for a man who has tried his best to be a good city father, than a return to City Hall by acclamation. Naturally, I am assuming he is looking for such a gift. There may be one or two members of the Newton Board of Aldermen who believe there is a Santa Claus, but I imagine they have kept the fact pretty well concealed. fire broke out Saturday afternoon, at 3:30, in a car of hay on the railroad siding at the C. H. Spring Company, at Lower Falls. The flames spread to two other cars and to the storage shed. Two alarms called out all the Wellesley Department, and aid was summoned from Natick and Newton. A large quantity of grain and thousands of bags of cement, stored in the shed, were ruined.

### BIG FIRE IN WELLESLEY

The woman who entrusts her guest linens to us has no apprehensions. She knows that they will look exactly as she wants them, and she also knows that this saving of her time and effort gives her the chance to dispense hospitality with real pleasure.

## When Entertaining Guests

Winter hospitalities are in full swing. Everyone is planning for some sort of festivity, and Thanksgiving time is certain to find your home the center of a merry throng.

Only a woman knows—and dreads—the appraising eyes of a feminine guest.

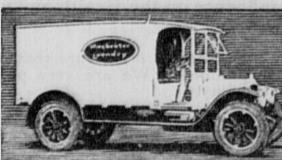

The cloth—no matter how fine—must be perfectly laundered, if it is to be a fitting background for the gleaming glass and silver.

The napkins must be folded "just so."

The towels must hang in precise order from their shining rods, with their monograms for all to see.

The bed linens must be smooth and white, with a fragrance to woo the tired guest to slumber.

MAY WE HELP YOU  
MAKE READY?

The woman who entrusts her guest linens to us has no apprehensions. She knows that they will look exactly as she wants them, and she also knows that this saving of her time and effort gives her the chance to dispense hospitality with real pleasure.

a Christmas tree. I was going to suggest they hang up their stockings, but I'm afraid that some of the Newton Fire Department might drop down the chimney and do things to spoil the party.

Lucky are they who can find time to do things in the cold weather, which they call a Winter vacation.

### THREE ACT PLAY

Members of the K. B. B. of St. John's Episcopal Church, Newtonville, announce their annual play which will be given this evening, November 19, 8:30 P. M., at Players Hall, West Newton. This Comedy in three acts is entitled, "In-Laws and Outlaws" by Fannie Barnett Linsky. The play is being coached by Miss Estelle G. March. Musical program will begin at 8 P. M. Miss Mary Pucciarelli, Violinist; Miss Doris Forte, Cellist; Mrs. Arthur Quimby, accompanist.

The cast includes, Marjorie Bolster, Marjorie Chapman, Teddy Blunt, Margaret Blunt, Mary Olcott, Barbara Cobb, Elizabeth Clarke, Caroline Drew, Betty Blackler, Katherine Nixon, Eleanor Midram, Addie Saunders, Barbara and Virginia Rogers.

Agnes Hartridge, Agnes Eaton, Virginia Hayes, Marjorie Trowbridge, Rosalind Harris, Margaret Storer and Anne Gordan in charge of candy and ushering.

### BIG FIRE IN WELLESLEY

Fire broke out Saturday afternoon, at 3:30, in a car of hay on the railroad siding at the C. H. Spring Company, at Lower Falls. The flames spread to two other cars and to the storage shed. Two alarms called out all the Wellesley Department, and aid was summoned from Natick and Newton. A large quantity of grain and thousands of bags of cement, stored in the shed, were ruined.

## WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

## RECENT EVENTS

Newton Centre Woman's Club

Thursday morning, November 11th, was Current Events morning in the Newton Centre Woman's Club. Mrs. Grace Morrison Poole was the speaker, introduced by Mrs. Frederick M. Gibson, Chairman of the Education Committee. A large and enthusiastic audience gave whole-hearted attention, while Mrs. Poole took it in the spirit to Geneva to enjoy with her a review of the sessions of the League of Nations last summer.

It has been said that we can sometimes see better through the eyes of another person, than through our own. But there seemed to be no trouble with the eyesight of either Mrs. Poole or her hearers. At Geneva, Mrs. Poole was in the seat—No. 229—at the thrilling moment when Herr Stresemann of—and for—Germany was made a member of the League. So did her audience—and saw as she told the story—a bright-eyed, eager, little American woman wipe the tears from her cheeks, as France stretched out the hand of forgiveness to her former enemy, and welcomed him.

Certainly the Newton Centre Woman's Club has listened while great men have spoken to its assemblies, many times in the past. Charles Eliot, Hamilton Mable, Bliss Perry, have stirred our hearts, but never more so than did our own gallant Club woman on Armistice Day, 1926. We saw her in the anxious hours before she actually knew she would be fortunate enough to obtain a seat, and we saw with her, as the historic scene was taking place, a vision of future nations merging their national aspirations into a new and more glorious internationalism, for the common good of mankind. Hasten the day!

On Friday, following the Current Events getting together, Mrs. John Whittlesey of the Activities Committee, was hostess at a charming Evening Assembly, successful from every point of view.

On Monday morning, November 15th, the class in Parliamentary Law, organized by Mrs. Gibson, and conducted by Mrs. Electa Sherman, held its usual weekly session.

The regular meeting of the Club which would occur on Nov. 25th in natural order, is postponed to December second.

The Director for the 12th District, Mrs. Joseph Congdon, will be the guest of the Club on that day, and it is most earnestly hoped that every seat will be filled. Prof. Robert Rogers of Massachusetts Institute of Technology will be the speaker of the afternoon. Perhaps that is why Mrs. Congdon chooses to visit the Club on that day.

Newton Community Club

The Newton Community Club on Armistice Day, November 11th, listened to a very impressive lecture on the "Dominating Forces in Europe. Today" by Prof. Charles C. Batchelder, graduate of Harvard University, lecturer on International Relations in New York University, and secretary of the American Asiatic Association. Having formerly been acting secretary of the Interphil of the Philippines, acting commercial attaché in China and Trade Commissioner in India, Siberia, Japan, and Europe. Mr. Batchelder was able to present his subject in a manner so clear and forceful that his audience followed him very closely and with deep interest. He contrasted the amazing prosperity of the United States with the poverty and consternation of Europe, and spoke in detail of the causes of their rising dislike of the United States. The failure of the democratic forms of government in the different European countries compels them to face an extremely perplexing problem. The desire for permanent peace is wide-spread and right, but the causes of wars, ninety percent of which are economic, must be removed before we can advocate complete disarmament. Mr. Batchelder laid stress on the amazing power of the ballot, and emphasized the importance of the citizen's duty to use this

Mrs. Lowell D. MacNutt of the Music Committee was chairman of the afternoon, and Mrs. Wilbur D. Gilpatrick and Miss Emma J. Totten acted as hostesses at the tea tables.

The concert of the Buitakan Trio: Barbara Werner, violin; Mildred Buitakan, violoncello and Huymen Buitakan, piano forte, consisted of the following interesting program: "Dumky Trio," "Londonderry Air," Violin Solos; "Romance" and "Caprice," Largo, from "New World" Symphony, Piano Solo, Polonaise C sharp minor, "Fairy Tales," "Valse Trieste," "By the Brook," Cello Solos: "The Swan," "Harlequin," and "Tannhauser."

Newtonville Woman's Club

The meeting of the Newtonville Woman's Club was held on Tuesday afternoon, November 16th, at the Central Congregational Church with the president, Mrs. Austin H. Decatur, in the chair. Miss Mabel Bragg spoke, urging everyone to buy Christmas Seals and thereby aid the children of Newton. She stated that children in the Newton Schools who are below par in health are helped back to normal through physical examinations and careful attention given by the school doctors and nurses. There are also eight health classes held every Tuesday for these children. The proceeds from the sale of Christmas Seals go toward this work, and the fact is emphasized that this year the Seals may be bought through the mail sale only and not at the Banks, Postoffices, etc., as heretofore. Miss Louise Sherman is chairman in charge of their sale.

The class in PLAY PRODUCTION meets every Tuesday at the home of Mrs. Percy E. Woodward, 125 Highland avenue. Mrs. Woodward will keep open house on Tuesdays all day so that those who wish may come to work either in the morning or afternoon.

At this Club meeting members were asked to bring their annual contributions of jellies, preserves, and old linen for the Newton Hospital. If anyone forgot to bring her donation she may carry it to Mrs. Charles Trowbridge, 12 Harrington street, or Mrs. Trowbridge will call for the same if notified.

After the business meeting Mrs. A. Cheston Carter, who is a recent grad-

uate of the Conservatory of Music and a member of the Club, played three short charming piano selections inspired by the White Mountains. These were very appropriate in view of the fact that the speakers' subject was also the White Mountains.

Dr. Albert Leonard Squier who has endeavored for many years to catch Nature in her varied moods, gave a stereoptican lecture on "The March of the Seasons" in the White Mountains. Dr. Squier's slides, which he himself realistically and beautifully colored, and of which he showed about 240, have been collected over a period of twenty-seven years. Beginning with winter in the Franconia Notch, he followed the cycle through spring, summer, and fall, showing how Nature is always changing, never twice alike. Dixville Notch, Pinkham Notch, Crawford Notch, the magnificent Presidential Range and the valley of the Saco, were shown in pictures almost unbelievable in their beauty. Certainly the Club members and the ladies from Stone Institute, who were the guests of the Club, were treated to most enjoyable afternoon.

After the meeting tea was served by the Hospitality Committee with Mrs. Walter V. Judkins and Mrs. George Edmonds as hostesses. The pourers were Mrs. William O. Hunt, Mrs. Irving O. Palmer, Mrs. Edwin C. Wilcox, and Mrs. George W. Auryan sen.

Junior of the West Newton Women's Educational Club

Zeal and co-operation of chairman and the committee made a success of the annual Bridge and Whist Party, for the Electa N. L. Walton Scholarship Fund, which was held at the Brae Burn Country Club on Friday last.

Two hundred tickets were sold, and a goodly sum was realized from the sale of candy. This year two of our Newton girls are receiving benefit from the fund.

During the social hour the souvenirs presented to the Club were distributed to the players.

Monday Club of Newton Highlands

Monday's program of the Monday Club consisted of two papers by those in charge of the afternoon, Mrs. G. A. Salmon and Mrs. Adra Bonser, on the subject of "The American Indian."

A rug, showing one of the Indian patterns of weaving, a piece of pottery, and some pictures of Indians in various costumes and activities, were the attractive exhibits. After the pleasurable presentation refreshments were served, marking another of the delightful meetings of the Club.

NEWTON FEDERATION OF WOMEN'S CLUBS

Legislative Meeting

On Wednesday, November 10th, the Social Science Club of Newton held an evening meeting at the home of Mrs. Henry O. Marcy, Jr., 140 Sargent street, Newton, celebrating its fortieth anniversary. The Social Committee, with Mrs. Alonso R. Weed as Chairman, arranged a "Gentlemen's Night," and provided a very delightful program. Mrs. Sayford Bacon entertained the guests with negro melodies and Miss Dorothy Stebbins gave several monologues. The music by the Curtis Trio was enjoyed by all. The president of the Club, Mrs. Samuel N. Braman, received, assisted by Mrs. Charles B. Gleason and Mrs. Henry O. Marcy, Jr.

There will be no meeting of the Club on Wednesday, November 24th, and the next meeting on December 1st will be a business meeting.

Auburndale Woman's Club

A Musicale, by the Buitakan Trio, a group of West Newton artists, was the afternoon's entertainment on Thursday, November 11th, before the Auburndale Woman's Club. A most attractive background for the artists and their instruments was arranged by the Art Committee. An oil portrait hanging against a strip of black velvet was shown by the soft light of candles in a pair of branched candlesticks which set on an old mahogany table below. Mrs. Charles S. Grover and her art committee have traveled far from the conventional platform decoration and have provided an artistic setting quite adapted to home surroundings.

Mrs. Lowell D. MacNutt of the Music Committee was chairman of the afternoon, and Mrs. Wilbur D. Gilpatrick and Miss Emma J. Totten acted as hostesses at the tea tables.

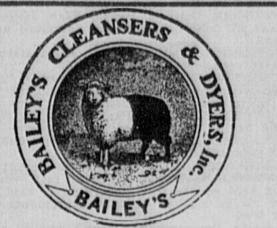

The concert of the Buitakan Trio: Barbara Werner, violin; Mildred Buitakan, violoncello and Huymen Buitakan, piano forte, consisted of the following interesting program: "Dumky Trio," "Londonderry Air," Violin Solos; "Romance" and "Caprice," Largo, from "New World" Symphony, Piano Solo, Polonaise C sharp minor, "Fairy Tales," "Valse Trieste," "By the Brook," Cello Solos: "The Swan," "Harlequin," and "Tannhauser."

(Continued from Page 12)

men," "Compulsory School Age," "Wages for Prisoners," "Tuberculosis in Cattle," some legislation that will give the maximum health protection and the minimum hardship to farmers; "Old Age Pensions," and close her address by saying that we need fewer and better laws.

Mrs. Rogers is a very easy speaker. She said she wished the men and women would work a little more closely together politically. There should not be a men's party and a women's party. A representative in Congress at Washington can not work for men alone, or for women alone, but from the point of view of a citizen. She stated that more bills were passed at the last session of Congress than at any other session in history, that the lack of friction was largely due to the presiding genius of Nicholas Longworth, who kept everybody in good humor. She apprehends more difficulty in the passing of bills this coming session owing to the many changes in the personnel of Congress. She said there is very little personal feeling in the House. After the fights the men are just as good friends as they ever were. She complimented the spirit of Congress in its democracy toward all representatives—men or women.

### COMING EVENTS

**C. L. S. C. of Newton Highlands**

Miss Marion B. Morse is to have charge of the program for the C. L. S. C. of Newton Highlands at their next meeting, Monday afternoon, the 22nd. The Life, Characteristics, Personality, and such other interesting and enlightening information in regard to "Charles Stetzel," will be the topic to be presented by Miss Morse. Miss Harriet M. Ward opens her home, 1080 Walnut street, as hostess for the Club.

**Newton Federation of Women's Clubs**

November 23rd is the date for the next Executive Board meeting of the Newton Federation of Women's Clubs. The time of meeting is 2:30 o'clock, and the place 12 Austin street, Newtonville. Delegates are urged to attend, and all Club women are cordially welcome.

**West Newton Women's Educational Club**

"How the Club Started and How it Grew," is the "takings" title of a play in two acts, written by Mrs. Bernard Early, which will be presented by members of the West Newton Women's Educational Club on Friday, November 26th, at 2:30 p. m., in Players' Small Hall. Mrs. Joseph Congdon, Director or the Twelfth District, will be the guest of honor. Music will be rendered by Club members. This is Home Talent Day, to the great pride—justifiable—of the Club.

Mrs. Hugo D. Sharp will be hostess to the TRAVEL CLASS on Monday, November 22nd, at 2:30 p. m. Two papers are to be given: "Spanish Art and Artists," by Mrs. Louie Bacon, and one on "Philip II and His Times," by the class. Mrs. A. L. Day will assist the hostess.

**Junior of the West Newton Women's Educational Club**

Mrs. B. Howard Lester, 133 Wiggin road, West Newton, has invited the Juniors to hold their next meeting, which will be December 13th, at her home. At this meeting they will entertain the Juniors of the Auburndale Women's Club.

This hospitality will make for an otherwise bridge idea of our Juniors, and one that will cement friendships in various sections not only now but in all the years to come, for the advancement of Club interests, as well as more delightful personal ones.

### Rainbow Revue

Do not forget this fascinating event of November 28-27, with its beautiful backgrounds, charming costumes, artistic effects, and dancing, not to mention the talent chosen from Newton's own gifted midst. All the features are told you in another column of the paper, but Club women, and residents, are reminded of this excellent opportunity to add the Newton Hospital Fund, while aiding themselves to a happy evening.

And do not forget another outlet for good—the child of the Newton Hospital Aid Association—interesting facts of which are brought to your reading:

### Hospital Benefit Shop

It would be interesting for any one to spend an afternoon in the shop to

see how distinctly the "benefit" idea works out. Mothers are grateful for this place where they may get clothes of good quality even if they are worn to send their children to school warmly clad; one old grandmother comes regularly looking for clothes for a flock of grandchildren; men, too, are keen for bargains for the little folks and neighbors without children buy regularly for little folks in whom they are interested. Working men are asking each day the shop opens for clothes to go to their daily work.

This is all most encouraging, but we cannot meet the demand—for we can't meet it unless our many friends in the city send us the clothing and household goods they can spare. Please make this a part of your regular routine and if you have so much you need a truck notify Mrs. Van Horren, Centre New, 1898-W and she will arrange transportation. It's YOUR shop.

### General Federation

**MOVING PICTURES.** The Committee on Motion Pictures of the General Federation, whose Chairman is Mrs. Alfred C. Tyler, of 1309 Davis street, Evanston, Illinois, has inaugurated a most valuable plan of having her Committee give reliable information on current pictures. This will not be individual opinion, but majority of the committee, and plays will be listed as for adults, for children, or for the "family group." Her aim also is to make Friday and Saturday the days to view pictures for these last. It can readily be seen that if the Club women will follow her lists, and see those she recommends from her committee, avoiding those not listed, what a mighty effect it can have in driving from the screen those of the type boy-cotted! These lists made up at regular intervals can be secured for one dollar a year. Your editor, however, takes pleasure in listing some of the current ones as passed upon by this committee, and this should serve as a wonderful guide if Clubwomen will clip this, paste it to a cardboard, so keeping it intact for reference, and FOLLOW IT!

The following are recommended for Friday night and Saturday as suitable for the family group:

### Excellent

Ben Hur; For Heaven's Sake; Grass; Moana; The Devil Horse.

### Good

His People; Oh What a Nurse; Rocking Moon; Skinner's Dress Suit; Social Celebrity; The New Klondike; Ella Cinders.

The following, below average in value, are not recommended for the family. Value for adult audience, indicated.

Beverly of Graustark. Passable. Improbable.

Blind Goddess. Passable.

Dancer of Paris. Poor story. Poorly done.

Devil's Circus. Stupid.

Flame of the Yukon.

Kiki. Unwholesome.

La Boheme. Passable.

Men of Steel. Grossome.

Greater Glory. Worth seeing by adults—not family group.

Silken Shackles. Nil.

The Sky Rocket. Poor. Not worth seeing.

Volga Boatman. Objectionable scenes.

Wild Oats Lane. Waste of time.

Partial List of films recommended in 1925 by Parent-Teacher Association, Educational Screen and Better Films Committee of the National Board of Reviews. Each film was endorsed by two, and most of them by all. All are excellent.

A Kiss for Cinderella, Abraham Lincoln, Air Mail, Beau Brummel, Beggar on Horseback, Big Parade, Black Cyclone, Boy of Mine, Calgary Stampede, Charley's Aunt, Classmates, Don Q. Son of Zorro, Dorothy Vernon of Haddon Hall, Forty Winks, The Freshman, Peter Pan (children), Pony Express, Sally of the Sawdust, Shore Leave, So Big, Sundown, The Gold Rush, Thief of Bagdad.

**Dates of Next Meetings and Activities**

December 9. Newton Community Club.

December 13. Monday Club of Newton Highlands.

December 13. Juniors of the West Newton Women's Educational Club.

Only a discussion being held. Asked by Mr. Heathcote if an informal vote was taken, Mr. Weeks replied, "Yes."

He also remarked that he did possess sufficient stamina to face the "two platoon" issue, hoped it would be voted on at this meeting, reaffirmed

## TWO PLATOON SYSTEM

**Alderman Heathcote Reopens Discussion on Two-Platoon**

his intention to vote against its establishment in Newton, and commented that it will not be out of order to allow the voters of the city to express their opinion on this question again.

Alderman Gordon, the second recipient of Mr. Heathcote's adverse criticism, next took the floor. He made no lengthy reply to the asperion cast upon him by his fellow alderman from Ward 4.

## ABOUT TOWN

The riot recently by students of Massachusetts Institute of Technology, in which, according to the Boston papers, a number of women were terrorized in public conveyances and halls, and thousands of dollars of damages inflicted upon elevated cars, automobiles and private property, would not seem to indicate that education is having a refining influence on the young men who engaged in this disgraceful exhibition. "Boys will be boys," and boys can be boys without acting like hoodlums or rowdies. There is nothing courageous in being a member of a mob of hundreds and intimidating individuals or much smaller groups. Some of those who display great bravado as part of mobs have not enough gumption to tackle a muscle-bound jelly-fish when alone. Had the members of the mob which ran wild in Cambridge and the Back Bay been composed of so called "rough necks" from the poorer districts, there would have arisen a clamor for drastic punishment for those participating in the orgy. The Boston police have been criticised for not checking the rioters. Some years ago when crowd of students from this same institution of learning became obtrusive, the Boston police did use force in dealing with them. As a result, some of the police, including ranking officers, were severely punished. Some persons attempt to condone such an exhibition of lawlessness as was unloosed by the students by saying "mob psychology." If those indulging in such destructive "fooling" were properly punished, whether "rough necks" or "high-brows," similar mobs would not "pounce."

We received a post card from Alderman George Grebenstein last week, mailed in Chicago, where George and his wife were staying. George was billeted on the 39th floor of a big hotel. No danger of any thief climbing in the window of a room on this floor.

We like the country—the trees, the fields the birds, the cows, the chickens. We have no objection ordinarily to the birds which stalk majestically about hen yards and do their best to show that the male of the species is intended to do the hossing. But there is one rooster in our neighborhood that should be converted into a fricassee or some other edible. This bird does not know his stuff. Instead of starting his vocal efforts just before dawn, this fowl begins to crow about 10:30 nights and continues to pierce the quiet of the district with his discordant squawks for an hour or more. He even starts other roosters who are awakened by his broadcasts to compete with him at this unseemly hour. Midnight chameleons may be all right in Oak Hill and other rural sections of the city. But they are a nuisance in general residence zones where the houses are built in close proximity. Roosters should be restricted to single residence zones in Newton.

At a recent regular meeting of the Aldermen, it was moved by Alderman Weeks that ex-service men in the employ of the city be permitted to take two years vacation in one during the coming Summer, so that they may participate in the trip to France, which will be conducted by the American Legion. This courtesy will be extended by the Commonwealth to its employees and the Aldermen concurred with Mr. Weeks in giving this privilege to City of Newton employees who may desire to go on the excursion across the Atlantic.

The peculiar situation continues—that although traffic stands have been placed in most of the traffic posts in the city, the most important traffic post is yet to be provided with a platform or tower for the officer there. Observing the reluctance of the city to furnish this needed accommodation for the traffic officer at Nonantum Square, public spirited citizens offered to defray the cost of a tower at this congested spot. A few months ago it seemed that steps were to be taken to change the terminus of the M. & B. cars at Nonantum Square, so that a tower might be erected. But, for some reason, or another, no action was taken. The traffic officer in Nonantum Square, instead of being located in a tower where he could be easily seen by autoists approaching from all directions, is still hidden from view.

Although the new well being made at the water reservation at Needham will provide enough extra water for Newton's needs during the next few years, it is probable that another well must be dug later on to furnish an additional supply. An excellent location is known for this future well. Not at Needham, where perhaps most of the available water is being drained from surrounding territory, but at Nonantum Square, Newton. Just where the traffic officer stands in this well known location, water seeps constantly through the tarred surface of the street. The seepage increases perceptibly after a rain and indicates a steadily flowing underground stream below. If the oozing of the water continues to grow in quantity, Traffic Officer Taffe may have to wear skates this winter.

Photographers advertise that portraits make very acceptable Christmas gifts. This is quite true. To make them even more attractive, attractive folios to hold photographs are being put on the market. These folios will take the places of the old time plush albums, once so popular, but which have been in the discard for many years. The day was, when the photo album was Exhibit A in the family parlor. If conversation lagged, the album could be opened and the collection therein displayed to visitors. Or, even when one was alone, it was a pleasure to turn over the leaves of the album and gaze at the likenesses of relatives and friends. Then came the vogue of displaying photographs on the parlor table or mantel. One was considered "countryfied" to have a bulky old portrait album visible. Mantles have become scarce in houses built in recent years, and table are used for other purposes

than showing photographs. With few exceptions, photographs sent us by friends have been laid aside us in some receptacle, where they are seldom seen by us and never by our visitors. This is not as it should be. The new fangled folios will fill the void which has existed since the plush and leather bound albums were tabooed.

The Boston & Albany Railroad has had a large gang of men at work cleaning out the trenches alongside the tracks. These trenches receive a thorough cleaning out each year, before the winter season sets in.

Hundreds of automobiles from Rhode Island, passed through Nonantum Square, Saturday afternoon and evening, going to and returning from the Brown-Harvard game. The autos were routed from Dedham, through Needham, Newton Highlands and Newton Centre, by signs placed at short intervals along the streets by the Automobile Legal Association.

## Commonwealth of Massachusetts, Probate Court.

Florence E. Hammond, 100, May Holmes, Lena O. Holmes, Lena L. Holmes of Newton in the County and Commonwealth of Massachusetts, and to Matthea A. Skeene of parts unknown, and to all other persons interested.

WHEREAS, Minnie A. Chapman of Long Island in the State of New York has presented to said Court, her petition, praying that she holds as tenant in common with her, two undivided, two hundred twenty-fifth parts or shares of certain land lying in Newton in said County of Middlesex, and to said Court, her petition as follows:

About 7500 square feet of land on Quineboogin Road, being lot (3)-16, Block 4, Section 50 of Newton Assessors' Plans.

You are hereby cited to appear at the Land Court, to be held at Boston, in the County of Suffolk, on the sixth day of December A.D. 1926, at ten o'clock in the forenoon, to show cause, if any you have, why the prayer of said petition should not be granted.

And unless you appear at said Court at the time and place aforesaid, your default will be recorded, and the said petition will be taken as confessed, and you will be forever barred from exercising any rights of redemption as aforesaid.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week for three successive weeks in the Newton Graphic, a newspaper published in said Newton.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this tenth day of November in the year nineteen hundred and twenty-six.

Attest with seal of said Court.

CHARLES A. SOUTHWORTH, Recorder.

Nov. 19-26-Dec. 3

## MORTGAGEE'S SALE

By virtue of a power of sale contained in a certain mortgage deed given by Ambrose Seaward, Jr., to the Commonwealth of Massachusetts, on the sixteenth day of December A.D. 1926, at ten o'clock P.M., at my office, 303, Plan 15, recorded in said County of Middlesex, being lot No. 26, in said County of Middlesex, on the sixteenth day of December A.D. 1926, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And unless you appear at said Court at the time and place aforesaid, your default will be recorded, and the said petition will be taken as confessed, and you will be forever barred from exercising any rights of redemption as aforesaid.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week for three successive weeks in the Newton Graphic, a newspaper published in said Newton.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this eleventh day of November in the year nineteen hundred and twenty-six.

Attest with seal of said Court.

CHARLES A. SOUTHWORTH, Recorder.

Nov. 19-26-Dec. 3

SHERRIFF'S SALE

## Commonwealth of Massachusetts, Probate Court.

Middlesex, ss. October 26, A.D. 1926. Taken on execution and will be sold by public auction, on Wednesday the fifteenth day of December A.D. 1926, at ten o'clock P.M., at my office, 303, Plan 15, recorded in said County of Middlesex, being lot No. 26, in said County of Middlesex, on the sixteenth day of December A.D. 1926, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And unless you appear at said Court at the time and place aforesaid, your default will be recorded, and the said petition will be taken as confessed, and you will be forever barred from exercising any rights of redemption as aforesaid.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week for three successive weeks in the Newton Graphic, a newspaper published in said Newton.

Witness, John C. Leggat, Esquire, First Judge of said Court, this eighth day of November in the year nineteen hundred and twenty-six.

LORING P. JORDAN, Register.

Nov. 19-26-Dec. 3

HERBERT C. BLACKMER, Deputy Sheriff.

Nov. 19-26-Dec. 3

Commonwealth of Massachusetts, Probate Court.

To the heirs-at-law, next of kin, and all other persons interested in the estate of

Mary Elizabeth Watson, deceased.

WHEREAS, a certain instrument purporting to be the will and testament of said deceased, has been presented to said Court, by the testator, Richard L. Watson, who prays that letters testamentary may be issued to the executrix therein named, without giving a surety on her official bond.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks in the Newton Graphic, a newspaper published in Newton, the location to be one day, at least, before said Court, and by mailing post-paid, or delivering a copy of this citation to all known persons interested in the estate, seven days after the date of publication.

And unless you appear at said Court at the time and place aforesaid, your default will be recorded, and the said petition will be taken as confessed, and you will be forever barred from exercising any rights of redemption as aforesaid.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week for three successive weeks in the Newton Graphic, a newspaper published in said Newton.

Witness, John C. Leggat, Esquire, First Judge of said Court, this fifth day of November in the year nineteen hundred and twenty-six.

Attest with seal of said Court.

### THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

NEWTON 19-Rindge 0

Newton scored its second Suburban League win of the season last Friday afternoon by defeating Rindge Technical high 19 to 0 on Claffin Field. The game was much better than the score would indicate as Rindge held the orange and black at bay until the third period when Newton tallied twice. Rindge never really threatened and was in Newton's territory but twice. In the opening period Coffey got away for several nice gains, mostly on end runs, and Rindge had marched from their 22-yard line to Newton's 36 yard line in three successive first downs, in the first five minutes of play. Scheinfeld and Cole went in at each end. Three plays netted Rindge but five yards. Rindge attempted a forward pass but Gilligan was on the job. He knocked the ball to the ground and it was Newton's ball on the 31-yard line. This ended Rindge's advance. In the third period Rindge again passed midfield but Scheinfeld tackled Stokes with such force that the Rindge back lost his hold on the ball. Joe Gilligan, who was right behind Scheinfeld scooped the ball up and ran fifty yards for Newton's second touchdown. Clark's attempt at a goal was blocked but Rindge was offside and the point awarded.

Newton had previously tallied in the same period when a forward pass from Clark to Cole for a twenty-three-yard gain put the ball on the 18-yard line. Brown made three yards, and Gilligan slipped off tackle for five more. On a fake lateral Gilligan went through tackle for ten yards and a touchdown. Clark missed the goal.

In the final period Newton reached the Rindge two-yard line only to fumble. Rindge recovered and punted to its 39-yard strip. Clark went through center for four yards and Brown made it first down. Clark then tossed a forward over left end to Annabell who crossed the goal line as he caught the ball. Clark missed the goal.

The summary:

NEWTON—Scheinfeld, Nason, le; Hapgood, lt; Shea, Stubbs, ig; Martin, Gatchell, c; Wilkerson, Harrington, Forrestall, rg; Stubbs, Hamilton, rt; McNeil, Cole, Kent, re; Clark, Annabell, qb; Gilligan, Clark, Perry, Ibb; Mabey, Brown, rhb; Bennett, Symonds, fb.

RINDGE—Lynch, re; Graham, Enquist, Stafford, Meeker, Chapman, Davis rt; Kenealy, rg; Hall, c; Milo, Ford, ig; Owens, Morse, lt; Courtney, Fields, le; McKee, qb; Coffey, Welch, rhb; Stokes, Ibb; Burke, Hines, fb.

Score by periods 1 2 3 4 Total

Newton 0 0 13 6 19

Touchdowns made by Gilligan 2, Annabell 1. Point after touchdown made by Newton by penalty. Referee H. P. Woodlock. Umpire, A. J. Woodlock. Linesman Simmons. Time four 11 m. periods.

#### RINDGE RELICS

Joe Gilligan was the outstanding player in Newton's backfield. He looked a lot like his brother Tom in action and when he learns, as Tom did, to get away fast, he will be even more valuable to Coach Dickinson. He ran back the first kickoff for 21 yards after which Clark punted to the Rindge 22-yard line. Rindge started its pretty march which ended on Newton's 31-yard line when Gilligan knocked down a forward pass on fourth down. Many of the spectators were amazed that Gilligan did not grab the pass and run with the ball as he had every chance to do. But the Newton boy used his brains. If he had intercepted the ball he could not have carried it very far as there were several Rindge players nearby. By bating the ball to the ground he caused the ball to be put in play on the 31-yard line instead of about the 25-yard.

Newton threatened near the end of the first period. After Clark had punted to Rindge 20-yard strip and Rindge was penalized fifteen yards for holding, Clark caught Coffey's punt on the 40-yard line and ran it back 10 yards. He was tackled hard and a Rindge player recovered his fumble and stayed off a probable score.

On Clark's punt to the 20-yard line Scheinfeld showed a dazzling bit of speed. Clark got off a well-placed low kick which sailed by the Rindge safety man. Before the Rindge man had turned around Scheinfeld passed him and he fell on the ball on the 20-yard line when it stopped rolling.

Dickinson started only two regular linemen, Hapgood and Stubbs. Before the first quarter ended they were all in there except Forrestall, who went in at the start of the second half. Clark and Bennett were the only regulars to start in the backfield although in reality Dickinson has no regular backfield to work with.

Next to Gilligan, Scheinfeld played the best game for the orange and black. This lad, who is but 15 years old, was all over the field. Rindge gained considerable ground around left end in the opening period but when Scheinfeld went in they could not make any yardage around him. He was in on the run in every play in his vicinity and if he missed the carrier he spiled the interference to allow Gilligan to make the tackle. The pair of them teamed up well in the third period when Scheinfeld tackled Stokes so hard that he caused him to fumble the ball. Gilligan was right on the little end's heels and scooped the ball up on the dead run. There was not a single opponent who had a chance to make a tackle.

Clark tossed a pair of pretty, forward passes. One to Cole in the third period which gained 25 yards and put the ball on the 18-yard line. Gilligan went over on the third play for the first score. In the final period Clark tossed one to Annabell over the left side of the line and the sub-quarter gathered the ball into his arms as he

crossed the goal line for the touch-down and a 20-yard gain.

Every man on the orange and black squad who was in shape to play got into the game in the closing minutes. Kent, a sub-end, and Perry, showed flashes of good football. Kent intercepted in Rindge forward pass on the Newton 42-yard line to keep Rindge out of Newton territory. Brown slipped off tackle for a 17-yard gain. Perry carried outside. Again he took the ball and made four yards. Annabell made two and Perry made it first down with a yard to spare to end the game.

#### SPORT NOTES

The Suburban League season of 1926, is rapidly drawing to a close. Each of the six members have but one more game to play, all of which are scheduled for Thanksgiving Day morning. Newton and Brookline will wind up the season on Claffin Field. Everett and Cambridge Latin will play at Everett, and Somerville and Rindge will stage the third contest. Everett is safely ensconced in first place and seems to have the league title and the Foss trophy tucked away under their moleskins, without any question. Brookline is the one team in the league that has an outside chance of tying the Gideons outfit. Should Everett lose to the Cantabs, which would be one of the biggest upsets of the season, as Everett is now travelling at top speed, and Coach Hines eleven vanguard Newton the two teams would be deadlocked.

The final period Newton reached the Rindge two-yard line only to fumble. Rindge recovered and punted to its 39-yard strip. Clark went through center for four yards and Brown made it first down. Clark then tossed a forward over left end to Annabell who crossed the goal line as he caught the ball. Clark missed the goal.

The summary:

NEWTON—Scheinfeld, Nason, le; Hapgood, lt; Shea, Stubbs, ig; Martin, Gatchell, c; Wilkerson, Harrington, Forrestall, rg; Stubbs, Hamilton, rt; McNeil, Cole, Kent, re; Clark, Annabell, qb; Gilligan, Clark, Perry, Ibb; Mabey, Brown, rhb; Bennett, Symonds, fb.

RINDGE—Lynch, re; Graham, Enquist, Stafford, Meeker, Chapman, Davis rt; Kenealy, rg; Hall, c; Milo, Ford, ig; Owens, Morse, lt; Courtney, Fields, le; McKee, qb; Coffey, Welch, rhb; Stokes, Ibb; Burke, Hines, fb.

Score by periods 1 2 3 4 Total

Newton 0 0 13 6 19

Touchdowns made by Gilligan 2, Annabell 1. Point after touchdown made by Newton by penalty. Referee H. P. Woodlock. Umpire, A. J. Woodlock. Linesman Simmons. Time four 11 m. periods.

The Harvard freshman outfit vanquished the Yale freshman team last Saturday, in the Yale Bowl, 19 to 7. Guy Holbrook, former Newton high backfield star, gained considerable ground for the Crimson. Coaches Eddie Casey and Rufus Bond have turned out a very creditable '26 eleven and one which should supply considerable material to next year's varsity squad.

But in spite of these handicaps, Coach Dickinson will have an eleven on the gridiron next week, that will be primed to go. Forrestall, one of the bulkwarks in the line got back into the game against Rindge and showed that he has not lost any of his stellar ability. With the exception of the centre, the orange and black will be as strong in the line as at any time this year. And make no mistake, this lad Gatchell, who is playing the pivot position, has been playing a remarkable game since he got his first real assignment against Bergen of Somerville, last year's all-scholastic centre. With the experience he has gained and will gain against B. Gleason of Brookline, he will be an outstanding centre next season. Three weeks ago, he had a lot to learn. He still has for that matter, but he has acquired more football knowledge inside of a few weeks than any other man on the squad.

Against Brookline, Newton will have a driving set of backs. None of them can compare with Proctor, as an open field runner or punter, but they surely can drive. Macey, Brown, Symonds, Clark, and Bennett can hit the line hard. Joe Gilligan, who added more fame to the Gilligan family football history by his play in the Rindge game, is coming along fast. He has one noticeable fault, similar to that possessed by his brother Tom, two years ago. Upon receiving the ball, Tom used to hesitate. Not much, but the fraction of a second sufficient to prevent him from eluding a tackle. He overcomes this by attending indoor track practice and learning how to get away to a fast start. When the youngest member of the trio of brothers, Joe, can learn to get away as Tom now does, and when he adds a few more pounds to his weight, there will be no reason why he should not be the equal of his older brother at least, if not better.

The probability is that the game will be a toss-up with the outcome depending upon the ability of one team being able to capitalize the breaks. On the basis of straight football, Newton would seem to have the advantage because of the inability of the Brookline team to rush the ball. Brookline has two threats—the overhead game and Capt. Roger Gleason's toe. Should Brookline win it will do so by one of these methods. Either the orange and black will be forced onto the defensive by Gleason's punts until Brookline has the ball in position for a field goal or successful forward will accomplish the same result. Newton should be able to keep Brookline from its goaline. On the other hand, Newton should be able to carry the ball well into enemy territory by well directed plays.

Clark tossed a pair of pretty, forward passes. One to Cole in the third period which gained 25 yards and put the ball on the 18-yard line. Gilligan went over on the third play for the first score. In the final period Clark tossed one to Annabell over the left side of the line and the sub-quarter gathered the ball into his arms as he

crossed the goal line for the touch-down and a 20-yard gain.

Forristall, rg; Stubbs, rt; Cole, re; Clark, qb; Macey, Ibb; Gilligan, rhb; Brown, fb.

BROOKLINE—Woods, re; Werner, rt; Myers, rg; B. Gleason, c; Pollock, Ig; Johnson, lt; Chandler, le; R. Gleason, qb; Record, Ibb; Lynch, rhb; Rollins, fb.

JOHNNY POWERS of Auburndale, star back on the St. Mary's high of Waltham eleven, scored two touchdowns against the strong Salem high eleven last Saturday. Salem rolled up 32 points to the visiting team's 13.

The Big Brown Bear chewed up John Harvard Saturday night. Two Newton boys were players on the vanquished eleven and two were on the vanquished outfit. Charlie Considine, Brown centre, was rated as one of the outstanding players of the game by "Tacks" Hardwick, former Harvard star in his after the game story. George Owen could not decide which Brunonian was the best and rated them all as "immense." Ed. Kevorkian at tackle played his usual fine game. Although but a few miles from home the local boys were not allowed to spend the week end with their parents and were hustled with the rest of the squad into busses and back to Providence, so as to keep them on edge for the Turkey Day battle with Colgate, Brown's last foe of the year.

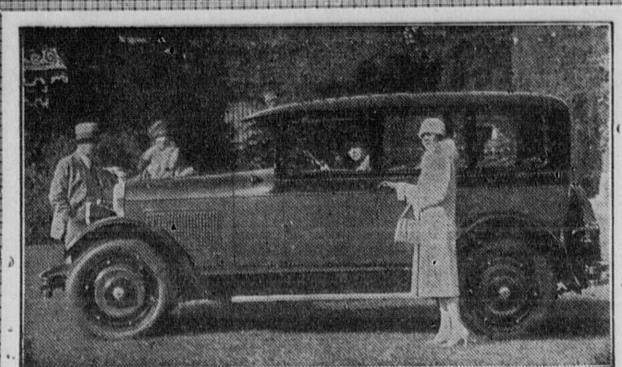

Capt. Clem Coady of Harvard, did not start the game, but got in later on and valiantly tried to withhold the charges of the Brown line. Regardless of the outcomes of the past games Harvard and Harvard supporters will count it a good season if the eleven defeats Yale tomorrow, at New Haven. No matter which team wins tomorrow, Capt. Coady can always feel proud of the 1926 Harvard outfit. Under its new coach, Arnold Horween, the Crimson eleven, has made rapid strides in the past ten weeks, and miracles have been accomplished. And Clem Coady has had no small a share in bringing them about.

Jake Stafford relieved Putnam, first string Harvard quarterback, against Brown and save for one or two instances displayed some of his oldtime ability. He ran the team better than Putnam in the opinion of many and may possibly get the first call as signal barker tomorrow.

Miss Claire Garrison of West Newton, has been chosen as left halfback on the All-Boston varsity field hockey eleven, which will compete at Philadelphia, next week, in the annual intercity tournament for national honors.

The Harvard freshman outfit vanquished the Yale freshman team last Saturday, in the Yale Bowl, 19 to 7. Guy Holbrook, former Newton high backfield star, gained considerable ground for the Crimson. Coaches Eddie Casey and Rufus Bond have turned out a very creditable '26 eleven and one which should supply considerable material to next year's varsity squad.

Andover defeated Exeter 20 to 3 last Saturday in the annual classic battle between the two ancient rivals in Prep school circles. Many Newton fans were with interest the outcome of the game. Newton was well represented on the Exeter team by the presence of Francis and Tom Gilligan in the backfield and Carlton McCullough in the line. Tom Gilligan, standing on Andover's 45-yard line, tallied Exeter's only score in the second period by a beautiful field goal from a slight angle. It was the fourth attempt he has made to score, two of the other tries falling short of their mark, and the other going for a touchback. All of the attempts took place in the second period. On the first play in the session his drop kick from the 40-yard line was caught on the 10-yard mark. Andover punted to midfield. T. Gilligan reeled off 12 yards on an end run for first down. Three plays netted but a single dropkick. This one was caught on the 7-yard line and run back to the 30-yard mark. An exchange of punts gave Exeter the ball on the opponent's 45-yard line. Tom made ten yards off tackle for first down. Three plays later netted another first down. Three more plays gained but three yards and Tom tried a placement kick from the 30-yard strip which went for a touchback. Andover punted to Tom on his 44-yard line and after signalling for a fair catch the former Newton star fumbled. His brother recovered and Andover was penalized 15 yards for interference on a fair catch. Tom made seven yards inside of right end. Two yards were lost on the next play and an incomplete forward made it fourth down. Here Tom made his field goal. He tried again in the third period but this attempt also fell short. Tom was the outstanding player on the Exeter eleven but was ably supported by his brother Francis and McCullough at end, both of whom excelled for the New Hampshire outfit.</

In the Standard Six Custom Sedan you have the subtle loveliness of custom design, the tasteful luxury of custom quality, the faultless harmony of custom finish, and the outstanding performance that is uniquely Studebaker—all at a One-Price price! Full-visioned steel body in duotone lacquers with disc wheels to match. Chase mohair upholstery, broadlace trim, Butler finish hardware, and the quiet Studebaker L-head engine, famous for its silky, smooth performance.

Based on the power ratings of the Society of Automotive Engineers, the Standard Six Custom Sedan is the most powerful car of its size and weight. See it—ride in it!

## 55th ANNIVERSARY

### Historical Sketch of the Church of the Messiah at Auburndale by Mrs. H. R. Turner

Sunday, October 31, 1926  
Written by Mrs. H. R. Turner,  
Read by Mr. W. W. Heelsman,

Fifty-five years seems a long time to look back upon. Still longer to look forward to. When to consider the changes which have taken place within this last half century we seem to feel as if we must have been somewhere in the Middle Ages fifty years ago.

To go back still farther than 55 years we find that even seventy years ago in 1857 there was a demand for an Episcopal Church in this part of the city. St. Mary's in Newton Lower Falls had been established in 1813 and there was a large church at Newton Corner, but between these two were long distances, and many people were shut out from the privileges of a church.

An effort was made even then, in 1857, and a seed was planted which has never stopped growing. Services were held occasionally in the Village Hall in West Newton and in the Unitarian Church; also in the Lasell Seminary Hall in Auburndale, and in a small hall on Lexington street. No records were kept, and not until November 6, 1871, was a distinct effort made to organize a Church Society. This was done by the call of ten men and a warrant was posted at West Newton.

Who were these ten men? Were they representing ten women and ten families? History says nothing about them. They were there, they performed the work that they were appointed to do, and they passed on. Others took up the torch and kept the flame living.

The little parish was formed and admitted to the Convention, and in 1873 it took its stand among the Churches of the Diocese. In April, 1873, we read also that a committee of women reported on Parish Work at the Annual Meeting so that we may be sure that the women of the Parish were not idle.

In January, 1872, a committee was appointed to find land for building a church and to collect funds for the same. This committee was Jeremiah Allen and James Ford. They found that land could be bought in West Newton near the railroad, of Mr. Sanger for 12 cents a foot. They were hiring the Village Hall from this same Mr. Sanger. Land was discussed belonging to Sanger, Houghton, Kingsbury, and Allen. All lots seemed to be between the railroad at West Newton and Auburn street, probably about where the Catholic Church now stands.

Rev. G. W. Shinn, Rector of Grace Church, was always encouraging the growth of the little parish. He officiated on Sunday afternoons very regularly, and without his aid little could have been accomplished. Rev. C. S. Lester was the first Rector—appointed in 1872. He stayed but a short time.

In 1873 the Rev. W. H. Fay was appointed at \$10 a Sunday, but in 1874 he resigned.

In 1875 Rev. F. W. Smith was invited to become the Rector and accepted. The church was then able to pay \$600, and received \$400 from the Parish Aid, and also \$200 from the Diocese. Gradually the little parish was working ahead. In 1876 another committee was appointed to find land.

They reported on Shaw street, land of Houghton, 12,000 feet at 28 cents a foot; also on Chestnut street and Waltham street. The report was accepted and committee discharged.

In 1877 the words "and Auburndale" were added to the official title of the church, and it became known as the "Church of the Messiah of West Newton and Auburndale." In this year there seemed to be a general break-up; the Rector resigned, and Mr. Matteson of Providence was unanimously invited to the rectorship of the parish.

Mr. Matteson had just been ordained at the Cambridge Theological Seminary. He made a very favorable impression. He asked for a vacation of eight weeks in Europe before assuming his duties, and this was granted. He began his duties on September 6, 1891.

Sunday, March 12, 1892, Mr. Matteson announced that the vestry had appointed a committee to take the matter of building the new church in charge and arrange preliminaries.

The corner stone for the new church was laid October 3, 1892, by Bishop Brooks and Rev. Dr. Shinn.

The Church Committee consisted of the Rector, Mr. N. F. Nye and Mr. J. W. Bird. The specifications and plans were by J. Foster Ober, and building and construction was in charge of H. H. Hunt. Mrs. Henry Whitman of Boston was interior decorator and gave her services. Several handsome memorial windows were given, the one at the back of the altar May 3, 1895, in memory of Mrs. Jewett, wife of Henry L. Jewett; the Masonic window in memory of Seth Kendall Hallowood from Dalhousie Lodge of which Mr. Matteson was a member; a window in memory of Mrs. Lincoln from her husband; one in memory of Miss Lizzie Shim, daughter of Dr. Shim, from her friends and pupils at Lasell Seminary; one window from the infant class in 1893 and the handsome reading table for the Litany in memory of Lawrence Adams Jewett, marked "He loved his church."

Mr. Matteson remained with the church from 1891 till 1914, a period of 23 years. He was beloved by every one and had a strong following, but he wished for more experience and responded to a call for a more extended service. After several months in which the absence of a Rector was keenly felt, a call was given to the Rev. Harry Beale at that time located in New York State, and a graduate of the Cambridge Theological Seminary.

Mr. Beale accepted the call and was settled over the parish from September, 1915, to April, 1917. He was a splendid organizer, and his work with the boys and young men was especially valuable. He formed an Altar Guild, and the Women's Guild took on new life. He formed a girls' choir and it was his aim to have every one in the parish connected with at least one of the church organizations.

Mr. Beale at the end of two years' service felt within himself that he was capable of more work than he could find with us, and responded to a call from Grace Church, New Bedford, the largest parish in that city, leaving us again without a leader.

A committee was appointed to find a new Rector and the Rev. Peregrine M. Wood came to us from Berlin, N. H. Mr. Wood after over 15 years' experience in the missionary work of the church in the East and West came to us finding it a great joy to be near

received an impression of reverence and devotion and one felt that the "Lord was there."

In May, 1898, the plans for a new church were presented to the parish by Mr. Parker and his enthusiasm and talent and the keen desire of all the members to have a place of worship carried the work along. Mr. Parker's experience with the Congregational Church made him more capable. In building the Congregational Church, it is said, that the pews and the wood carvings about the pews were the work of his own hands, and also in painting the illuminated tablets he worked 72 consecutive hours without sleep.

The Chapel was opened for the worship of Almighty God for the first time on Michaelmas Day, September 29, 1881, at 7:30 A. M., when the Rev. George W. Hinn, D.D., of Newton, celebrated the Holy Eucharist and preached the sermon.

In February, 1882, Rev. Henry Aiken Metcalf became rector of the parish, at which time there were about 40 communicants.

Now the little parish began to enjoy itself and the years went very smoothly. Gifts came from all directions. Grace Church gave a bell. Mr. Dutton gave a sterling silver Communion Service which is still in use. Mrs. Darling, sister of Mr. Nye, gave a small pipe organ. A handsome reredos for the back of the altar was given in memory of Mrs. Fletcher, and a cross from Mr. Fletcher in memory of his mother. Altar linen and vestments were given by Mrs. Carter and Mrs. Parker and others. Also a pair of handsome vases from Mary E. White.

The Sunday School became particularly interesting as Mr. Metcalf showed great ability in training children; he was a writer of more than ordinary ability and contributed to many church periodicals, and was considered an authority on the ritual and the customs and precedents of the church. The Women's Guild became a flourishing branch of the church work and sent away innumerable barrels and boxes to less fortunate parishes.

In 1889 more room was needed; the Chapel was crowded. A committee was appointed to consider the building of a church or enlarging the Chapel. The building committee consisted of the Rector, Mr. Charles Edward Parker, Senior Warden; Mr. Nathaniel F. Nye, Junior Warden, and Mr. Charles Willard Carter, a Vestryman. The committee wished to build a church, a rectory, a parish house, and a parochial school. As soon as they were organized they purchased additional land for this purpose. It would be difficult to say just what the trouble was, but on account of differences in opinion nothing further was done.

In 1890 Mr. Metcalf received a call to another church and the Church of the Messiah of West Newton and Auburndale started again. The list of parishioners was sifted. Those who wished to remain signed a new constitution and a little later Rev. John Matteson of Providence was unanimously invited to the rectorship of the parish.

Mr. Matteson had just been ordained at the Cambridge Theological Seminary. He made a very favorable impression. He asked for a vacation of eight weeks in Europe before assuming his duties, and this was granted. He began his duties on September 6, 1891.

Sunday, March 12, 1892, Mr. Matteson announced that the vestry had appointed a committee to take the matter of building the new church in charge and arrange preliminaries.

#### Filling Station Located on Watertown Street, West Newton Without Permission of Aldermen

On May 18, 1925, a public hearing was held before the aldermen on the bad different recollections about the petition of Mrs. Lillian Cate for a permit to build a public garage on that part of the Cate estate bounded by Watertown street and Davis Court. Attorney Thomas Weston, who appeared for the petitioners, explained that no outside filling station was desired. A protest was made by a citizen against the garage being built close to the corner of Watertown street and Davis Court. A conference was held between Alderman Lloyd, the then Chairman of the Franchise Committee, Police Chief Burke, Mr. Weston, and the objecting party. As a result, a permit for the erection of the garage was granted in June, 1925, by the aldermen: this permit specified that the east and north walls of the garage should not come within 30 feet of the intersection of Watertown street and Davis Court, and that the unoccupied land resulting from this setback should be enclosed in a low stone wall, to prevent the passage of autos thereon. The permit also stated that 2000 gallons of gasoline could be stored within the building. The unoccupied space at the corner of the two streets was created to safeguard pedestrians passing by this point. The garage was erected in conformity with the requirements specified in the permit,—except that the low stone wall was not built.

On February 15 of this year, Attorney Weston again appeared before the aldermen representing the owners of the Fuller Garage, Messrs. Fisher and Fisher, who petitioned for an outside gasoline station on the small unoccupied area which was supposed to have been walled off to prevent the passage of automobiles. Mr. Engegess, who had been instrumental in having the corner of the two streets kept open to safeguard foot traffic appeared at the meeting, and reminded the aldermen of the conditions agreed to by the petitioners when they had received the permit for the garage. Mr. Weston asserted that nothing had been said about an outside filling station in May, 1925, when the garage was petitioned. (Continued on Page 8)

### MEMORIAL TO JOHN W. WEEKS

#### Secretary of War, Dwight F. Davis, Praises His Predecessor at Notable Meeting of the Men's Club of West Newton

The affection and esteem in which the late John W. Weeks was held by his friends and neighbors was strikingly manifested on Monday night at the Memorial meeting under the auspices of the Men's Club of West Newton. The meeting was held in the Second church of West Newton and the dining hall was filled to the limit by members and guests of the club.

At the head table with the retiring president, Mr. John A. Paine and the newly elected president, Mr. William H. Best, were Hon. Dwight F. Davis, Mr. Weeks' successor in the office of secretary of war, Mayor Edwin O. Childs, former Congressman Charles G. Washburn of Worcester, Judge Alonzo R. Weed, who succeeded Mr. Weeks as Mayor of Newton, General Edgar R. Champlin, Messrs. Henry Hornblower, James J. Phelan and Henry N. Sweet, of the firm of Hornblower and Weeks, Col. Sinclair Weeks, Hon. George H. Ellis, Hon. Sec. W. Jones, Hon. Charles E. Hatfield, and Messrs. Daniel G. Wing, William B. H. Dowse, Henry B. Day and James L. Paine.

A large portrait of Mr. Weeks was on the stage.

Following the discussion of an excellent supper and previous to the formal exercises of the evening, there was a little community singing under the leadership of Mr. William Lester Bates.

The new president, Mr. William H. Best, acted as toastmaster and there were brief but most interesting talks by Mayor Childs, who emphasized the friendliness of Mr. Weeks, General Champlin, who gave some boyhood reminiscences, and Mr. Washburn, who told some interesting episodes in Mr. Weeks' service in Congress.

The principal address of the evening was by Secretary Davis and was substantially as follows:—

I appreciate this opportunity to address the friends and neighbors of my illustrious predecessor in office, the

Hon. John Wingate Weeks. My contacts with him in the War Department afforded me a clear insight into those personal characteristics which so indelibly impressed themselves on my fellow citizens. I came to appreciate fully the justification for the public recognition of Mr. Weeks as one of the outstanding statesmen of our time.

Mr. Weeks' life comprised one long career of public service. He was the type of American citizen whom our forefathers envisioned as our public servants and public leaders. He demonstrated his capabilities in this city as alderman and as mayor. He performed services of notable value as your representative in both houses of the United States Congress. Finally, to the position of Secretary of War he brought not only his own inherent ability but the benefit of his previous experiences in both business and public life.

He was schooled in the college of practical politics. However, he represented only the best in statesmanship. There was nothing small about Mr. Weeks. He was vigorous and courageous; he marshalled his facts and struck from the shoulder. Hypocrisy, demagogery, and egotism were utterly foreign to his nature. Mr. Weeks was a man of magnetic personality, of courage in his convictions, and with a remarkable understanding of human nature. A prodigious worker, he inspired by example all with whom he came into official contact.

To tell you of Mr. Weeks as Secretary of War, I feel that I should first outline those manifold responsibilities which fall to the lot of the head of the War Department, and the many difficulties which are encountered by that office.

With the continued growth of the country has come a very considerable increase in the responsibilities and functions of the War Department. Its

activities have a great scope and geographical extent. They include responsibility for the clothing, feeding, equipping, training, and general welfare of the troops of the Regular Army who garrison 254 military posts throughout the United States and in Porto Rico, Panama, Hawaii, Alaska, the Philippine Islands, and China. Organizations of the National Guard and the Organized Reserves, located in approximately 3,000 cities and towns, come under War Department supervision, as do the units of the Reserve Officers' Training Corps in 223 educational institutions.

The missions of the Regular Army as prescribed by the National Defense Act of 1920, contemplate the maintenance of a highly-trained force immediately available for minor emergency, and to act as the first line of defense in the case of major war, to garrison our vital overseas possessions, and to furnish personnel and facilities for the training of other elements of the Army of the United States.

The permanent establishment is now called upon to furnish instructor personnel for the National Guard, the Organized Reserves, and the Reserve Officers' Training Corps throughout the year. During the summer it must conduct training camps for approximately 35,000 candidates who attend the Citizens' Military Training Camps. It supplies officers for the supervision of the development of our rivers and harbors and other similar constructive peace-time activities. It must maintain service schools, both military and administrative, without which our Regular Army would not remain a modern military establishment.

The organization of the Army has been extended to include such new and essential branches as the Air Corps and the Chemical Warfare Service, and within each of the formerly-established branches, there has

(Continued on Page 11)

### BROOKLINE WINS

Yesterday morning on Clafin Field before one of the largest crowds of nearly seven thousand that ever packed the Newton stands Brookline defeated Newton high 9 to 0 in a hard-fought and well-played contest. Brookline deserved to win but the orange and black put up one of the most stubborn fights in many a day in a vain endeavor to stave off defeat. For three periods and part of the fourth it was anybody's game with Newton outrushing the Wealthy Towners. Brookline got the breaks and capitalized on them. The victory put Brookline into a tie for the Suburban league title and Foss cup as the Glendale outfit went down to a 7 to 0 defeat at the hands of Cambridge in a game in which the Cantabs outplayed the last year champions.

Early in the second period Roger Gleason of the Brookline eleven kicked to Newton's five-yard line. On the first play Newton gained a yard and Dickinson then sent in his first string backfield men, Gilligan, Macey, and Brown, to take the places of Perry, McIntyre, and Bennett who had forced the visitors to take the defensive throughout the first period. Clark then dropped behind his goal line to punt but Crosby, sub-end for the visitors broke through and blocked the kick. The pigskin bounded back into the crowd and the officials awarded a safety to Brookline for the first two points.

Thereafter Newton played with a determination and display of fight that has not been seen for some time by local fans and they voiced their approval and lent encouragement to the utmost. Halfway through the final session Lynch intercepted a long forward pass from Gilligan to Cole on Newton's 35-yard strip. Morrison tossed a forward over the centre of the line putting the ball on the 20-yard line and then Gleason tossed another to the right end, Smith, who reached the 1-yard line. Gleason took the ball over on the next play and then kicked the goal.

**The Game**  
First period—McIntyre took the kick-off on his 20-yard line and ran it back to the 38. Perry failed to gain and Clark kicked to the visitors' 30. An end run failed to gain and after a gain of two yards on the next play Gleason kicked to Newton's 26-yard line. Clark faked a lateral and made two yards. He then tossed a 30-yard forward pass over the line to Bennett which just failed of completion. Clark

### THE WATER SITUATION

#### Experts State That There Is No Occasion for Alarm Over Quality of City Water

Certain Boston papers devoted considerable space this week over the examination should be made of the alleged pollution of Newton's water. One paper did its best to throw a scare into the people of this city by featuring the news on its front page on two successive days, that Newton water is dirty and polluted. The cause of the furore were statements made by State Commissioner of Public Health, Dr. George H. Bigelow, and a meeting held by residents of Langley road, Newton Centre, to protest against the condition of the water in that neighborhood. Early this month Dr. Bigelow notified Water Commissioners Whitney that recent examinations of water taken from certain parts of the water reservation at Needham had been unsatisfactory. Dr. Bigelow's letter to Mr. Whitney stated:

"Recent examinations by this department of samples of water from various points on the ground water collecting system of the Newton water supply show in a number of respects unsatisfactory result.

"A number of samples have been collected at various times from July 20 to Oct. 13, the results of which indicate that water of very poor quality enters the system at times between the manhole at the end of the 20-inch vitrified pipe line and the manhole at the junction with the double line of 24-inch vitrified pipe at Kendrick street.

"The analysis show a marked increase in chlorine between these points as compared with points above and just below, and a marked reduction in the dissolved oxygen content of the water. The water improves after dilution with the water from the double vitrified pipe line at Kendrick street, but shows further deterioration in the amount of chlorine, dissolved oxygen and iron between Kendrick and the pumping station.

"The bacterial results are also unsatisfactory, considering the time of year and the fact that the river is very low, so that presumably no river water is flowing upon the ground over the collecting works.

## THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

### HOCKEY CANDIDATES CALLED OUT

Now that the 1926 football season has become a matter of history the thoughts of athletes are turned to the coming ice-hockey season. The first call for candidates for the 1927 high school football sextet has been issued and they will report to Dr. Oscar Martin, coach, at the high school on Monday.

For the past several years Newton high has had one of the foremost schoolboy hockey outfits in the state. Last year the team captained by Guy Holbrook at centre ice ended the season in a triple tie for the Greater Boston Interscholastic League hockey championship with Melrose and Cambridge Latin. Prospects are excellent for another first class team as the sextet will be entirely composed of seasoned veterans. The only man lost by graduation was Holbrook and Dr. Martin's biggest problem is to find someone to fill his shoes. While this may seem easy with the wealth of material at hand Holbrook was the one man, if any, to whom credit is due for the place the orange and black has won in hockey circles in the past few years. Team work has always been one of the outstanding factors in the play of Martin coached teams and when a player like Holbrook is in the line-up a formidable aggregation is assured.

This season the sextet will doubtless show its usual ability to work together with such veteran material in the forward line as Captain Stubbs, Frank Spain, Dick Powers, and Jim Brown. Veterans on the defence will be Proctor and Andres while Thompson with a year's experience in the net should be one of the best goal-tenders in schoolboy circles. He filled in a big weakness in last year's outfit at the start of the season to perfection. Andres, football leader, who suffered a broken bone in his foot in the Somerville game and then a week later was operated upon for appendicitis, is about again and should be in shape when the season rolls around. Proctor, who ran into scholastic difficulties during the football season, is expected to regain his standing.

Unless Captain Stubbs or Frank Spain are shifted from their wing positions to center ice Powers or Brown will probably fight it out for that berth.

The schedule opens with a tentative game with the Alumni on New Year's Day at Bulloch's Pond. The league schedule will be divided the same as last year. A preliminary round with each of the eight teams in the league playing the other seven one game each will commence on January 6th or 7th and finishing up on the 31st or the 1st of February. These games will be played on outdoor ice at the various schools. A final round robin series among the first four teams in the league standing at the conclusion of the preliminaries will then be played at the Arena. These games will be played on February 11th, 18th, and 22nd when doubleheaders will be staged. The winner of this series will be the league champion and in the case of a tie as resulted last year, there will be no playoff.

Newton's league schedule is as follows:

Jan. 6 or 7. Melrose at Newton Jan. 10 or 11. Brookline at Newton Jan. 13 or 14. Newton at Stoneham Jan. 17 or 18. Rindge at Newton Jan. 24 or 25. Newton at Belmont Jan. 27 or 28. Newton at Arlington Jan. 31 or Feb. 1. Newton at Cambridge.

### SPORT NOTES

Few people realize the fact that the comparatively small institution known as the Belmont Hill School, has turned out some splendid football elevens in the recent years. One of the chief reasons for their success is this year's captain, Kenneth Martin, a Newtonville boy. Playing alternately at back and in the line, the fair-headed boy has made a reputation for himself as a player. He has tallied the greater amount of the school's points this year, and is the most powerful defensive man on the squad. He also pitches with skill, and puts up a good game of hockey.

The announcement of the awarding of letters at Brunswick, Maine, holds a deal of interest for followers of Newton sports, as there are ten Newton men eligible for letters or numerals at Bowdoin this year. Julius Kohler, a senior and varsity back, together with his fraternity brother, Robert Olmstead, top the list. Olmstead was the best punter in college, besides being a good line plunger. In the junior class, Richard Cady, the quarterback who rose to prominence late in the season, Dawson Alexander, for a second year a letter winner, and Daniel Kennedy, an end, received their awards. Robert Adams, wins his second "B," although only a sophomore, by virtue of his javelin throwing last spring. Winslow Howland played short of the required time, while Hamilton Oakes, the best of the sophomores, broke his shoulder and was forced to the side-lines. Alan Shaw was awarded numerals for his end-play, on the freshmen eleven, which by the way, was the first year of coached football. Stuart Stone a regular at the start of the season, was also laid aside by injury, but will be ready for hockey this winter.

The Boston University hockey team that made such a fine showing last winter held its first practice of the season Tuesday at the Arena. Among the veterans to report was "Gyp" Lawless of West Newton one of the outstanding players on the sextet.

Kohler and Olmstead are the only two of the five who graduate from the Maine college next June so that Newton should be well represented on the 1927 eleven at that college. In addition to the three others who were members of this year's squad there are two local youths in the freshman class, who should make good material for the varsity outfit. They are Alan "Hack" Shaw, an end, and Stuart Stone, a back.

The Harvard varsity hockey candidates were called out Monday afternoon. Captain Bill Ellison and his squad put in the week getting into

condition for the coming season. The management hopes to have the squad on ice by the first of the month and then strenuous work in preparation for the opening game with M. I. T. at the Arena on December 10th will be started.

Members of the football squad who play hockey will not join the squad for another ten days. Captain Clem Cady of the football team was a stellar defense man on last year's championship sextet and is again expected to hold down his same position.

The Newton Pals ran their string of consecutive victories up to nine last Sunday afternoon on Cabot park gridiron by defeating the Wilson Catholic club by a 40 to 0 score. Benny Lyman was the outstanding star of the Pals crossing the goal line three times. Geegan tallied twice and Wright once. McArdle negotiated four tries for the points after touchdowns.

Among the many Newton people who travelled to New Haven last Saturday to witness the Harvard-Yale game was Mrs. Patrick Coady of Waltham street, West Newton, the mother of the Crimson eleven captain. It was the first time she had seen her son play for Harvard.

Coach Allie Dickinson of the Newton high team was another to witness the Crimson and Blue setto. The schoolboy mentor, although a graduate of Brown, is a yearly attendant at the big game and for a number of years past has seen at least one and often two or more of his former pupils play for the college of their choice.

Newton's representative on the Harvard squad besides its captain, was Jake Stafford, who was playing his last game for the Cambridge University. He was within inches of being the hero of the game. The opening kickoff lodged in his arms and he was off. He passed one white line after another, aided by the perfected interference that Harvard has given the runback of the kickoff all season, until there was but one wearer of the blue between him and the coveted goal line. As he dodged the outstretched arms of Captain Bunnell of the Yale eleven Fishwick, Yale back, reached him from behind and brought him down near the 40-yard line. Harvard then launched its only real offensive thrust of the game and by a series of short flat passes with the Newtonville boy on the receiving end of several of them they reached the 20-yard stripe. Here Yale held and Harvard missed an attempted field goal.

Early in the second quarter Stafford received a nasty cut over the left eye, which necessitated four stitches, and forced him to leave the game in a somewhat dazed condition. The injury was received in a peculiar manner. Stafford was about to tackle Nibley in such a manner that his feet swung clear of the ground and hit Stafford's forehead as they came around.

There was also a Newton boy on the Yale squad, although he did not see action against Harvard. Ed. Decker, a sub-quarterback, is the lad, who will doubtless see action against the Crimson another year.

The Dedham A. A. hung up its sixth victory last Sunday by taking over the fast Newton Centre A. C. at Dedham in a 6 to 0 game before a crowd of about 5000 persons. The home team scored in the third period by means of a lateral pass which netted thirty yards and an off-tackle play which netted the remaining ten. The local lineup is largely made up of former Newton high players, among whom are Billy Proctor, Phil Murphy, Waxy Littlefield, Leahy, and Capt. Sullivan.

Newton has two representatives on the Simmons varsity field hockey team. Marian Walters and Katherine Holmes, both freshmen, have won positions.

Many of the players on the Newton high school eleven played their final game for the orange and black. Of the regulars, Clark, quarterback; Hapgood, tackle; Forristall, guard; Cole, end; and Macey, Bennett, Simonds, and Annabell, backs, will graduate next June. Hamilton, Wilkerson, Kent, and Martin, sub-linemen will also be missing when the 1927 season rolls around.

Next year Coach Dickinson will build his 1927 machine around Scheinfeld, end, Stubbs and Harrington, tackles, Marsh, guard, Gatchell, centre, and Gilligan, Perry, McIntyre, and Brown.

A consensus of New York newspaper opinion gives Harvard three places on the "All-Big Three" eleven for 1926. Yale and Princeton each have four of the remaining eight. Cady of Harvard is picked for one of the tackles.

The Boston University hockey team that made such a fine showing last winter held its first practice of the season Tuesday at the Arena. Among the veterans to report was "Gyp" Lawless of West Newton one of the outstanding players on the sextet.

Pauline Emery of Newton was elected manager of the Simmons College field hockey team Tuesday night at a dinner following the senior-freshman game in the afternoon which resulted in a 2-2 tie.

When Massachusetts Institute of Technology hockey team was called out, the squad had one Newton man on its lists in the person of Dexter Dimock of Waban. Although he never played hockey at school he is well known in amateur circles as a good wing-man and a clever poke-checker. He stands a fair chance of becoming a regular on the newly organized Beaver sextet.

## NEWS FROM THE COLLEGES

By Harold P. Carver, N. H. S. '26

Continuing with the story of Newton girls at Mount Holyoke, we find that there are two sets of sisters in the Hadley institution. We have already mentioned the older of the first pair, Ruth Barry, whose musical activities have been the high spots of her work in outside subjects. Now we find Margaret Barry, a member of the present sophomore class, and a graduate of Newton in 1925. She excelled in the lines of study, although she participated in the sports of the class teams as well. She graduated with honors in the first senior class of the United High Schools. The Mathematics and French Clubs had her listed on their rolls for two years, while she proved her English ability as a reporter for the Newtonite in her sophomore year, and as a member of the editorial staff her senior. As a final achievement in her last year, she was one of the writers on the Newtonian, at that time the combined work of the three schools. In the way of sports, Margaret or Peggy, as she was more often called, played class basketball in 1922, and in her last two years represented her class on the basketball court. As for the other sisters, they are Harriette Patey and Phillipa Patey of Newtonville. Harriette, the elder, is a senior on the campus, and has continued to excel in her studies in a manner patterned after her work at Newton. Here she graduated with honors after being a leader in her class all her terms at school. She, as Ruth Barry, was a member of the Girls' Glee Club for two years, and during that time she also held membership in the Debating Society, winning a place for herself on the team in 1922. The following year, she joined the Forum, devoting herself to the idea of leading, putting the cause of Public Speaking before the eyes of the School. In her senior year the Newtonite and the English Club took a great deal of her attention, although she was interested in Alpha Gamma Tau. In her final year she was elected to the Student Council, thus being one of the rulers of the student body. Her sister, Phillipa, is a literary person of real talent both in composition and in delivery of subject matter. For two years she was one of the finalists in the annual Prize Speaking contests, showing a fine speaking power along with careful and interesting comment. She was enrolled in Alpha Beta, the freshman-sophomore English Club, for two years, and then in her last two years held membership in the upperclass group of the same name. In the Club activities she was most prominent, as she belonged to Alpha Gamma Tau and the French Club, besides the aforementioned English group. In line with her ability in writing she was on the Newtonite staff and was also a member of the Library Club, an organization of girls, self-perpetuating, that takes on the responsibility of seeing that the Library is in its best condition for effective use, and always is made attractive to anyone who wishes to make use of its facilities.

When Helen Bonser left Newton High School in 1924, the school graduated one of its best students in the art of writing. As author of the Senior Play that year, she showed true power of expression, as it was one of the best amateur dramas ever written in the annals of the school. Unfortunately, the policy of student writing of productions is abandoned now due to the lack of interest in such efforts. The title of her work was, "White Blossom" and the characters in the play were portrayed in a vivid and clear-cut style. In much the same manner she wrote the best essay of the year, a description of her home state of Maine, which showed more than mere promise, it was an achievement in itself. She took full part in all the outside affairs of the High School, being enrolled in the English Club, all four years, the Mathematics body, and the French Club, her senior year. She naturally enough, held membership in the Drama Club, and her efforts were one of the many real proofs of the value of that organization. The Library Club also had her on their lists during her senior term, and she contributed in a great degree to the Newtonian.

Among the seniors at Holyoke, there are Margaret Bascom of Newton, Helen Clark of Newton Highlands, Mary Edmunds of Newtonville, Harriette Patey of the same section, Mary Wolley of Newton Centre, and Barbara Ziegler from Newtonville. Margaret Bascom while at Newton, was a leader in English work and has proceeded to do much the same work at Holyoke. In Mary Edmunds, Newton has a splendid example of a really progressive and whole-hearted girl, her activities are many, and her friendships are wide. A leader in the formation of the Girls' Debating Society and one of the real workers in the group, she was treasurer of the body, and on the team itself for two years. The Review, the old school monthly, claimed her during her first years at Newton. She later joined the Forum, and performed the functions of secretary for the body and in the Prize Speaking contest was one of the six final contestants for three consecutive years. In connection with the Forum she was in the English Club for the same number of terms. In the other societies; she was a member of Alpha Gamma Tau in its first year, and in the Glee Club, her last two at school. Because of the multiplicity of scholastic affairs, she had little time to devote to athletics, but she did play her junior year on the basketball team. Mary Woolley shone along the lines of writing, being on the literary staff of the Newtonite and by her work lifted this department out of the doldrums of hackneyed and trite expressions of student work in literary ways. She also belonged to the English Club for two years and the Glee Club in her junior years. Barbara Ziegler is the athlete of this group for she excelled in basketball, playing all five years at Newton, and was a leading member of the varsity her last three. She also was elected to the Student Council, the governing body of the school, and held a seat on the advisory committee, one of the most important divisions of the organization.

And that brings up the question—what do the taxpayers mean when they assure an incoming Mayor that they will support his program of economy? Do they think at the time they will stand behind him regardless?

That's something which I have hoped for some time to see Newton adopt. I am taking this occasion to write of it because it is as propitious a moment as I know. We are approaching the end of the calendar year and municipal governments, civic bodies and organizations in general are beginning to think about annual reports. These are good things, for by them we are able to gauge our progress, or failure to advance as we should, whichever it may be.

The various departments of Newton will have a lot of information which will be contained in printed documents and which will tell of this, and the other—all important to the tax payer. But the unfortunate part of it is that the length of time required for printing makes the appearance of this book or pamphlet a trifle tardy. Usually, when it appears for distribution it has come to be regarded as "old stuff."

Now then, Governor Fuller has had the State departments prepare for him data and information which is most enlightening to taxpayers. It has been made public this week. Every body admits that Governor Fuller is a wonderful executive. If he thinks that the public should know at the end of a year some of the things that the state, through its various branches, has done, it may be reasonably assumed that the idea is worth while.

Very well then, why does not Newton take up the idea. Let each department prepare a summary of its year's work for 1926. It need not necessarily be a lengthy document, burdened with tables, but a brief and comprehensive idea of how the appropriations have been expended, what has been accomplished and what the aims of the city may be.

Now is the time for City Hall to stir itself. It may entail some additional work, but the heads of departments in Newton are not the men to offer that excuse. I believe every one of them would gladly present an advance report, let us call it, so that all classes of citizens may be aroused and the interests of the city advanced.

Psychologists tell us that it is a queer mental twist that causes certain people to employ exaggeration in describing some ordinary happening. We know of several individuals who are given to embroidering the plain facts with some ideas of their own. They, it appears, cannot deal in simple word pictures, but must put in the brilliant colors. It may be that they wish to make our eyes protrude. Or perhaps they want to give us a thrill which they think we would enjoy and which would be innocent enough in every way.

The other day a young man took great pains to relate an incident which he contended had come under his observation. He was confident I would get a great "kick" out of the telling and laid it on thick. Now it was not, as he thought, a new story to me, but one of which I had intimate knowledge. Instead of calling him down for allowing his imagination to work overtime I sat still, apparently absorbing all the details, until he had finished.

Did I then preach him a sermon on the utility of "fibbing"? I did not, I knew it would be useless. He has one of those high-gearred imaginations and can't help himself. And, I find, there are now few people in this world who have a similar feeling. They must have "high lights" and have them in plenty. Men and women, young and old, are equally guilty, if guilt it may be called, and they keep going, as long as their fancy permits.

"How do you account for it?" somebody may ask. I never attempted a solution. I simply recall the words of Poohbah in Gilbert and Sullivan's "Mikado." You may remember, Koik accuses Poohbah with having deceived the Mikado himself with an account of the execution which was untrue in that it overstated the facts.

Poohbah's reply on that occasion is one which we all may well accept. He excused himself by declaring that what he had said was "merely corroborative detail intended to give artistic verisimilitude to a bald and unconvincing narrative."

I sometimes wonder if an honest-to-goodness reformer in striving to work for the betterment of his fellow citizens is fully appreciated. I must say that I am beginning to be a trifle pessimistic on that point. Some time ago in this column I sought to point out what Mayor Bauer of Lynn had undertaken and I said then his daring and courage might not be received with the enthusiastic applause it seemed to merit.

Mayor Bauer started in by upsetting all traditions. He didn't want to be considered a "good fellow" and declared the job of Mayor called for nerve to reduce city expenses and cut down all extravagances. (I hesitate to use the ugly word "graft," for I do not know that it is in any way justified.) But Mayor Bauer felt he could do many things which would reduce the city's running expenses and thereby lower the tax-rate. This he has done. But—has there been wild cheering and shouts of "Attaboy!" No, there has not.

This to me is not surprising. I blame it on the citizens and their spirit of indifference. Mayor Bauer has found that as far as his private business is concerned he has suffered a severe money loss. He has made good as a chief executive, done more than many Mayors ever thought of doing and the city has benefited. But are the people of Lynn grateful? Personally I am not in a position to answer the question, but from what I read and hear there seems to be no general movement to persuade Mayor Bauer to run again.

And that brings up the question—what do the taxpayers mean when they assure an incoming Mayor that they will support his program of economy? Do they think at the time they will stand behind him regardless?

**ONE THING AND ANOTHER**

Written by LEVERETT D. G. BENTLEY

Here's something which I have hoped for some time to see Newton adopt. I am taking this occasion to write of it because it is as propitious a moment as I know. We are approaching the end of the calendar year and municipal governments, civic bodies and organizations in general are beginning to think about annual reports. These are good things, for by them we are able to gauge our progress, or failure to advance as we should, whichever it may be.

When a regular reader of this column suggests a topic it is my plain duty, as I see it, not only to accept it with gratitude but to adopt it as promptly and as ably as I know how. "Why don't you write something about the late cars that used to run from Boston to Newton?" he said. "You were obliged to travel on them a good deal when you were doing night work and you ought to be the man to write of those times."

I agreed to contribute my share of recollections, providing he would assist me. He consented and to my pleasure came through with this one: "It was on the late car that used to run through Newspaper Row, Washington street, to Boylston, Tremont and Elliot streets, and then through Park Square to Boylston street again that I saw the funniest sight. Boarding the car, with more or less difficulty, was a fellow who was evidently a laborer. His dress included a hat of imitation panama, and its cost, as I figure it, was under a dollar. This fellow dropped off into a snooze and was apparently all set for a peaceful ride to Newton."

"At the corner of Massachusetts avenue and Boylston street a man got in. He, too, had been imbibing and had a hat of real panama. It was worth \$25 if it was worth a cent. But this passenger was sleepy, too, and soon was curled up in corner dead to the world. A group of fresh youngsters on the car saw an opportunity for a little fun so they changed the hats of the two men and then, with all the other passengers awaited developments."

"The first man was the first to wake up. His sleep seemed to have refreshed him somewhat. He looked about and soon his eye caught the other fellow who was wearing his hat. He smiled, and pointing to the sleeping figure said, 'There's a guy that's got a hat just like mine.' Everybody roared."

"The conductor was 'on.' You remember how wise those owl car conductors used to be? He didn't let the young passengers get away with it. He made the two men exchange hats so that each had his own property."

I can testify myself that the conductors of late cars had their hands full. It was a diplomat's job, for the road insisted that decorum be preserved and as yet as many passengers transported as were willing to behave themselves. The conductor had to be patient and firm. If he lost his temper there was sure to be a fight. The car would have to be stopped, the police called and the trip interrupted. The road wanted to furnish service as nearly on schedule as possible and sought to avoid trouble. Thus, the conductor had to be "wise," as my conductor put it.

It was on one of those closed cars of the old pattern. A man of middle age sat near the door. He was conspicuous for the reason that all the other passengers were sober. Among them were some men and women who had been attending a dance. Obviously the women were undergoing a new experience in riding on an "owl" car.

The inebriate at the rear end produced a cigar. He put it in his mouth, produced match and started to strike a light. The conductor opened the door. "Cut that out," he ordered. The would-be smoker desisted for a time. Soon, however, he attempted to light the cigar again.

Again the conductor opened the door. "I told you to cut that out," he shouted, "there's ladies on this car." The passenger accepted the rebuke, but only for an instant. Soon again he attempted to light the cigar.

" Didn't I tell you to cut that out?" demanded the conductor, and with that he reached in, seized the cigar from the man's mouth and threw it out on the street. The incident was closed.

Motormen on late cars, when I was one of the night patrons, had an irritating way of getting up high speed and shooting along, regardless of the bell signals from the conductor. They may still do this, as far as I know, for it's some time since I have been a night-rider. Most everybody has been "carried by," either during the day or the night so it isn't difficult to make the situation understood.

A man, who was indeed sober, gave the conductor a signal to stop. The conductor rang the bell, but the motorman did not heed it. He was running his car at high speed. The passenger jumped up and waved his hand at the conductor. Again the bell was rung to stop. Finally, the motorman consented to apply the brakes.

I suspect the man was known to the conductor as an individual of importance. The conductor said, "I'm sorry this happened, sir."

"So am I," replied the passenger, "but you needn't back up for me."

Now that Thanksgiving has passed we must get right down to the serious business of "getting ready" for Christmas. The sooner we start it seems to me, the better for everybody. I have no patience with those people who declare, "We have decided to send only cards this year." Although they may be much more practical than the "spenders," they are not following the Christmas spirit, as I see it. To economize on gifts to one's friends is putting forward the very thoughts that the yuletide seeks to perish—at least for the time. Forget yourself and think of other people for a change, I read and hear there seems to be no general movement to persuade Mayor Bauer to run again.

And that brings up the question—what do the taxpayers mean when they assure an incoming Mayor that they will support his program of economy? Do they think at the time they will stand behind him regardless?

CADDIES DINED

The caddies of the Albemarle Golf Club were the guests Monday night at the Newton Club at a dinner given

**HARBACH ESTATE**

Home Sites Rigidly Restricted

CHESTNUT HILL, NEWTON

This Is Your Opportunity

to secure the Home site of your dreams in the exclusive Chestnut Hill Section of Newton, formerly the well known Harbach Estate corner of Ward Street and Waverley Avenue just beyond the Chestnut Hill Reservoir. Recently purchased and now being developed by FRED HOLLAND CHAMBERLIN, INC., to be known as Estates No. 10.

Whether ready to build now or not, this is your opportunity to secure the location and make its possession certain.

**THE PLACE**

them by the president, Mr. Henry J. Nichols.

Prizes won during the caddy championships were distributed and trophies were given to those boys whose records during the season were meritorious. The clubs were donated by Francis Ouimet. The winners were Henry Richards, best gross; Francis Burke, second gross; Paul Burk, first net; Thomas Webber, second net; Raymond Blair, selected nine gross; John McGann, selected nine net.

The best record for the season was compiled by Charles Quinn and he received a silver cup. The other awards for notable records went to Warren Murphy, Richard Frizzell and Arthur Logan.

Fred J. Wright, the state amateur champion, William Duffy, the club's professional, and Esmond Bailey, the caddy-master, Abe Savrann of the Traveler gave a chalk talk, illustrating his remarks with a series of cartoons.

**THANKSGIVING PRAYER**

The following prayer by Rev. George Lawrence Parker, minister of the Newton Centre Unitarian Church, was printed in the current number of the Christian Register.

"We thank Thee, O Soul of the Universe, for the knowledge of Thyself among the sons of men. The glorious tradition concerning Thee has come to us from every age and race, and has built itself into the fabric of our life and thought. We thank Thee that everyone who has borne witness of the truth by his life has made a page in the Book of God.

"We thank Thee that the record is incomplete, and the story not yet fully told. The present is as full of truth as the days of old. The light inexhaustible still streams from the heights; the warm winds blow, new and wonderful, and inviting like the heart of a summer morning. Help us to trust what is to be written on the fresh page. True Pilgrims, may we fear neither storm nor darkness, but follow the call of today.

"We thank Thee for the time that is yet to be, the future with its unknown and untried chances. We look toward its opening sky, to greet its friendliness. We are not ourselves without it. In the hope of greater things, may we see the light of Thy Spirit that illuminates and gives steadfastness; that causes all littleness to disappear before the purity of perfection.

"For the mystery that surrounds us, we thank Thee. It kindles the imagination in quest of Thee. The veil of Time wraps itself about us but cannot hide Thee altogether. Help us as a Nation to see Thee more plainly, that nothing may make us timid or hold us back. May we come to know Thy power, and ourselves as one with Thee. There is no gift like Thyself! our Thanksgiving is and shall ever be that Thou art. We follow Thee, and are sure of our destiny and our joy. Amen."

W. C. T. U.

The Newton Woman's Christian Temperance Union will meet with Mrs. Sarah P. Stevens, 1190 Boylston street, Newton Upper Falls, on Thursday, December 2, at 2:30 o'clock P. M. Current Events, Mrs. Blanch G. Norris, leader; "Bobby's Dream," temperance story, Mrs. Ernest Cobb.

The Globe Man's Daily Story

Little Esther was witnessing for the first time a cat carrying a kitten up by the nape of the neck. Running up, she gave the cat a good shake, then said: "You're not fit to be a mother. You're hardly fit to be a father!"

**THE PROSE OF LIFE**

THE high moments of life have an irresistible fascination. One looks at them as a traveler sights the receding vision of pinnaclized mountains, over his shoulder. They loom in memory, and in

when we may still be with us, hours when we may foster it, if we care, into a clear, resplendent flame.

## BENEFIT SHOP

Did you make your Thanksgiving happy, or are you going to be thankful very soon, that you sent some of those things to the BENEFIT SHOP that you've been intending to discard for some time? There are those who come there daily with hope in their hearts—are you helping to send them away with hope fulfilled and thankful, or is your forgetfulness and prostration sending them away with a sigh of disappointment?

Do you realize, too, that those who ask in this column for their needs are just as anxious for response as those who need just those articles that are cluttering you so? One of the Benefit Shop salesladies made your editor think that she didn't know whether she'd be thankful or not on the 25th—she certainly wouldn't if that pair of trousers did not arrive at the shop for the working man who is coming in daily after them, and who is beginning to think they don't wear this article of apparel in Newton. So you see you don't have to have a whole suit of your husband's to send—what there is of it that is still good!

Seriously—and even the above has its very tragic side—can't you send along that still good dress of Mary's or Susan's that never was becoming to the child, for she is blonde and the color of the dress is for a blonde, and make glad the heart of the thrifty, loving grandmother who is coming in constantly for clothing for the "dear little ones"—clothing she can patiently trudge that far to buy at a reasonable price, but that she can no longer make with tired eyes, or buy with a flattening purse. Clubwomen of Newton awake—and all you others who may not be members of Clubs—make your Benefit Shop a joy and a Thanksgiving—to yourself, to the workers, and to those who come to purchase! Make it THANKSGIVING TODAY and ALL THE TIME!

## RECENT EVENTS

## Twelfth District Conference

The fine new moving picture theatre of Needham donned gala dress to add to its own many artistic decorations for the hospitable entertaining of the Club women of the Twelfth District and of the Fifth, although this Conference is not distinctly that for the Fifth District. Flowers, bouquets and baskets, shading from dainty pink to flaming rose, from yellow to brilliant orange, dresses of officers shading from sedate black satin to flaming cardinal, to warm cocoa, and three flags, two the stars and stripes, one the state, made a setting of hues that only were brought to greater accentuation by the landscape scenery of dell and brook, and the exit corridor at one side whose walls of lavender, purple, pink, and rose, made the final symphony of color. The theatre proper was rich in its woodwork of old English walnut wainscoting, and the decorations of gold, of rose, of old blue, colors that blended with those of the frocks and flowers and background of the stage. To this add the symphony of sound in the organ recital that preceded the program, under the touch of Mrs. Edward C. Underhill, and you have some idea of what several hundred Club women saw last Thursday afternoon, the 18th.

A sign at the stage right of the audience, where usually appears in theatres announcements of the coming acts, read as follows: "Needham Extends to You a Most Cordial Welcome, New Century Club" and a sign at the left: "Needham the Ideal Single Home Town, Safe, Sound, Practical, Progressive."

On the platform were the guests, Mrs. Arthur D. Potter, Mrs. Frederick Glazier Smith, Mrs. Henry E. Robert, director of the fifth district, Mrs. Joseph Congdon, director of the twelfth district, presiding. Mrs. Harry M. Lyman, president of the hostess Club (the New Century), Mrs. John H. Kimball, Legislative Chairman, whose Conference this was, and the several speakers she had obtained.

After the usual—and this time even unusually beautiful—singing of "America the Beautiful" and the

forces women to read such testimony in the papers, and many, many women do not read it, but the law for jury service would make it compulsory for her to hear such testimony, regardless of her desires.

Mrs. Roberts, director of the fifth district, closed the meeting, expressing her pleasure at being present, and in the flowers given to her.

Several Clubs have delightfully found again this year their substantial BRIDGE to financial affluence and prosperity, among them the Shakespeare Club that held a Bridge last week, the West Newton Women's Educational Club, and the Newtonville Woman's Club recently, and the following account is indicative of the enjoyable afternoon each has experienced.

## Newton Community Club

The Annual Bridge Party of the Newton Community Club for the benefit of its philanthropies on the 15th of November was an unqualified success. The day was glorious, the players were happy and enthusiastic and festive in attire, and altogether the Humewell Club—as always on these occasions for the Club finances—hummed with activity. The directors acted as hostesses to the two hundred members and their friends who spent the delightful afternoon at bridge. Another two hundred members, either not bridged inclined, or with other engagements, while not present in person, had paid their respects—the word paid is used advisedly—in gladness by adding to the fund, so that the affair netted a very gratifying amount for the Club Philanthropies—an amount swelled by the selling of candy and fruit punch by a bevy of girls whose persuasive charms could not be resisted. These latter were Margaret Fitts, Elizabeth Fitts, Caroline Hodgson, Barbara Kent, Elizabeth Russell, and Katherine Sprague.

## NEWTON FEDERATION

## Executive Board

The regular Board meeting of the Newton Federation was held at the rooms of the Welfare Bureau, 12 Austin street, on Tuesday afternoon at 2:30, the president, Mrs. Ellis Spear, Jr., presiding. After the routine business, the meeting was turned over to Mrs. Howard Winslow, who introduced as the speaker of the afternoon, Miss Sweet, health director of the Y. W. C. A., who told most engagingly how to have a good time in acquiring and maintaining health, urging correct posture, proper walking and sitting, and healthful play for all ages. She urged periodic health examinations.

Dr. Mary Lakeman spoke most hopefully on the new movement of the State Health Department for a statewide program for control of cancer. She gave a description of the Norfolk Hospital, which the state is to give up to cancer patients of all types, speaking of the attractive rooms and charming surroundings with most modern and up-to-date facilities for helping and curing cancer with the radium and X-Ray, as well as finely equipped operating rooms. She spoke of our own Newton Committee, of which Mrs. Spear is a member, and of the clinic to be held at Newton Hospital in charge of Dr. West.

A roll call of the Club present resulted in response from 12 Newton Clubs.

The chairman of the Educational Committee announced that Miss Sturges, psychological expert, will tell of her work in the schools at the Technical High School Library Monday afternoon at 3 o'clock. This will be of great interest, and mothers are invited to attend.

**Y. M. C. A. OLDER BOYS'  
CONFERENCE**

The Lowell Y. M. C. A. will entertain over 1,000 boys from Mass. and R. I. Friday, Dec. 3, Saturday, Dec. 4, and Sunday, Dec. 5.

There will be over fifty boys from Newton and vicinity going to the city for the three days. The ages are from 16 to 21 years and those that are particularly interested in Christian Leadership in our community.

All sessions will be held in the beautiful Memorial Auditorium. This building is one of the finest of its kind in the country and just the place to hold such a conference. A feature of the conference will be the banquet held at 6:00 o'clock Friday, served by a caterer. Music by the famous Lowell High School Band. The principal speaker will be Mrs. Edith N. Rogers, representative in Congress, and James Ellsworth, Secretary for Christian Service, New York State Y. M. C. A.

Other speakers will be, Dean Thos. W. Graham, Dean of Oberlin College, Ohio, a forceful speaker to young men. John M. Currie, New York and formerly student secretary, will give a series of six devotional messages. H. W. Gibson, M. H. President of the National Camp Directors' Association of North America and State Boys' Secretary.

The Newton delegation will be headed by Clyde G. Hess, Director of Boys' work. The following have been chosen as delegates: Frank Perry, Hamilton Lincoln, Schuyler Sherpe, David Perkins, Warren Berry, Harold Lodge, Robert French, Henry Swanson, Wintrop LeShannon, Alfred Pearce, Robert Lorry, Gilbert Thurlow, William Pearce, George Van Buskirk, John Graham, Romaine Cole, R. Brandon Marsh, James Essen, Jr., William H. Cummings, William Benger, Ernest Hapgood, Horace Fuller, Robert Bennett, Lloyd Osborne, Leonard Clark, Norman Stoney, John Spaulding, Roger Stone, Roger Emery, and William Fay, Chas. Handy, Wilson Cazmay, Arnold Peterson, George Green, L. F. Good and Perry.

Mr. Martin Campbell, leader of Watertown Hi Y. Club, will assist in the delegation.

**ST. JOHN'S CHRISTMAS SALE**

A Christmas sale of useful and fancy articles will be held at St. John's Parish House, Newtonville, Thursday, December 2nd from 10 A. M. to 10 P. M. Cafeteria Supper will be served from 5:30 to 7:30 P. M. Concessions as follows: Parish Table (useful household articles) Chairman, Miss Helen Bingham; Children's Table (dolls and wearing apparel) Chairman, Mrs. H. L. Earle; Needwork, Linen, lingerie and handkerchiefs, Chairman, Mrs. Ralph Riddle; Candy Table (homemade and Christmas candies) Chairman, Mrs. W. B. Arnold; Ice Cream Parlor, Chairman, Miss Estelle G. Marsh; Food Table (delicious pastries) Chairman, Mrs. W. H. Blacker; Fortune Telling, Chairman, Mrs. Arthur D. Quimby; Stationery, Christmas cards and magazine subscriptions, Chairman, Mrs. Donald Rust; Afternoon Tea, Chairman, Mrs. J. C. Irwin; White Elephant, Chairman, Mrs. H. L. Hayden; Chinese Laundry (grabs for the kiddies) Mrs. Philip Read; Supper, canteen style, Chairman, Mrs. H. K. Wead; Central Council, Mrs. Harold L. Spooner, Mrs. Fred B. Young, Mrs. James K. Eaton, Miss Estelle G. Marsh, and Mrs. Robert Barclay. Secure your Parish Christmas gifts early at St. John's Parish House.

**Y. W. C. A.**

There have been several inquiries at the office about the Adult gym class. Plans are being made and the class will be formed for some morning as soon as a sufficient number of women register for it.

The children's gym class of Thursday afternoons, for girls of eight to thirteen years, has grown to such a large size that it has been divided and the new group, girls of thirteen and over, meet on Tuesdays. The original group continue to meet on Thursdays and has a membership of over thirty.

The Blue Triangle Club entertained a large number of friends and prospective members at its Guest Night on last Monday evening. Bridge and games were enjoyed after a short discussion period. Next Monday the members will have a social meeting with music, dancing and bridge.

## SCHOOL NOTES

**Hyde School**

Thanksgiving was observed in the Hyde School by the presentation of a very fine entertainment which was in charge of the seventh grades. The program was opened by the singing of "Praise to God, Immortal Praise," and this was followed by the reading of the Proclamation by one of the boys. A play, "Thanksgiving Through the Ages," was presented by the seventh grade children. It consisted of historical sketches of the different periods in our country for which we had something to be thankful, and the scenes were as follows: The Pilgrims in 1620; The Colonists of 1781; Lincoln, the Great Liberator; Over There in 1918; and Thanksgiving in 1926. In addition to this, the sixth grades were represented by a cornet solo and by a recitation "Thanksgiving" from two boys. Contributions from the fifth grades were a song, "Thanksgiving," by Miss Green's class, and the "Pilgrim Fathers," recited by the children in Miss Ryder's room. The program was concluded by the singing of "America."

The lower grades of the school also presented an entertainment which was in charge of Miss Green and Miss Lewis, the first grade teachers. Individual and group recitations and songs from many of the children were greatly enjoyed by the school.

The children of the kindergarten also carried out their part by inviting the boys and girls of the first grades to a Thanksgiving party, and it was a delightful picture to see the many little tots gathered around the party table.

As another interest in connection with the history work in Miss Abbott's sixth grade, the boys of the A division presented to the rest of the class a play entitled "Seward's Folly," which emphasized the purchase of Alaska.

The boys' soccer team thus far this year has played its schedule of games very well. The first game on November 2 won us the victory 1-0 from the Burr School. This was repeated on November 16 in our play with the Bigelow team. A practice game was also played with Mason, when both teams were coached, and Mason won 2-0. Hyde is hopeful in continuing a good record in the remaining games.

**F. A. Day Junior High**

For the second time within a week the doors of the Junior High were thrown wide. The occasion on Friday last, was the meeting of the Massachusetts Association of Junior High School Principals. This Association paid the F. A. Day the singular compliment of selecting its building for their meeting place. They have heretofore, held only one meeting a year—a spring conference in connection with the Senior High Schools—held, until the disastrous fire, at the Bridgewater Normal School. Since the fire the meeting place has been the Massachusetts Agricultural College.

The officers of the Association decided to make a departure from their traditional custom in order that the principals of the Junior High Schools throughout the State might see the manner in which health is being taught to Junior High pupils through the medium of their regular school subjects.

Some members of the Association have been frankly skeptical of the ability of any school to do this work but the skepticism was very effectively removed by the program presented at Newtonville.

These officials in the education field began to gather around 9 A. M. They were shown to the cloak room and directed to the Assembly Hall by the Student Patrol. In the Hall, members of the school orchestra played under the direction of Mr. Spaulding. Miss Bragg, together with various members of the Junior High faculty, did their utmost to show how Newton schools incorporate health ideas into their daily work.

After the meeting the principals went about the building to visit those classes in which they had some especial interest. Teachers were free to answer any questions which they were asked.

At one P. M. the lunch room became the common meeting place and it was here that the principals regaled themselves with a well prepared luncheon.

The officers of the Association are: President, Albert Cauldin, Springfield; 1st Vice-President, Mabel E. Lunt, Amesbury; 2nd Vice-President, W. Henry Miller, Fall River; 3rd Vice-President, Rose Carrigan, South Boston; Secretary-Treasurer, Paul C. Scarborough, Newton.

The next meeting of the Association will be in the spring in connection with the Junior and Senior Conferences as arranged by the State Department of Education.

When in the days still within a somewhat hazy recall, that we attended school we used to wonder what teachers did during vacations. We imagined that they just sat around with their knitting and moped until school opened and they could joyfully return to their pupils. Of course, there were exceptions, but these were not typical teachers. Youth is so thoroughly self-centered.

We do not think that even one of the teachers in the F. A. Day does a daily stint with knitting. Today's hoggy is found in driving good looking motor cars. The first few days of this week each and every one of the members of the faculty was planning her activities for the Thanksgiving recess.

Many of us sat down to the dental board at other places than in the near vicinity of Newton. Miss Pierce and Miss Lougee went to Maine, Miss Sanborn to Providence, Miss McGrath and Miss Fales to Fitchburg, Miss Grenier to Portsmouth and Miss Kennedy went to Windsor, Conn., to partake of turkey and all the fixin's. Two of the teachers have new apartments this year where they spent their holidays. Miss Wright has settled on Jamaica Way and Miss Kittner is with her mother on Marlborough street.

The hockey season comes at an invigorating time of year. The eight grade girls have walked away with the championship and thus have five

points in their favor toward the cup which was won last year by the ninth grade.

The alumnae played the varsity hockey team last week and the game ended with a scoreless tie so the game was played again on Monday last. The alumnae won with a score of 1-0. Outstanding playing was done by Jeannette Cain on the Varsity and by Gwenne Fredericks on the Alumnae. It was a game hard fought and a victory well won.

The football season has come to a close. The team played only three games and lost these three. Coach Simmons says, "As far as the season goes in victories it is called unsuccessful but as far as improvement goes we stand one hundred percent better than at the beginning of the year. I am not trying to alibi for the season, but due to the fact that the lower class enrollment was so large, making the school over crowded, they transferred three practical arts classes to the high school for their freshman year. This took the eight veterans that we had left from last year's championship team, so we had to start with the roughest of material and build up. I am glad to say that what little we have built has been done well.

As far as Junior High football goes in Newton we are glad to say that there are twelve boys of the Junior High football team playing with the Newton High School Varsity. This is a remarkable showing, since athletics have been organized only three years in the Junior High.

Some of the regulars playing in every game for Newton High who are Junior High graduates are: Joe Gilligan, Bob Bennett, Stanley Brown, Becker Harrington, Paul Nason, George MacNeil and Buddy Reimer.

**ANGIER SCHOOL**

One hundred percent of the teachers of the Albert Edgar Angier school, Newton, are enrolled in the National Education Association, according to a report received by Mr. J. W. Crabtree, secretary of the Association, from the principal, Mr. Carl Penny. This is the first year all the teachers of the Albert Edgar Angier school have been members of the National Education Association. In writing to Mr. Penny, acknowledging the report, Mr. Crabtree says: "We are proud of your one hundred percent enrollment. You and your associates are to be congratulated on this high professional spirit. The new certificates granted by the Executive Committee, show by a gold seal called an Honor Medal, the first year of one hundred percent enrollment.

**GIRL SCOUTS**

A new troop has been formed in Newtonville, Troop 22. Troop 1, had grown so large that it was decided to divide the girls into 2 troops. Miss Larcome remains as Captain of Troop 1, which meets in the Parish House of St. John's Church and Miss Mildred Loveloy is Captain of the new troop, which meets in the Methodist Church. 33 girls have joined this new troop and there is a waiting list already. This troop takes the girls in the 5th and 6th grades and Troop 1, has those in the 7th and 8th grades. These two troops and troop 10, for the High School girls give 3 troops to Newtonville, with a membership of nearly 150 girls.

The Newton Troop Committee for Troops 2, and 20, gave a tea on Monday of this week, for the Girl Scout mothers, in the parlors of the Channing Church, Newton. Captain Converse and Captain Eaton conducted an opening meeting before a group of fifty mothers. The junior troop was then dismissed to practice songs for the Rally and the Senior Troop sat down with the guests and were introduced to Miss Ruth Stevens, the Massachusetts State Director Girl Scouts, who gave a very pleasant talk on Scouting, its activities and its ideals. Miss Caroline Freeman the Newton Director told of the work of the organization here in Newton, after which tea was served by the girls. Mrs. Roger S. Hodges, Chairman of the Troop Committee arranged for the meeting and Miss Georgia Emery a member of the committee, had charge of the very attractive decorations and delicious tea. It was a real mothers and daughters get-together, which gave the mothers an opportunity to meet their daughters, officers, members of the troop committee and to learn more of what the girls are doing in scouting and what the organization stands for.

Mrs. Frank A. Day, the Newton Girl Scout Commissioner and Mrs. Charles D. Merserve, secretary of the Council were present at the meeting.

Troops in every part of the city are preparing for the Rally which is to be held on Friday evening, December 3, in the gymnasium of Newton High School. It is to be a Flag Rally. The history of the American Flag is to be depicted in tableaux, replicas of the old flag will be shown and appropriate songs will be sung with each picture. The lyrics which will be read telling of the development of the Flag, have been written by two of the older Scouts in Waban. Girls in the senior troops will be in the Tableaux, those not in the pictures will help the junior troops in the singing. The Bugle and Drum Corps will play and Merit Badges earned during the summer and fall will be awarded.

**NEWTON ROTARY CLUB**

Mr. Leon B. Rogers, a former president of the Newton Welfare Bureau, was the guest and speaker at the weekly luncheon last Monday of the Newton Rotary Club held at the Woodland Golf club.

Mr. Rogers explained the wide scope of the work of the Bureau and gave many confidential experiences as illustrations of its worth.

**THIRTIETH ANNIVERSARY**

Sarah Hull Chapter D. R. will observe its 30th birthday next Thursday at the home of Mrs. W. L. Ratcliffe on Franklin street, Newton.

Now YOU Can Enjoy

## NOBSCOT SPRING WATER

IN YOUR OWN HOME

We have made arrangements to provide you with a constant supply of this healthful, delicious spring water at nominal cost.

Nobscot Water is the purest, softest drinking water obtainable. It is entirely free from the harsh minerals that so often cause rheumatism and other serious ills.

It's easy and inexpensive for you to give your family the pleasure and health protection of this wonderful drinking water. Ask your provision dealer to supply you or let us deliver it direct to your home from the famous Nobscot Spring.

For particulars phone Richmond

## Newton Highlands

—Don't forget to join the Red Cross. —Mr. Horace Sweat of Cook street has purchased a house at 121 Carver road.

—The Beane family have moved from Walnut street to Pine Crest road off Berwick road.

—The death, at Haverhill, is announced of Miss Harriet Brooks, who formerly taught here in the Hyde School.

—In accordance with the custom he has observed for twenty-seven years, Mr. James J. Phelan donated the Thanksgiving Day dinner to the Working Boys' Home, Newton Highlands. Winter sports goods such as skis, sleds, toboggans, skates and basketballs were also given by Mr. Phelan.

—One of the former Newton Highlands boys, "Billy" Wellman, who is making a name for himself as director in the Famous Laskey Players Co. at Hollywood, Cal., is the director of the picture shown recently at the Community Theatre, Newton Corner. "You Never Know Women" is one of the best pieces of work that "Billy" has done. He is now engaged in directing "Wings," a war picture, the production of which is to cost \$1,500,000. This picture is to be released during the coming year.

—The women of the Congregational Church are busy making preparations for the Christmas Bazaar, which will be held in the new Parish House on the afternoon and evening of December 3rd. In the afternoon, tea and ice cream will be served, and articles of almost every description may be found on the various tables. The following ladies will be in charge: Mrs. C. C. Brown, linens; Mrs. F. D. Warren, Arts and Crafts; Mrs. L. W. Piper, handkerchiefs; Mrs. Banks, white elephant; Mrs. H. J. Maynard, grabs; Mrs. E. H. Weeks, bags; Mrs. Oscar Martin, food; Mrs. F. E. Foster, dolls; Mrs. A. H. Elder, household; Mrs.

S. E. Thompson, cards and books; Mrs. J. A. Darling, flowers; Mrs. Perry Wood, decorations; Mrs. C. A. Clark, candy; Mrs. P. W. Carver and her committee will serve a cafeteria supper at six. An evening entertainment has been arranged by Mrs. L. W. Oakes in the form of a minstrel show by local men under the professional leadership of Mr. Harry I. Orr.

### NEWTON LODGE OF ELKS

The annual visitation of Newton Lodge will take place December ninth at the Women's Club, Centre street, Newton Centre.

Memorial Sunday, December 5, will be observed by Newton Lodge in the Community Theatre at 3:30 P. M. The services will be open to the public.

Members will assemble at the home at 3 o'clock and march to the theatre.

E. Mark Sullivan, former assistant United States District Attorney, will deliver the address.

The Social Welfare Committee of Newton Lodge is collecting donations for the Christmas Charity Fund. This fund provides Christmas dinners for needy families in this city.

### SERIOUS FIRE AT NEWTON CENTRE

This morning at 6:34 a telephone message was received by Fire Alarm Headquarters that a fire was in progress at the home of James Hill, 350 Ward street. Box 734 was sounded.

The fire was raging in the cellar of the house when the firemen arrived, and worked up into the first floor before it was brought under control. Determined efforts on the part of Chief Randlett and his men prevented it from spreading to the upper part of the house, although smoke damage resulted. The loss will be considerable as a result of the damage done to the cellar and first floor by the flames, and the smoke damage to the furnishings of the house.

## Auburndale

—Don't forget to join the Red Cross. —Miss Helen Fliske, daughter of Mr. and Mrs. Parker Fliske of Wolcott street is at home from college for the holidays.

—The Study class will meet next Tuesday evening with Mr. and Mrs. Wm. B. Smith on Owatonna street. Mr. L. F. Simonds will speak on "Glass." Miss Paula Deaton will read and Mr. Allan J. MacQuarrie will sing.

—On Wednesday, Thursday and Friday of next week the Methodist Church will hold its annual Chautauqua, which will take the form of a Japanese Festival. Plans are completed and it is hoped and expected that the sale and festival will be a great success.

—At the Community Thanksgiving service held Wednesday evening in the Centenary Church there was an unusually large attendance. Dr. F. B. Richards, D. D., acting pastor of the Congregational Church, was the speaker and there was music by the Sophomore Class.

—On Tuesday, November 23, a picked team played the faculty in which Varsity was the winner.

## SCHOOL NOTES

### Lasell

Dr. Leon H. Vincent delivered a lecture, "Dr. Johnson and the Literary Club" in the chapel at 4:30 on Friday afternoon.

Rev. Sidney Lovett will be the speaker at Vespers on Sunday evening, November 28, at 6:15.

The last one in the series of inter-class games in field hockey was played on Thursday afternoon, November 18, and resulted in a victory for the Sophomore Class.

On Tuesday, November 23, a picked team played the faculty in which Varsity was the winner.

### Mason School

Those of us who "listened in" Tuesday night enjoyed the songs rendered so sweetly by Dorothy Sanders, a sixth grade girl. This is the fourth time Dorothy has entertained the radio fans, broadcasting through the "Big Brother Club."

Through the courtesy of some of the parents, the pupils in Mrs. Anderson's sixth grade were driven to the Peabody Museum, in Cambridge, in automobiles. The Indian Exhibit was very helpful in our study of Hiawatha. We visited the Agassiz Museum and marvelled at the beauty of the glass flowers.

The seventh grades of the Mason had charge of the Thanksgiving program.

The Mason School Orchestra made its initial appearance by playing for the children to march into the hall. The program was as follows:

Salute to the Flag

The Star Spangled Banner Recitation, "The Landing of the Pilgrims," by Bayla Harbitz.

Piano solo by Virginia Bloom.

Play, "Thanksgiving Day, 1696"

Song, "Evening Prayer" by Seventh Grade.

Quartette, by Grade Eight.

Play, "The First Thanksgiving."

Song, "America, the Beautiful"

On Tuesday morning, November 23, the little children of the Rice Kindergarten packed a Thanksgiving barrel of fruits and vegetables to send to little children who would have no Thanksgiving if they did not think of them.

## Newton Highlands

—Mrs. J. S. Sedgwick of Floral street entertained a number of her friends on Sunday, the occasion being her 84th birthday anniversary.

—The Newell family have moved from Centre street to the apartment corner Centre and Walnut streets, formerly occupied by the Pennell family.

—Dr. Martin, founder of the American Bible Class, will preach Sunday evening, Nov. 28th, at the Methodist Church. Mr. Vincenzo Spolzino, Italian tenor, will sing at this service.

—The D. A. R. Chapter will meet next Tuesday with Mrs. Anna Dodge, 130 Lincoln street. Mrs. Anna Phillips will speak on "Are you going to London?" Miss Alice Weeks will play.

—A Union Thanksgiving Service was held at St. Paul's Episcopal Church Wednesday evening. Dr. Woodrow preached the sermon. Subject, "Making Democracy Safe for the World."

—Last Sunday the members of the Congregational Church School brought Thanksgiving bags filled with gifts for the Little Wanderers Home, Boston, and for the Pomeroy Home, Newton, and a special Thanksgiving service was held by the School.

## Central Church

### NEWTONVILLE

9:45 A. M. Regular departments of the Church School.

11 A. M. Dr. Ellis will preach.

## Newtonville

—Call H. A. McDonnell, 6 Highland terrace, Newtonville, (Newton North 4674) for anything in the carpenter line.

—Don't forget to join the Red Cross. —Mr. and Mrs. Glover S. Hastings of Otis street returned on Wednesday from Chicago.

—Rev. Walter F. Greenman of Augusta, Me., will preach next Sunday at the Unitarian church.

—The Junior dancing class held a Thanksgiving party at the Neighborhood Club House on Saturday evening of last week.

—Miss Mary G. Dewire and Miss Myrtle Steele of Prospect street, attended the Harvard-Yale game at New Haven, last Saturday.

—Mrs. Ellery Peabody and Mrs. Fred E. Jones entertained the members of the Score Club on Monday at the home of Mrs. Peabody on Temple street.

—The exhibition and sale in the garage on the Henry B. Day estate last Tuesday was well attended. The proceeds were for the benefit of the Francis E. Willard home and the sale was under the direction of Mrs. Henry B. Day and Mrs. Albert Irvin Croll.

—Mr. and Mrs. Thomas Leavens of Otis street, have returned from a visit with their daughter, Mrs. Wilder of Gardner, Mass.

—Mr. and Mrs. Pasquale Cataraldo announce the engagement of their daughter, Ernestine, to Mr. Anthony Cataraldo of Brighton, Mass.

—The first of the series of assemblies under the direction of Mr. Joseph Champagne was held at the Newton Club, last Friday evening. About sixty of the young people were present. The receiving matrons were Mrs. Horton S. Allen and Mrs. Augustus Wakefield.

—Mr. Ernest F. Dow will speak to the Opportunity Club at the Second Church Sunday evening on the subject "Esperanto." Mr. Dow has conducted a number of classes in this subject, that of last year being a part of the University Extension Course conducted by the Department of Education of the State of Massachusetts. A light luncheon will be served at 6:30 and all young people of High School age and over are invited.

A light luncheon will be served at 6:30 and all young people of High School age and over are invited.

## POLICE NEWS

Wednesday morning at 1:45 Patrolman Sheridan discovered two men stealing tires off a bus on the estate of Arnold Hartman in Oak Hill. As the policeman approached the pair attempted to hide in a barn, but the officer captured them. They gave their names and addresses as Paul Christopher, 25 Thurston street, East Boston, and Frank Breen, Fairview street, Islington. In court Wednesday Judge Bacon gave each of them a sentence of one year in the House of Correction. They appealed. The reason for the severity of the sentences is that a recent law makes the theft, or attempted theft of an automobile, or any part thereof, a felony.

John O'Brien and Thomas McCarthy, both of Watertown, were each fined \$100 by Judge Bacon on Wednesday for driving while under the influence of liquor.

The two, with another companion, were arrested October 30 by Officers Riley and Frank Feely who noticed the car they were riding in being driven in a zig-zag manner. Two bottles of liquor were found in the car. McCarthy was driving at the time, but he had no license and was operating the auto on O'Brien's license and fined \$10. Judge Bacon in imposing the fine on O'Brien said, that he did not believe this defendant was drunk at the time of the arrest, but under the law he must find him guilty, because he allowed a man who was drunk to drive on his license. All three appealed the fines.

Roger Cutler of Needham was fined \$150 by Judge Bacon Wednesday for driving while under the influence of liquor. He appealed.

Leonard Foster of Waltham who appealed a sentence of 15 days in the House of Correction, imposed on him on Monday by Judge Bacon for accosting a person of the opposite sex, withdrew his appeal on Tuesday after failing to obtain bail.

Five men who had imbibed well but not wisely of alleged whiskey, were arrested Monday for drunkenness.

Stanley Nicale of Washington St., Dorchester, was arrested Monday night at the corner of Commonwealth avenue and Washington street by Traffic Officer Dargan. Dargan noticed a car coming down the hill following a course similar to that taken by convicts during the late war when submarines were supposed to be around. He stopped the zig-zagging auto and placed Nicale, who was driving, under arrest. Stanley was in court Tuesday charged with driving "wutiol." His case was continued for a week.

Five men who had imbibed well but not wisely of alleged whiskey, were arrested Monday for drunkenness.

Stanley Nicale of Washington St., Dorchester, was arrested Monday night at the corner of Commonwealth avenue and Washington street by Traffic Officer Dargan. He stopped the zig-zagging auto and placed Nicale, who was driving, under arrest. Stanley was in court Tuesday charged with driving "wutiol." His case was continued for a week.

—The next meeting of the Women's Branch of the Church Service League (Church of the Good Shepherd) will be held next Wednesday, Dec. 1, when the hostess will be Mrs. W. F. Lamb.

—Miss Eleanor True came down from Smith College last Saturday to stay with her family on Windsor road until Thanksgiving Day.

—The next meeting of the Women's Branch of the Church Service League (Church of the Good Shepherd) will be held next Wednesday, Dec. 1, when the hostess will be Mrs. W. F. Lamb.

—Miss Eleanor True came down from Smith College last Saturday to stay with her family on Windsor road until Thanksgiving Day.

—Mrs. Guy McKinney has arranged an attractive musical which is to be given at the Club House on Sunday afternoon at 4 o'clock. The program will be given by Mrs. Hazel Rollins, soprano, Miss Gladys Berry, cellist and Mrs. Ely, accompanist. The affair is given for the benefit of The Organ Fund.

—Among the Waban people who went down to New Haven for the Harvard-Yale game were Mr. and Mrs. W. F. Fisher, Mr. and Mrs. J. W. Bartlett, Mr. and Mrs. A. B. Root, Jr., Mr. D. Hill and son, Donald Hill.

—The Informal Tea, arranged by the Women's Association in honor of Dr. and Mrs. C. H. Cutler was a very pleasant affair and largely attended. It was held on Sunday afternoon at the home of Mr. and Mrs. J. E. Parker on Metacomet road.

—An "Organ Fund Bazaar" is to be held at the Neighborhood Club House on Thursday, December 2 from 10 A. M. to 10 P. M. Mrs. N. W. Knitt is general chairman. Mrs. Solomon Townsend is treasurer. Mrs. C. L. Hovey has charge of the Gift Table; Mrs. E. W. King, Food; Mrs. H. H. Hopkins, Aprons; Mrs. W. H. Wheatley, Candy; Mrs. C. F. Jenness, Flowers; Mrs. O. R. Rice and Mrs. S. H. Wiley, "White Elephants" and Mrs. E. J. Morse a "Melting Pot" (for old gold and silver). Lunch will be served at noon and dinner at night. This will be followed by an entertainment.

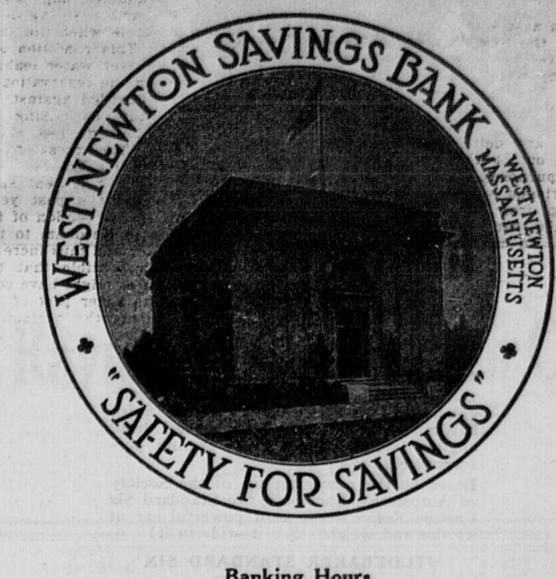

—The superintendents and some of the workers in the Union Rescue Mission of Boston, will present the work of that organization at the Sunday night meeting of the Methodist church.

—Members of the Epworth League of the Methodist Church held their monthly business meeting at Parish hall last Monday. After the meeting a weenie roast was enjoyed at the Shaw Estate. A social hour was greatly enjoyed.

—A Union Thanksgiving Service was held at St. Paul's Episcopal Church Wednesday evening. Dr. Woodrow preached the sermon. Subject, "Making Democracy Safe for the World."

—Last Sunday the members of the Congregational Church School brought Thanksgiving bags filled with gifts for the Little Wanderers Home, Boston, and for the Pomeroy Home, Newton, and a special Thanksgiving service was held by the School.

—Rev. Dr. Shaw of High street is under observation at the Deaconess Hospital. During his absence, Dr. Elton, District Superintendent, will speak at the Sunday services. A Union Thanksgiving Service will be held at the Baptist Church. Mr. Mason

#### NEW PRESIDENT

On Tuesday, November 30, the Newton Theological Institution will inaugurate its fifth President. Dr. Everett C. Herrick was chosen last August as successor to Dr. George E. Horr. The inauguration exercises will take place at the First Baptist Church in Newton Centre at 10:45 Tuesday forenoon. Dr. Herrick will be formally elected into office and will deliver his inauguration address. Distinguished visitors from many educational institutions of the country will be present. At 12:30 there will be a luncheon at the Woman's Club. An informal reception will take place at 3 o'clock in the Chapel of the First Baptist Church when President and Mrs. Herrick will greet delegates and friends.

President Herrick is a graduate of Newton Seminary, Class of 1901 and of Colby College. His notable success as pastor of the First Baptist Church of Charlestown and of the First Baptist Church of Fall River revealed scholarly talents and executive ability which led to his selection of President of the historic Theological School of New England Baptists. For one hundred years it has done its work on the "Hill" in Newton Centre. Under the leadership of President Herrick there is assurance of continued and enlarged usefulness.

#### LEAVING NEWTON

Miss Priscilla Elliott, who has been with the Newton District Nursing Association since her graduation from Newton Hospital Training School in 1922, is leaving Newton to return to her home in Clarence, Nova Scotia, December first. Miss Elliott has many friends in the city and will be very much missed not only by her friends but by those who have known her professionally, during the last four years as her work has taken her into the homes all over the city and she has been closely allied with the Child Welfare clinics in Newton Centre and Newton Upper Falls. The Board of Directors of the Newton District Nursing Association are very sorry to lose Miss Elliott from the Staff but the home call must always come first and they realize that they must speed her going with good wishes although with regret.

#### POLICE NEWS

Edward J. Ebel, 1026 Chestnut street was in court Saturday charged by State Game Warden Fred Goodwin with violating two game laws. Goodwin stated that Ebel had set traps along the Charles River without having a license to trap, and that he had not marked the traps, as the law compels. Ebel was fined \$25 on each count.

Fred Battaglia of 36 Oak street, Wellesley, was fined \$10 for trespass by Judge Bacon on Monday. Battaglia was caught by Serg. Seaver and Patrolman Sheridan in the orchard of Aldermen, have been to a lot of unnecessary labor and expense.

Many interested citizens are awaiting some action on the part of the city officials on this apparent disregard of the power of the city government.

#### ALDERMEN DEFIED

(Continued from Page 1)

Board of Aldermen to grant a permit for such a station. If these people can "get away" with this action, it would seem that the gentlemen and attorneys who have gone to much trouble the past few years in obtaining, or endeavoring to obtain, gasoline filling station permits from the Newton Board of Aldermen, have been to a lot of unnecessary labor and expense.

Many interested citizens are awaiting some action on the part of the city officials on this apparent disregard of the power of the city government.

#### WHELAN-HOOLEY

The wedding of Miss Mary M. Hooley of Thompsonville and Dr. Francis X. Whelan of Manchester, N. H., took place Monday morning at the Church of the Sacred Heart, Newton Centre, where the ceremony was performed at ten o'clock by Rev. Fr. T. J. Whelan, a brother of the groom. Claire Kincaid was the soloist.

The bride was in white satin and her cousin, Miss Gladys Hooley as maid of honor, was in jungle green georgette.

Mr. Charles J. Whelan of Manchester, N. H., was best man and the ushers were Messrs. William Hooley of Newton Centre, Michael Toomey of Boston, John Maloney of New York and Charles McGuire of Manchester, N. H.

A reception followed the ceremony at the home of the bride's parents on John St.

Dr. and Mrs. Whelan will reside in Manchester, N. H., where they will be at home after January 1st.

#### EDDY—SMITH

Mr. and Mrs. Will Currier Eddy of Auburndale announce the marriage of their daughter, Mrs. Luella Louise Eddy Smith and Mr. James William Eddy of Brooklyn, N. Y. The bride and groom were attended by Dr. and Mrs. William Lamson Soule of Flatbush.

#### MANNING—WILLIAMS

The wedding of Mrs. Jeanette D. Williams, the daughter of Mr. and Mrs. John T. Burns of Hill street, Newtonville, and Mr. Lawrence F. Manning, took place yesterday morning at the Church of Our Lady, the ceremony being performed by Rev. Lewis Thurston Reed and taking place Wednesday evening in the Flatbush Congregational Church of Brooklyn, N. Y. The bride and groom were attended by Dr. and Mrs. William Lamson Soule of Flatbush.

#### BABY DROWNED

Mr. and Mrs. Anton Williamson will have the sympathy of the community in the death by drowning of their son, Carl E. Williamson, aged two and a half years, who was found drowned on Wednesday in a small pond on the estate of Mr. Charles E. Riley on Bellevue street, Newton.

The father is head chauffeur for Mr. Riley and the baby was allowed full liberty of the grounds of the estate. His mother missed him and after a search found him laying in a pond which is used for goldfish. Her screams brought servants and members of the Riley family to the scene and Dr. W. O. Hunt was summoned.

He used a pulmotor on the boy but could not revive him. He stated the baby had been dead for an hour. No one was present at the time the accident happened.

#### ELECTRIC REFRIGERATION

Electric Refrigeration is growing in popularity every day and is fast becoming a leading business in the United States. It is only appropriate therefore that Newton should lead the cities of Metropolitan Boston by having established here, one of the first show rooms devoted practically, exclusively, to the display of electric refrigeration.

Kelvinator, the oldest and largest manufacturer of domestic electrical refrigeration in the world, has appointed Dana J. Lowd Company at 274 Centre street, Newton Corner, as their dealer for this territory.

A very cordial invitation has been extended to all the residents of the Newtons and surrounding towns to attend their opening next Wednesday, December first. Here you will find the largest display of electrical refrigeration in Metropolitan Boston, outside of the city itself. Associated with Kelvinator the household machine, in the same organization is the Nizer, the oldest and largest manufacturer of the Electrical Ice Cream Cabinets in the world, as well as the largest manufacturer of Commercial Machines; Leonard, the oldest Refrigerator Company and the Jewett Refrigerator which is universally acknowledged to be the last word in refined refrigeration.

Mr. Lowd, the manager of this concern has had considerable experience with the Kelvinator Company and together with his salesmen will at all times be ready to give expert advice on matters pertaining to electric refrigeration. The Dana J. Lowd Company will also be able to take care of any requirements in several other household appliance lines as they will handle Thaw Electrical Ironer, Premiere Duplex Vacuum, Easy and Savie Washing Machine.

#### DEATH OF MRS. KIRTLAND

Mrs. Marion Reed Kirtland, a graduate of National Park Seminary at College Park, Md., and wife of Harry D. Kirtland, Harvard, '01, and Law School, '03, living at 619 Beacon street, Newton Centre, died Saturday morning at the Deaconess Hospital, where she had been a patient following a throat operation. Besides her husband, Mrs. Kirtland is survived by three young children, Dorothy Parnell Kirtland, ten years of age; Ann Reed Kirtland, five, and John Franklin Kirtland, two. There also are two sisters, Mabel Smith, wife of Major Walter Smith, U. S. A., and Edna Montgomery, wife of Mont Montgomery, both of Los Angeles, Calif. Mrs. Kirtland was a member of the Newton Centre Woman's Club, the alumnae association of National Park Seminary, and attended Trinity Church, Newton Centre.

#### AWARDED LARGE CONTRACT

Mr. Joseph Morrell was best man. A reception followed at the home of the bride's parents on Faxon street, which was attractively decorated with roses and smilax for the occasion.

After a trip to Atlantic City Mr. and Mrs. Pappas will make their home in New York.

## COMMUNITY SERVICE

### MOTHERS' REST ASSOCIATION

The Mothers' Rest Association of the City of Newton which has just completed its twenty-sixth successful year, has this summer entertained 141 women and 248 children, representing 15 nationalities. Thru the co-operation of various Welfare Bureaus, mothers and their children under six years of age, are given a much needed two-weeks' vacation.

This is the second season in the splendid new home, which has proved most adequate for the needs and comforts of its guests.

The new building is surrounded by acres of natural woodland, and the pine grove near the house with its seats, swings, and sand boxes was so attractive that it kept the guests out of doors in all pleasant weather. One of the screened porches furnished a delightful place for the naps of small babies, and another a playroom for the older children.

The whole atmosphere is one of peace and quiet and is a wonderful place for tired minds and bodies.

#### AMERICAN LEGION AUXILIARY

A very interesting Installation took place November 17th at Dennison Hall when the Department Vice President, with Adelaide Fitzgerald, assisted by the Stoneham unit Color Team, installed the following officers: President, Mrs. Corabelle G. Francis; 1st vice-president, Mrs. Alice Beckwith; 2nd vice-president, Mrs. Mary McCarthy; secretary, Miss Rosamund Spalding; treasurer, Miss Emma I. Edmunds; chaplain, Mrs. Helen Cunningham; sergeant-at-arms, Delta Cunningham; executive committee, Mrs. Katherine Powers, Mrs. Katherine Reichert, Mrs. Mary Wolfe.

Mrs. Delta Cunningham of Brookline, a member of Newton A. L. auxiliary, sang two delightful groups of songs. Mayor Childs, addressed the meeting in his usual interesting way, with words of wit and wisdom. Members of the G. A. R. and other invited guests brought greetings. Acting Commander Donald M. Hill and many members of the A. L. Post no. 48 of Newton, were present. All enjoyed refreshments and dancing.

The Bazaar to be held in Dennison Hall, Newtonville, December 10th and 11th, is to be most unusual in its attractions for young and old. Supper will be served each evening at six o'clock. All sorts of articles will be on sale, including a rummage and white elephant table.

A special entertainment for children is being planned for Saturday afternoon, December 11th, and music for dancing for Saturday evening.

#### STEARNS SCHOOL CENTER

The clubs of the Stearns School will have their Bazaar on Saturday, Dec. 4th, in the store at the corner of Washington street and Channing street. Each club will have its own table, and sell the articles made by its members. There is to be a table for the Senior Girls' Club, Mothers' Club, Colonies Club, N. J. Club, and the Italian Embroidery Club. Sewing, embroidery, candy, cakes, and coffee will be on sale.

#### Mothers' Club

Monday, Nov. 22, was Dramatic Night. The pantomime "When The Lamp Went Out" showed Mrs. Sam Chapman as a very sick, young villain with a nice French moustache.

Mrs. Wamboldt, as the heroine, Mrs. Bergen, the hero, and Mrs. Beltram as the helpful mother.

The pantomime was followed by "Joint Owners In Spain." The audience enjoyed this certainly, but not nearly as much as the actors enjoyed the rehearsals. Mrs. Binks finally succeeded in weeping all evening, though she was "not used to it." Mrs. Koch in words, acts, and costume, was sufficiently overbearing to make anyone weep. Mrs. Bergen, as a nervous old lady and Mrs. Delguzzi as the matron of the home, made a successful beginning.

#### DEATH OF MISS HOPKINS

Miss Mary Esther Hopkins who has died at the home of her nephew, Dr. E. E. Hopkins, 355 Newtonville avenue, Newtonville, where she had lived for the last twelve years, was in her eighty-ninth year and born in Colchester, Conn. Her father was a manufacturer, and her early life was passed in New Haven, Conn., and in Worcester. The funeral Tuesday morning was conducted by the Rev. Arthur M. Ellis, pastor of the Central Church of Newtonville, and the burial was in Hope Cemetery, Worcester.

#### MR. ALLEN SUED

J. Weston Allen of Newton Highlands, former Attorney General of the Commonwealth, has been served with a writ informing him that Mrs. Anna Tappan of Wellesley, widow of Roger Tappan, late of Newton, has brought suit against him for \$10,000 in the Suffolk County Superior Court, in an action of contract naming the old Colony Trust Company and the Citizens National Bank as trustees.

Tappan left an estate of nearly \$54,000, of which his widow received one-half. Mrs. Tappan was made administratrix and she retained Mr. Allen as a legal adviser. She claims she has been unable to secure an accounting for funds in Mr. Allen's possession amounting to \$4000, and asks the court to rule on this amount with interest from April 1.

## WOMEN'S CLUBS

(Continued from Page 4)

played to a crowded house, proof enough of the pride and pleasure felt by the guests. To say that the program held charm, enthusiasm, youthful spirits, "girlish" attractiveness, adorable clothes, and all the other trite expressions, that nevertheless are so true at such a time, does not half make apparent the lovely moments of emotion and affection felt by the audience. Three one-act plays, varying in character, were interspersed by cornet and violin solos by musical members of the Juniors—the cornet being played by Miss Ruth Ufford, and the violin by Miss Marjorie Winslow. The plays were produced under the direction of Miss Mary J. Gray and Miss Lorraine Foat Holmes; the stage manager was Miss Marion Ford; properties manager was Miss Nevelta Smith; accompanists were Miss Ruth Ufford, and Miss Mabel MacNutt; and the ushers were Misses Sally Davidson, Mildred Gates, Helen Hall, Lorraine Holmes, Ruth Hutchinson, Priscilla Soule, and Sylvia Sweet. Those who acted the parts in the farce, "The Bathroom Doctor" were: The Young Man, Mary Palmateer; The Young Lady, Elizabeth Godfrey; The Elderly Gentleman, Dorothy Estabrook; The Elderly Lady, Blanche Waiter; The Prima Donna, Elizabeth Hall, and Boots, Helen Palmateer. The actors in "The End of the Rainbow," a fantasy in one act, were: Pierrot, Ethel Davidson; Pierrette, Anne Wood, and Will-o'-the-Wisp, Polly Godfrey.

The characters in "The Toy Review" which took place in the nursery at midnight, were: Silver Bells, Polly Godfrey; Topsy, Winifred Blackwell; Japanese Maid, Dorothy Young; Raggedy Ann, Lindsey Dougherty; Jack-in-the-box, Constance Gai; Teddy Bear, Priscilla Dennett; English Soldier, Mary Elizabeth Frost, and French Peasant Girl, Katherine Brighthwaite.

### COMING EVENTS

#### Waban Woman's Club

Mr. Arthur Fisher will give to the members, and members' daughters, of the Waban Woman's Club a most enjoyable afternoon on Monday, November 29th. He will visit them not only as "Cyrano de Bergerac," but as all the other personae with whom this gallant gentleman was association in the drama of his name. Mr. Fisher was "trained" at Leland Powers School. Need one say more? It almost makes one wish that one were one of the lucky daughters to be bidden to the treat. (During the business meeting a short talk will be given explaining the reason for the annual sale of Christmas health seals. Waban's quota this year is \$900.00, and the committee is working hard to raise this amount.) A social hour will follow the program, with tea served.

#### Auburndale Review Club

Continuing their journey from "Colorado," the members of the Auburndale Review Club will go to "Arizona and New Mexico" next Tuesday morning, the 30th, meeting at 10 o'clock at the home of Mrs. Herbert H. Longfellow, and travelling under

the personally conducted tour of the hostess, Mrs. George W. St. Amant, and Mrs. Dean W. Hanscom. Mrs. Longfellow will lead the way through the "Grand Canyon and Canyon de Chelly." Mrs. St. Amant will then receive the guide, and conduct through the "Petrified Forest, Painted Desert, Meteorite Mountain," and in her turn Mrs. Hanscom will invade the "Cliff Dwellings," and the haunts of the "Zuni Indians."

#### C. L. S. C. of Newton Highlands

A "Special Day" indeed, is planned for the members of the Newton Highlands C. L. S. C. for the same day, Tuesday, the 30th, in a "Visit to Fenway Court," so that while members of one Club are going into the west, members of another are travelling—after a real trip of but a half hour or so—into many fascinating lands, east as well as west, and viewing, or proclaiming over, the collection of rare and quaint or strange and beautiful objects that typify them. It has been arranged for two groups to set forth: one on the 11:30 A. M. Boston and Worcester bus, to have lunch at the Art Club; the second for those who are not so fortunate as to spare time for the luncheon on the 1:30 bus, going direct to Fenway Court. Mrs. George F. Hardy, president, and Mrs. Sanford E. Thompson, secretary, are leaders for the groups.

#### Newton Centre Woman's Club

A timely topic for the delightful series of "Informal Talks," sponsored by the Education Committee of the Newton Centre Woman's Club, is offered for the first day of the Christmas month, at 10:30 o'clock, on "New Juvenile Books." It is easy to prophecy that many "young folks" will be fortunate enough to profit from this information gleaned by members that morning from Mrs. Harold G. Gildings, who are already wondering what to choose for that magic date the 25th. More, and charming, information, too, on "What to See and Hear in Art, Literature, and Music," will be forthcoming from the speakers, Mrs. W. Cornell Appleton, Mrs. John Bergeson, and Mrs. Charles L. Bird. This idea of the Education Committee in bringing into concrete words the effective way to enjoy the arts is a most progressive and entertaining one.

The next regular monthly meeting of the Club will fall on Thursday, December 2nd, when at 2:30 P. M., Prof. Robert E. Rogers of Technology will lecture on "Portraits of a Modern Novelist." One wonders just what school of portraiture this artist will follow in this portrayal, and the wondering arouses curiosity, a bit of fear, mayhap, and hopes for hope. Mrs. Joseph Congdon, director of the West district, will be a guest of honor on that day, also.

#### Social Science Club

Mrs. Walter A. Hoffer, vice-president of the Consumers' League, will speak on the Prosans Label at the meeting of the Social Science Club on Wednesday, December first, at the Hunnewell Club, Newton.

#### Newton Highlands Woman's Club

Owing to a necessity of a change of dates in the course of lectures on Modern Drama, for the members of the Newton Highlands Woman's Club, being given by Mrs. Miriam Franc Skirball of Simmons College, the talk scheduled for March, has been put ahead into the present month, when Mrs. Skirball will speak on George Kelly, whose Pulitzer prize winning play "Craig's Wife," was recently seen in Boston.

Mrs. Frank L. Richardson will open her home on Woodward street for the lecture, which is to be given Tuesday morning, November 30th, at 9:30 o'clock, half an hour earlier than the time specified on the tickets.

Single tickets at 35 cents each, may be purchased for this talk and can be secured of Mrs. Robert E. Briggs, chairman of the Education Committee.

#### Community Service Club of West Newton

The Community Service Club of West Newton meets Wednesday, December 1st, in the Parish House of the Second Church, at 2:30 P. M., with the meeting in charge of Mrs. R. E. Gross, legislative chairman. Representative Leverett Saltonstall will speak on "Bills in the Coming Legislature of Interest to Women." Members will have the privilege at this time, too, of visiting the Contribution Box for Christmas Dinners, and making it possible for those same dinners to materialize for some who as eagerly look forward to it as all in the Club, who are making delightful plans for December 25th. Tea will follow in an hour of hospitality.

December 3rd is the date of the next Current Events lecture, members are reminded.

#### West Newton Women's Educational Club

The Bazaar for the increase of the treasury of the West Newton Women's Educational Club will be held on Friday afternoon and evening, December 3rd, in Player's Small Hall.

There will be tables of useful and fancy articles affording an opportunity to buy your Christmas gifts. A table of fascinating chocolates for children and one of tempting home cooked food.

Tea will be served in the afternoon; supper at 6:30. A unique entertainment will be given by the Juniors at 8:15 o'clock. Admission is free.

And all of these choice offerings for your entertainment and for enticement of moneys from your purse bring back to you a wonderful reward. Not only enjoyment in the day's pleasure, not only appropriate and treasured gifts which will be just the right thing for some dear friend, but the

pleasing self, you are also doing good in adding to the funds so raised for many splendid purposes. It is safe to say that December 3rd will see a "merrie" throng at Player's Small Hall preparing for that other "merrie" day so soon to come.

Members are asked to note the change in date from the 10th as given in the Club calendar, made necessary because the hall was to be used the entire week of the sixth by the Players.

#### Newton Community Club

The club will make another trip to Blue Hills and over part of the Sky Line Trail on Friday, December 3rd. Meet at Library at 10 A. M. Bring lunch. Cars provided. It is hoped that all who are interested in walking will go. Please call Newton North 2845-W or Newton North 4382-W.

The Public Health Committee is offering a splendid opportunity to those interested in keeping fit. A Gym Class is being formed under the leadership of an expert instructor. Rates very low, 14 lessons for \$5. Please call Newton North 4382-W or Newton North 0467.

#### Shakespeare Club of Newton Highlands

"Othello." Acts IV and V. will be the object of interest of the Shakespeare Club of Newton Highlands at their Saturday meeting, December 4th, with Miss Mary L. Sweeney leading the Quiz, that always keeps the wits of the members alert. Mrs. E. Moore, secretary of the Club, is hostess for the meeting, opening her home 55 Hillside road.

Book, No. V499WEEKS MEMORIAL  
(Continued from Page 1)warfare and defense developed during  
and since the World War.Our Regular Army is by far the  
smallest of any nation in the world  
whether in relation to population,  
wealth or area.It will probably surprise you to  
learn that the Secretary of War has  
at his disposal within the United  
States only 49,973 Regular Army  
troops in the combat branches of the  
Infantry, Cavalry and Artillery.Besides the strictly military activi-  
ties I have previously outlined  
there is committed to the War Department  
supervision over the construction  
of roads, trails and bridges in Alaska,  
and the cable and telegraph systems  
which link our great northern  
territory with the outside world.  
National military parks, national  
cemeteries, homes for disabled sol-  
diers, river and harbor projects, and  
the supervision of colonial govern-  
ments, are a few among the many  
non-military activities to which the  
Secretary of War must devote atten-  
tion.In addition to those duties which  
are distinctly connected with War  
Department activities, the Secretary of  
War is the representative of the  
President directly charged with the  
general supervision of the govern-  
ment of the Panama Canal and of the  
operation of the Panama railroad. He  
is chairman of the Federal Power  
Commission, President of the National  
Forest Reservation Commission,  
President of the President's Commit-  
tee on Outdoor Recreation, and a  
member of the Federal Oil Conserva-  
tion Board. He further is chairman  
or member of many commissions  
charged with the supervision and  
maintenance of national monuments,  
parks and other similar projects.The time at my disposal does not  
permit of a full description of many  
of the activities under the supervision  
of the Secretary of War. I will cite  
a few examples of those uses of the  
military establishments which are sup-  
plementary to the main mission of  
maintaining the national defense.Since the beginning of the develop-  
ment of our rivers and harbors under  
federal auspices, the large sum of one  
and one-quarter billions of dollars has  
been expended upon this work by the  
War Department. During the fiscal  
year which has just closed, the expen-  
ditures for new work and maintenance  
for river and harbor projects totalled  
approximately \$58,000,000. The  
savings due to reduced transportation  
costs equal half a billion dollars an-TO LET—5 rooms second floor, new-

LOST AND FOUND

FOUND—On Watertown Street, near  
Fiske Plumbing Shop, West Newton, a  
gentleman's wedding ring. Initiated.Owner can have by identifying and  
paying for ad. Tel. West Newton  
1553-W. It.nually or a yearly return of about 33  
per cent on the investment. Through  
duty to duty with these and similar  
activities, the officers of the Corps of  
Engineers are not only preparing  
themselves for great engineering tasks  
which war conditions necessitate, but  
they are returning to the government  
services of immense value.The Federal Government a few years  
ago inaugurated the Inland and Coast-  
wise Waterways Service, now known  
as the Inland Waterways Corporation.  
This is an independent, competitive  
business conducted by the Govern-  
ment as a temporary expedient until  
private interests are prepared to take  
over this activity, which, through the  
medium of cheaper transportation,  
means so much to the future develop-  
ment of our country. The Inland  
Waterways Corporation is an activity  
of the War Department, administered  
by officers of the United States Army.  
It is now on a paying basis. It has  
changed a deficit of \$950,000 in 1923  
into a profit of \$350,000 in 1926. The  
success of its operations affords a  
definite proof that rail and waterway  
interests can thrive side by side to  
their own mutual advantage and to  
the great benefit of the people as a  
whole. The operations of this corpora-  
tion in the development of water-  
borne traffic demonstrates clearly the  
wisdom of the considerable expendi-  
tures made upon the improvement and  
development of our inland water sys-  
tems.While the administration of the Panama  
Canal is not distinctly a War Department  
function, the Secretary of War has  
always been charged by the  
President with personal supervision,  
as his representative, over Canal Affairs,  
including those of the Panama  
Railroad Company. Army officers con-  
structed the Canal. Army medical offi-  
cials eliminated those dread diseases  
which, more than any other one factor,  
prevented earlier completion of this  
great work, and Army officers have  
always been appointed governors  
of man of all time, has proved a com-  
mercial success beyond all expectations.  
During the past year, the ex-  
cess of revenues over costs of opera-  
tion was close to \$16,000,000.War Department activities and functions  
extend into the field of colonial  
administration, for the Governors of  
Porto Rico and the Philippine Islands  
report to the Secretary of War through  
the medium of the Bureau of Insular  
Affairs, headed by officers of the Army.Over forty thousand soldiers of the  
Regular Army each month attend  
schools conducted by the Army, or engage  
in military duties which prepare them  
for specialized civilian pursuits upon  
completion of their terms of service.  
This makes the Army an im-  
portant link in the educational sys-  
tem of the country. The Army affords  
instruction in specialized trades to  
thousands of youths, who, through  
force of financial circumstances, are  
unable to obtain such vocational edu-  
cation in civil life. Soldiers are being  
prepared for over 450 civil trades and  
professions. The range of this  
educational effort is most unusual.Bookkeepers and crane operators,  
chemists and dairymen, locomotive  
engineers and dental technicians, radio  
operators and airplane engine mechanics,  
engravers and meteorologists, are  
being trained today in the Army to  
the mutual benefit of the individual  
concerned and the country as a whole.  
There are over 26,000,000 horses and  
miles in the United States. Yet so  
far as known, the Army conducts the  
only schools for horsekeepers and saddle-  
driers in this country.The law which established the Na-  
tional Forest Reservation Commission  
bears Mr. Weeks' name. The Weeks'  
law was enacted while Mr. Weeks was  
a Representative from Massachusetts,  
twelve years before he assumed the  
duties of president of this commission  
by virtue of holding the office of Sec-  
retary of War. The establishment of  
national forests in the eastern states  
was a subject in which Mr. Weeks was  
deeply interested throughout his public  
career. In 1926, under the provi-  
sions of the Weeks' law, 178,000,000  
acres of privately owned land are be-  
ing protected from fire. Nearly 3,  
000,000 acres have been acquired for  
eastern national forests, of which almost  
one-half million acres are located  
in the White Mountains of New  
England.Mr. Weeks believed in the Army; he  
wanted the country to appreciate the  
efforts of the Army not only in times  
of war but in days of peace. He was  
of the opinion that the peace-time at-  
tainments of our Army had never been  
fully realized by the citizens of the  
United States. He strove constantly  
to bring to the people a greater ap-  
preciation of the value of what he was  
wont to call "by-products of national  
defense." His address on this sub-  
ject before the Boston Chamber of  
Commerce in 1922 was a revelation to  
the country.In this and subsequent public ad-  
dress, Mr. Weeks demonstrated that  
throughout its history the Army had  
out-pioneered the pioneers. The United  
States Army blazed the early trails  
and protected the settlers as they  
moved westward through the wilder-  
ness. Army officers constructed the  
Cumberland Pike, the early canals,  
such as the Erie and the Chesapeake  
and Ohio, and the first lighthouses.  
The Boston and Albany Railroad,  
which serves this city, was located,  
constructed and managed by officials  
of the War Department. The New  
York, New Haven, and Hartford Rail-  
road, and the Boston and Providence  
Railroad, which have been so insepar-  
ably linked with the prosperity of  
the New England States, were the  
work of Army engineers. In more re-  
cent years Army medical personnel  
has cleared the tropical dependencies  
of the dread diseases of yellow fever  
and typhus.By his military associates, John Win-  
gate Weeks was considered one of the  
greatest of our Secretaries of War.  
He assumed office at a most critical  
time for the national defense. With  
amazing skill and forethought he di-  
rected the re-organization of the Army  
after the World War. He inspired  
confidence in an army faced with all  
the disillusionments common to post-  
war days. He strove earnestly and  
successfully to bring the military and  
civil worlds into more intimate touch.The Public Speaking class will meet  
Friday instead of Thursday this week  
on account of the holiday.Mr. George Irving, Religious Work  
Secretary of the National Council of

### SCHOOL COMMITTEE MEETING

The regular meeting of the School Committee was held on Monday, November 22nd, 1926. Leave of absence was granted to Valma Carey of the Angier School, Waban. The Budget for the year 1927 was approved and forwarded to the Mayor. A petition was received from the residents in the vicinity of the Bowen School asking that sufficient land be taken to provide a playground for the school. The committee sent a request to the Mayor asking that an appropriation be granted for this purpose.

Priscilla D. Aurelio was elected as teacher in the Bigelow School.

Mr. Fitzgerald and Mr. Duncan of North Street, appeared before the committee protesting the fact that school tickets had been taken away from their children and other children in this vicinity, and presented a list of names of school children living at least one mile from the Mason School with the request that free transportation be given them. The matter was taken under advisement by the Committee.

New rules and regulations were adopted affecting the public use of school buildings.

It was voted to send a communication to the Board of Health asking for information regarding the dangerous effect of Newton drinking water on the school children.

### REV. JAMES DOLAN WELCOMED

About 300 members of Newton Council, Knights of Columbus, went to Boston College Tuesday evening to tender a reception to Rev. James Dolan, S. J., the new president of that institution. In behalf of Newton Council, Senator Elect David L. Walsh presented Fr. Dolan with a testimonial from Newton Council. Mr. Walsh extolled Boston College for the work it is doing in educating young men of Boston and vicinity. Mayor Edwin O. Childs welcomed Fr. Dolan to the city. Others who spoke were State Deputy Edmund J. Brandon of Cambridge, District Deputy Thomas Brady of Brookline, and District Deputy Daniel Sullivan of Needham. Musical selections were given by the Boston College Quartet, Joseph Gildea, Peter Gatti, George McLaughlin, and George Dolan. Those who attended departed in a procession of automobiles from Elks Home, Newton Corner.

JACOB WEINBERG

Jacob Weinberg, a resident of Newton for 15 years, died November 19 at his late residence, 55 Pembroke street. He was born in Germany 64 years ago, and had been engaged in the wool business. His funeral was held on November 20 and burial was in East

PAPER CHASE AT HYACRE FARM

Thirty riders enjoyed a paper chase under the auspices of Hyacre Farm yesterday. The participants left the farm at 8:45 under the lead of George Goodhand, director of the riding school there. They had been preceded by a rider who left a trail of paper scraps through the bridle paths and woods of Needham and Dedham. The first prize was won by Miss Alice Heathcote, 13 year old daughter of Alderman George Heathcote. Mrs. B. L. Dunbar won 2nd prize, and 3rd prize was won by Miss Mary Boardman of Mount Ida School. The chase was held to stimulate interest in horse riding and others will be held in the near future.

### DEATH OF MR. MELODY

Mr. Thomas F. Melody, a resident of

Auburndale for over 30 years, died

Monday morning at his home on Au-

burndale, where he established a

lively stable business, and more re-

cently became owner and manager of a

large garage. Up to the time of his

illness he was at his office every morn-

ing and conducted personally the af-

fairs of the garage.

He is survived by four daughters,

Mrs. Joseph Starr of Watertown, Mrs.

James Thornton of Auburndale, the

Misses Loretta and Catherine Melody

of Waltham and Joseph Melody of Au-

burndale.

Mr. Melody was a member of the
